FEAT OR FAKE?

Conflicting Evidence as to Whether Brodie Really Shot Niagara Falls—Skeptical in Buffalo and at Niagara.

BUFFALO, Sept. 9.—Steve Brodie says he swam the Horseshoe falls and was picked up in the river below. His story is sworn to by Louis Ledger, a swimmer, who has assisted Brodie in his previous adventures.

Over the Cataract. He repented his rashness when too late and tried to battle the current with his double bladed paddle. He was swept into the centre of the stream and when the brink was reached was shot into the air some ten feet.

Nobody saw the jump but the interested persons, and nobody here, or at the falls, believes it was made. There was no occasion for secrecy about it, as once in the water Brodie could not have been stopped, and witnesses would have been plenty.

Brodie swore by his wife and little children that he had accomplished the feat, in talking with the correspondent. "There's an oath I would not take lightly," said he impressively.

HAMILTON TESTIFIES

He Tells What He Knows About the Baby Act.

THE STORY OF HIS DECEPTION.

An Interested Audience in the Tombs Police Court—Eva Offers to Confess if Ray Will Only Come to Her and Intimate That She Was a Catspaw for Her Wicked Accomplices.

NEW YORK, Sept. 7.—Robert Ray Hamilton, Mrs. Swinton, Josh Mann, Inspector Byrnes and two or three midwives were present in the Tombs police court, together with a large crowd of spectators, when the Hamilton blackmail case came up.

Mr. Hamilton made an affidavit charging extortion, and described how he had met Eva in a house in this city; how she had worked on his sympathies; how he had given her larger and larger sums; how she had finally written him from Elmira that she was about to become a mother; how the babe was afterward exhibited to him for his admiration, and how he was then induced to marry the woman.

Cross Examined. Counsel for Mrs. Swinton and Mann examined Hamilton and brought out the fact that any sums he had given them were voluntarily and cheerfully given.

The specific charge made by Hamilton is that Mrs. Swinton, Joshua Mann and Eva Mann, by falsely representing that Hamilton was the father of the child, obtained from him a check for \$500.

Inspector Byrnes testified to the way the baby was procured and to Mann's relations with Eva. A letter from Mrs. Hamilton to Inspector Byrnes was produced, in which Mrs. Hamilton offers to tell the whole story if Hamilton will come to her. She says she was more sinned against than sinning, and conveys the idea that Mrs. Swinton and Mann used her as a catspaw.

A motion to dismiss the proceedings was denied. The hearing will be continued. HAMILTON SEEKS A DIVORCE

Job and Mrs. Swinton Held in \$1,500 for Swindling Him. NEW YORK, Sept. 9.—Mrs. T. Anna Swinton and her son Josh Mann have exchanged their cells at police headquarters for even narrower rooms in the Tombs, to which they were committed in default of \$1,500 bail each, to await the action of the grand jury upon a charge of having obtained \$500 from Robert Ray Hamilton by a \$10 baby and other false and fraudulent pretenses.

Robert Ray Hamilton has emphasized his action in cutting loose from the gag—wife, bogus baby, "Granny" Swinton, "Doty" and all—by instructing his lawyer to bring an action for the annulling of the marriage.

John L. Sullivan for Congress. NEW YORK, Sept. 9.—The great John L. Sullivan was tendered a reception, and gave a reception, it was hard to find out which, at the Academy of Music Saturday night.

John received a good many visitors during the day. His ambition was quickly made known to them. He wants to be a congressman, and he will do everything to get there. He told his friends that he intended to give up sparring and enter political life. He is a Democrat, and has always voted with the Democratic party, and he said that at the next election for congressman in his district at Boston he would make a brave effort to secure the nomination.

BALTIMORE, Sept. 9.—The Maryland exposition, which begins today and continues daily throughout the week, promises, unless checked by unforeseen events, to be one of the most interesting affairs of similar character that has taken place in this day of fairs and shows throughout the land. Mrs. Cox sent the following reply to an inquiry from a friend in Washington: "Mr. Cox is slowly rallying and hopes of recovery are increasing."
