CRUSHED TO DEATH.

The Sudden Death of "Mac" Whiteman Brakeman on the Snow Shoe train.

On Saturday morning December 27th, a sad and fatal accident befell Mr. Mc. Clellan Whiteman, while attempting to couple cars of the Snow Shoe train, near the Bellefonte station. He had been employed but two weeks as a brakeman and was in the act of connecting cars when he was caught between the bumpers and was horribly crushed. No one saw the accident but a moment later was found lying on the ground unconscious. He was taken to the Bush House and medical assistance was immediately summoned but it was of no avail and he breathed his last at 2 o'clock that afternoon. An examinaber of his ribs were crushed and sustained internal injuries.

The deceased was a young man of about 27 years of age and resided with his aged parents, Mr. and Mrs. Samuel Whiteman of Snow Shoe. The fact ing an indomitable will and strong that his father is blind and he was the only support to his parents makes the accident all the more distressing.

ELABORATE CHRISTMAS SERVICE.

Rendered by the Lutheran School of Centre Hall,

One of the prettiest and most impressive Christmas services of the past season was rendered at Centre Hall, on Christmas evening, by members of the Lutheran Sabbath school which always observes this festive occasion by elaborate exercises. This year they rendered a cantata entitled the "Frost Queen." In it the principal characters were "Frost Queen," "Santa Clause," "Will of the Whisp", little girls dressed as "Fairees," Chineman, Indian, Burmese and other characters, all being attired in native costumes, carefully arranged in every detail. The principal feature, the singing by the children was so admirably done that all admired their performance.

This Sabbath school is deserving of much praise for their efforts in this

After we had gone to press with our last issue the news reached here of the pardon granted to Fietta Weaver who was taken to the Western Penitentiary to serve three years for the killing of her father-in-law, Andrew Weaver, Sr. The pardon was announced to her on Christmas morning and it no doubt was the happiest day she knew of her life-

She has been in ill health the past month and will not leave there until the physicians think it safe to start on her journey homeward. During her stay at the penitentiary an infant was born and is in first class healte.

The pardon was secured through the efforts of her counsel, Wm. E. Gray, Esq, who presented a petition to the pardon board at its last session at Har-
