

HARRISON MAY TALK NOW

But Will He? Is the Interesting Question.

HE STILL HAS MANY CALLERS.

Rival New York Delegations Meet at His House—He Sees Hovey Inaugurated. A Rumor That Will Interest Mr. Depew.

INDIANAPOLIS, Jan. 15.—Gen. A. P. Hovey and Private Ira J. Chaso were duly inaugurated as governor and lieutenant governor respectively. President-elect Harrison was an interested spectator at the inaugural ceremonies, and together with Mrs. Harrison attended the inauguration ball. The latter was a brilliant social event and was enjoyed by thousands of society people from this and other cities. It is believed here that the various electoral colleges having met and formally elected Gen. Harrison president, he will now be more free to act and speak as such. As a life-long lawyer and strict constructionist of legal forms, he has not regarded himself as president until he was finally chosen by the electors. That being done, it is thought he will very soon permit the country to know his cabinet intentions. Meanwhile he is not idle.

Mr. John F. Plummer, of New York, has just been here on the invitation of the president elect, and Mr. Arthur E. Bateman, also of New York, accidentally dropped in at the same time. Both of these gentlemen are well known in New York as not altogether friendly to Warner Miller. Mr. Plummer says he didn't come for anything, and Bateman says he came to help Plummer. They had a pleasant interview with Gen. Harrison, in which they gave free expression of their preference for Mr. Miller. Another party of New Yorkers came in the interest of Mr. Platt. This delegation consisted of State Senator Arkell, J. A. Soleicher, of Albany; W. J. Arkell, of New York, and Gilliam, the caricaturist on Judge. They had an interview with Gen. Harrison, and talked up their man in regulation style. Ex-Congressman John S. Wise insisted up to the moment of his leaving here that his visit was purely accidental, but it is known that he uttered some premeditated remarks concerning the appointment of Mahone to a cabinet position. Col. Walter Evans, of Kentucky, formerly commissioner of internal revenue, has been invited here by Gen. Harrison, presumably to confer in regard to Kentucky patronage.

Among other visitors were B. D. Mills, of Republican City; J. W. Dolan, of Indianapolis, and G. L. Law, of Lincoln, Neb. They are the forerunners of a delegation from that state, Wyoming, Dakota, Kansas and Colorado to urge Gen. Harrison to select a western man for the interior department. He will be asked to choose one who has liberal views regarding homestead settlers.

WHAT DOES MR. DEPEW SAY?

A Political Rumor from Baltimore of Great Importance to Him. BALTIMORE, Jan. 15.—There is some quiet talk going on between a select few to the effect that Mr. Samuel Spencer, ex-president of the Baltimore and Ohio road, will in a few months be placed in a position in every way equal to the one he vacated last month; in short, that he is to be president of the New York Central Railroad company. This will come about through the appointment by President-elect Harrison of Mr. Chaney M. Depew to a cabinet portfolio, or to some important mission abroad, which would make the position of president of the New York Central vacant. Mr. Spencer has the backing of all the big banking concerns which help the Baltimore and Ohio out of its recent financial difficulties, and it is known that the Vanderbilts have a very high opinion of Mr. Spencer. The relations between Messrs. Depew and Spencer are of the warmest character, and when the latter quit the service of the Baltimore and Ohio Mr. Depew expressed the opinion that Mr. Spencer was one of the greatest railroad men of the age.

His Life Hangs on Her Word.

BIRMINGHAM, Ala., Jan. 15.—At Pratt Mines, near here, Saturday, an unknown negro outraged Mrs. Kellum in a lonely spot near the mine, and killed her little boy, who was with her. Since then the white population of the region has been in a state of great excitement, and parties have been searching for the criminal. Many negroes arrested on suspicion have been taken before Mrs. Kellum, but until yesterday she has answered in every case "not the man." Yesterday, when one was brought in, she cried out in horror, "Take him away; he is the man." On partially recovering her calmness, however, she expressed some uncertainty, and at her request the lynching was postponed, when she will again look at the man, and if she fully identifies him as the guilty one his fate is sealed. Meanwhile the excitement and the search continue.

Mitchell Blasts as Ever.

NEW YORK, Jan. 15.—Mitchell and Kilrain had a conference with Richard K. Fox. The result of the conference was not made public. Kilrain received a dispatch from Boston saying that his mother was dying. He left for Baltimore with the intention of taking his wife to his mother's bedside. No effort was made to appoint a referee or to deposit the final \$5,000 in his hand with John L. Sullivan. Mitchell is loud in his denunciation of his treatment by the press. He absolutely refuses to meet Dempsey in a ring with the big fellows at New Orleans, and alludes to Dempsey in the most contemptuous terms. Mitchell will sail for England in the Britannic on Wednesday next. He will return in six weeks time to train Kilrain. Mitchell is positive that Sullivan will never meet Kilrain in the ring.

St. Catharines Great Railroad Scheme.

ST. CATHARINES, Ont., Jan. 15.—The report is rife that the Canadian Pacific Railroad company has purchased the right of way of the old road at Lewiston and that they intend to erect a suspension bridge across Niagara river and connect with the Rome, Watertown and Ogdensburg railroad. The latter road has lately been repairing the Lewiston branch, while the Canadian Pacific has had surveys at work at Lewiston.

Suicide of a School Teacher.

SPRINGFIELD, Ill., Jan. 15.—Miss Ada Walker, a highly respectable young lady, a teacher in a public school here, committed suicide by drowning in Black river. Her body was found. She was the daughter of James R. Walker, a well known farmer and agricultural writer. Temporary insanity is the reason assigned.

Are We to Have Another War?

Some political prophets aver that we shall. Be that as it may, the battle waged by medical science against disease will never cease until we arrive at that utopian epoch when the human family shall cease to be afflicted with bodily ailments. One of the most potent weapons which the armory of medicine furnishes, is Hostetter's Stomach Bitters, which is of special utility as a family remedy, as it is adapted to the immediate relief and ultimate cure of those disorders of the stomach, liver and bowels which are of commonest occurrence. Indigestion, biliousness and constipation are inseparable companions and these ailments are completely eradicated by the Bitters. But the remedial scope of this superlative wholesome and general medicine takes in also nervous ailments, rheumatism and kidney troubles; its actions in these, as in the other complaints, being characterized by unequalled efficiency.

CATARRH, Catarrhal Deafness and Hay Fever.

A NEW HOME TREATMENT. Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks. N. B.—For catarrhal discharges peculiar to females (whites) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. Dixon & Son, 304 West King St., Toronto, Canada.—Scientific American.
