A BIG COKE DEAL.

A Consolidation and Further Advance in Prices Looked For.

PITTSBURG, Aug. 29.—The coke operators and iron manufacturers were thrown into surprise by a circular signed and issued by the members of the J. M. Schoonmaker Coke company.

This deal, following so closely on the purchase of the J. W. Moore & Co. plant of 450 ovens by the Frick company, has caused consternation and people do not know what surprise will come next.

J. E. Johnston, of Pittsburg, Nominated for State Treasurer—The Platform.

HARRISBURG, Aug. 29.—At the state prohibition convention the names of J. E. Johnston, of Pittsburg, and W. W. Hague, of Tidewater, were presented for state treasurer.

The platform adopted indorses the Indianapolis platform of 1888, favors the Australian ballot system and universal suffrage, and declares that prohibition will settle the labor question, insuring better wages, steady work and larger profits.

The coal companies are now talking about restricting the output. There is a good supply of coal on hand at the various shipping points, and restriction at this time would do no harm.

Belief That the General Is the Senator's Man for Governor.

HARRISBURG, Aug. 31.—Adj. Gen. Hastings came in from the west after spending two days at Beaver as the guest of Senator Quay.

Among politicians here his visit to Senator Quay is regarded as very significant. It is looked upon as a confirmation of the report that the national chairman is not committed to Senator Delameter for Governor, and as an indication that Gen. Hastings is the coming man.

Shocking Accident at Carnegie's Homestead Works—Four Burned to Death and Four Seriously Wounded.

PITTSBURG, Aug. 31.—A ladle containing thirty tons of molten steel with two twelve ton ingots taken out, boiled over at Carnegie's Homestead Steel works, burning one man to death, another so badly that he died and fatally burning two others, besides four others being seriously burned.

The seriously burned are: Isaac Gons, ladieman, burned all over, but will recover. Stephen Christ, badly burned, but will recover.

One of the most heartrending features of the accident was the recovery of the body of Andrew Kepplen. He had fallen into a stream of the molten metal and a stream of water was kept playing on the mass until it became cool.
