ing, Feb. 9, and closing Friday night a moderate sum. with a concert. The best musical talent in this and adjoining counties has for such an undertaking if the proper been secured.

-A communication from Jacksonville in a recent issue stated that a dance was held at a house until the wee the Beech Creek road, and the hum of small hours of the morning. The same new life, industry and activity will perwas pronounced untrue, and corres. vade every line of trade and bring with pondents should always be careful in it prosperity and contentment in many getting only the facts.

-Twenty-nine states have passed laws restricting the sale of cigarettes. But the cigarette business increases every year in volume and profit. The effect of restrictive legislation seems to be to provoke an irresistable desire on the part of "the small boy" to use the dainty paper covered roll of tobacco.

-A man by the name of Robert Merryweather left Point Lookout early on Monday morning for Philipsburg. He was very much under the influence of liquor and while crossing a railroad bridge fell into the water and his body was not recovered. He is said to have a sister living some where in the anthracite coal regions.

-If the butchers of Bellefonte would put their heads together and follow the household who was able to care for example of Philipsburg it would be a these four invalids, two of whom have good thing. Let every one pay cash died. for his meat and they could afford to sell it a few cents less per pound. Let the butchers start and others follow in the same line of business. "No trust, no bust."

-When a tough insults a man on the street he often gets his face smashed. When Francey Speer makes his customary uncalled for assaults upon respectable young men of the town, by his "Thats" they consider the writer and say no more of it. Francey, be careful, you may get your snout spoiled some day. The patience of some is about exhansted.

-The Bellefonte Supply House is the name of a new establishment located in the Cride Exchange. The firm is represented by Messrs W. T. Hilibish and Harry Jenkins, both of this place. It is their intention to keep a large and complete assortment of all kinds of pipes and fixtures, used by plumbers in fitting up steam pipes and water pipes, engine supplies and in fact every thing in that line. They will carry a full line of scales and othes articles. They Gillam for his shoe store.

There is plenty of capital in B-llefonte parties only agitate the matter.

What will be done ? Give Bellefonte a compating line. an humble home.

An Afflicted Household.

On Friday afternoon Mrs. Wm. Hannon, living at the home of her mother, Mr. Louisa Bierly, in the Brick Row, outside of Bellefonte, died after a lin gering illness from consumption. She was aged about 26 years. Funeral occurred on Sunday; services in the Reformed church at this place.

On Saturday Mr. Samuel Packer, aged 80 years, and living in the same house, died from paralysis.

Miss Reed, living in the same house is lying very ill, while Mrs. Dubbs, mother of Mrs. Bierly, and aged about £9 years, had a fall which was followed by paralysis and her recovery is a matter of doubt.

Mrs. Bierly was the only one of the
