District Attorney Meyer and family visited friends in Penns Valley, last week.

Mr. C. M. Bower, Esq., and family are spending the week visiting friends in Pennsylvania.

Mr. Thomas Mitchell is acting as commissioner clerk this week, while corporal Rob. Hunter is doing the elegant at camp.

The railroad company has a work train at Centre Hall, this week, building a large siding for the Patron's picnic ground.

Mr. W. H. Yearick and Mr. Samuel Faust, the carriage builder, both of Centre Mills, were in town on Monday with a fine lot of new buggies.

Mr. Olie Meek, now engaged in the drug business, at Washington, D. C., was in Bellefonte this week taking a short vacation. He is looking quite well.

Henry Quigley is now Adjutant in the Fifth Regiment, having received his promotion a short time before he left for camp. We congratulate him upon his recent honors.

Pennaud Dinges, formerly a resident of Pennsylvania, died at his home in Monroe, Wisconsin, of heart disease, on July 10th. He was 64 years of age and leaves a wife and twelve children.

Thus far thirty-four fire companies have signified their intention of taking part in the State Firemen's Association parade at Lock Haven next month. Among the members are the Logan boys of Bellefonte.

On account of the rain, the M. E. choir were compelled to hold their festival in a vacant room in the Brockert-hoff Block, on Tuesday evening, instead of on the lawn at Hon. P. Gray Meek's residence.

Garman's Opera House is undergoing a renovation inside and outside. Williams, the painter, has his men at work on the outside giving it several coats of cream-white paint, after which it will be nicely lettered.

The state committee appointed to select a location for the new Chronic Insane Asylum will revisit Bellefonte soon, likely next week. Dr. Curwin was pleased with one location seen when here and it may be the final selection.

They say Maj. W. F. Reynolds will have about 25,000 bushels of wheat from his farms in this section. That will be enough to keep hunger from his door until next harvest, with a little to spare for the benefit of the poor.

Rev. Robert H. Kline, of Allentown, Pa., delivered an able sermon in the Episcopal church last Sunday morning. He will officiate there next Sunday morning, and in the afternoon will deliver an address before the Y. M. C. A.

We are under obligations to Mr. Wm. T. Hillbish, secretary of the Logan Steam Engine Company for a copy of the proceedings of the 11th Annual Firemen's Association of Penn'a, held at Chester, Pa., last September.

The Evangelical church festival at Hubersburg, on Saturday of this week, will be a success. The committee are making large preparations and will have all kinds of refreshments and soft drinks on hand. Go to Hubersburg next Saturday.

There seems to be considerable discussion in Bellefonte at present in regard to the erection of a stand pipe in our present reservoir, for the purpose of forcing the water upon some of the higher points of town. A great many think it would be more advisable to erect the stand pipe on Curtin street, which would insure a constant supply in that portion of the town. There appear to be good reasons for its erection at the latter place. The water committee should fully consider this matter before going ahead. It costs money to build stand pipes and the bore taxes are heavy enough.

COUNTY DEMOCRACY

MEETS AT BELLEFONTE ON TUESDAY.

Large Attendance of Delegates—Ringing resolutions adopted—List of delegates. Other proceedings of interest for our readers.

Notwithstanding the fact that there is but one county office to be filled this year, there was a large attendance of delegates from the various districts and also of prominent democrats of the county. In order to give some delegates an opportunity to return on the 2 p. m. train, the convention was called to order at 12 m., by county Chairman L. A. Schaeffer.

Upon taking the chair he was greeted by hearty applause and responded in a short and appropriate address, in which he complimented the Democracy upon their large attendance, and pointed out the glaring thefts of public money in the city of Brotherly Love through the negligence of the republican officials of the state. Mr. Blanchard is an intelligent and eloquent young barrister, and a convert to the principles of the Democratic party.

A. S. Garman then offered the names of Jas. C. Noll, Spring twp., for reading clerk; O. D. Everts, of Worth and Jas. Swab, of Harris twp., for tellers. They were elected by acclamation.

- G. H. Lyman, Boogs..... 29 51

On second ballot the name of G. H. Leyman was withdrawn from the convention. The number of delegates present being 78, a majority to elect being 40, Mr. Bower having received a majority was declared the nominee of the convention which was made unanimous.

CONST. CONV. DELEGATES.

D. F. Fortney, Esq., arose and spoke of the necessity of nominating a clean, good man for the position of delegate to a constitutional convention. In closing his remarks he placed the name of Ellis L. Orvis, Esq., before the convention; Michael Grove, of Potter, placed the name of Col. Jas. Weaver, of Milesburg. The ballot stood:

- Ellis L. Orvis..... 56
- Col. Jas. A. Weaver..... 18

Hon. John A. Woodward, Hon. John H. Holt, Hon. W. K. Alexander were selected by acclamation, as conferees to the district constitutional convention. G. W. McGaffey, of Phillipsburg, was then chosen delegate to the State Convention for 1891, by acclamation.

The following nominations were then made for five delegates to the State Democratic Convention of 1892, the first ballot on which resulted in the election of the five delegates by the following vote:

- John Noll, Bellefonte..... 56

For County Chairman for 1892, Chairman L. A. Schaeffer was re-nominated by acclamation.

The report of the committee on resolutions was next in order. The following resolutions were then read by W. C. Heinle, Esq., and were adopted, as follows:

RESOLUTIONS.

The Democracy of Centre county in Convention Assembled do Resolve:

First—That we call the attention of all fair-minded citizens to the glaring rascalities of the republican officials in the chief city of the Commonwealth, where millions of the public moneys have been bodily stolen from the treasury, and largely employed in the corruption of voters at the polls; where pretended committees of investigation have refused to expose the chief conspirators in the looting of the city treasury, through fear that the exposition would bring disaster and ruin to the republican party.

Second—That we charge, that the present Auditor General and State Treasurer have neglected to make periodical settlements with county treasurer as required by law; that the State Treasurer has placed state funds in insecure banks; that the Auditor General has permitted mercantile appraisers to swindle the state by gross frauds in the collection of mercantile licenses, and in general aided and abetted dishonest officials to use their positions to enrich themselves at the expense of the taxpayers, whereby large sums of money belonging to the people have been annually wasted and stolen.

Third—That in view of the gross malfeasances in the finances of the Commonwealth by the leading men in the republican party, we declare that public safety and security demand that all honest citizens, regardless of party affiliations, should unite in supporting candidates for Auditor General and State Treasurer of known integrity belonging to the democratic party, in order that the true condition of the state's finances may be fully investigated and the chief actors in public crimes brought to punishment.

Fourth—That the faithful discharge of official duty at Harrisburg by steadily and courageously guarding the public funds against needless and extravagant expenditures, and stemming the flood tide of vicious and useless legislation, approving such legislation as tends to the amelioration of the oppressed and securing to them their rights, and at all times having a jealous concern for all the varied interests of our grand Commonwealth make the name of Robert E. Pattison shine on as that of a true patriot and merits from us our unqualified endorsement of his administration of public affairs as the Chief Executive of Pennsylvania.

Wm. C. HEINLE, JOHN H. ORVIS, JOHN GROVE, JACOB DUNKLE, F. K. WHITE, COM.

In addition to the general resolutions Hon. John H. Orvis arose and read the following resolutions regarding the basis of representation in future District Congressional and Senatorial conferences:

WHEREAS, All nominations of candidates for public offices to be voted for by the people, should be made by the people themselves, or by the representatives chosen in such a manner as to give every qualified voter an equal voice in making such nomination and when as the method of making district nominations in the democratic party in the central part of Pennsylvania by district conferences in which every county has the same representation regardless of its population or democratic vote, is manifestly unjust, and is at variance with the general plan of organization of the democratic party, therefore be it

Resolved, 1st. That hereafter the democratic party of Centre county will insist that the representation in all district conferences or nominating conventions, from each county, shall be in proportion to the democratic vote of such county.

2nd. That we favor making the nominating convention sufficiently large to properly represent and voice the wishes of the people, and therefore favor the allotment to each county in the district of a delegate for every five hundred democratic votes (or fractional part thereof of over one-half) cast at the last presidential or gubernatorial election.

3rd. That we favor the election of the district delegates to the nominating conventions, by the people at the primary elections, with or without instructions as the voter may deem best, and that said delegates be elected in single districts, so that each delegate will be responsible to the voters of his immediate district for his actions in the nominating convention.

4th. That the County Committee of Centre county be, and the said Committee is hereby instructed, to appoint said county into ten Delegate Districts, each containing as nearly as may be an equal number of democratic votes, without dividing an election district, and to publish said apportionment at sufficient time before the primary election of 1892, to give the voters full and ample notice thereof.

5th. That at the primary election to be held in 1892 there shall be elected in each of said Delegate Districts in the county, one congressional delegate who shall attend the Congressional Conference or nominating convention, for the purpose of nominating a candidate for Congress from the 28th District of Pennsylvania. And that district delegates be elected at every subsequent election, whenever a district nomination is to be made.

6th. That a committee of three be appointed (of which the president of this convention shall be Chairman,) to attend the next Democratic County Convention of the several counties composing our present Congressional, Senatorial and Judicial Districts, and lay these resolutions before said conventions, and request the co-operation of the democracy of said counties in establishing this reform in making district nominations.

7th. That a copy of these resolutions be sent to the Chairman of the Democratic County Committee of each of the counties composing the present Congressional, Senatorial and Judicial Districts of which Centre County forms a part. They were unanimously adopted. The chair in pursuance of 6th resolution appointed Hon. John H. Orvis and F. K. White to attend these conventions.

No other business being before the convention it was declared adjourned.

Married.

At Witt House, Mill Hill, Pa., August 2, 1891, by Rev. J. J. Resser, Mr. James C. Myers, of Laurel Run, Clinton co., to Miss Mary Butler, of Marsh Creek, Centre county.

BOLD ESCAPE FROM JAIL.

Prisoners Dig a Hole Through a Stone Wall.

A bold and successful jail delivery took place at Hollidaysburg at an early hour Friday morning. James Welsh, awaiting trial for a daring highway robbery, and Frank Waite, awaiting trial for a criminal assault on a little girl, were imprisoned in a cell on the upper tier.

They wrenched bars off their iron cots and with them dug a large hole through a three-foot stone wall, and with a rope made out of their bed clothes dropped twenty feet to the yard below, and then with a file, which had been furnished to them in jail by friends, filed the lock off the yard gate and made good their escape. There is a liberal reward offered for their arrest. This is the third escape inside of two years from the same cell.

More Railroad Talk.

A correspondent of the Williamsport Gazette and Bulletin, writing from Watsonstown says: "It is stated upon good authority that the engineers will be put upon the prospective line of the Central Pennsylvania Railroad between this place and Bellefonte in a few days, and that construction will soon follow, and be carried on the balance of the season. This road, when built, will make a valuable connection between two important points in the state, and if the road is merged with the Wilkes-barre and Western, having connection with the Reading, the Pennsylvania, the Delaware, Lackawana and Western must prove a most important addition to that part of the country through which it passes."

There has been so much said and written about this railroad that it is to be hoped it will be built, as the public is growing tired waiting.

Hecla Items.

Hecla was visited one night, last week with a "snide show."

Miss Maggie Wian, of near Zion, is spending this week with Mrs. E. McMullen.

Mrs. Fred. Yocum, who had one of her limbs broken in two places, some time ago, we are sorry to hear is not improving very rapidly.

Last week one day while J. B. Poorman was hauling lumber with Graham & Co's team to Pleasant Gap, he was stopped and asked if he had all the lumber Graham & Co. had in their yard—he replied that he only had 2565 feet with him that trip.

On Saturday, while Harry and Edward were returning home from seeing the Misses Truckenmiller, they had a desperate battle with a monster rattlesnake, after clubbing and stoning for some time they succeeded in killing the monster—he carried thirteen rattles and measured five feet in length.

Female Ball Tossers.

A gang of brazen-faced women, calling themselves the New York Female Base Ball Club landed in Phillipsburg on Wednesday night and on Thursday afternoon played a game at the Driving Park with the home team. Two thousand people, many of them persons of respectability and standing, witnessed the game which was a fake of the worst class. The ladies (?) evidently didn't know the first principles of base ball. They were a hardened looking set and were a tough lot who probably make ball playing an excuse for traveling around on worst business. They ought to have been rotten egged out of town.—Ledger.

Fortieth Anniversary.

Last Friday evening the M. E. church at Milesburg was crowded by persons who came to attend the 40th anniversary of the wedding of Rev. and Mrs. G. W. Bouse. Appropriate services were held after which the audience adjourned to the parsonage where elegant refreshments were served and the evening was pleasantly spent. Rev. Bouse received a gold watch as a present from his four sons.

Band Festival.

Next Saturday, the Zion band will hold a festival in Henry Gentzle's grove, about two miles west of Zion. All kinds of refreshments, such as ice cream, cake, candies, soft drinks, etc., will be served. A large dancing floor will be erected on the ground and music for dancing will be furnished by a first class orchestra. Good order will positively be maintained. All are invited to come and spend a pleasant day in the woods. By order of COMMITTEE.

Fish Story.

"J. S. Reed, on the 3rd inst., caught in the Bald Eagle, near Julian, a pike that measured two feet and four inches in length. On the same day he caught eleven other pike, ten of which averaged 18 inches in length."

The above is from the Gazette and Bulletin. With due respect to Mr. Reed, and correspondent, and knowing the weakness of the average fisherman we would like to have seen these fish and measured them ourselves. It may be true.

Postponed.

The camp meeting of the Evangelical association of Penns Valley, which was announced a few weeks ago to take place on the 4th of August, at Penn Cave, has been postponed until the 20th

RESULT OF CARELESSNESS.

DIDN'T KNOW THE GUN WAS LOADED.

A Charge of Bird Shot Shatters the Right Arm of a Popular Young Man at Lock Haven, in Such a Manner that Amputation Becomes Necessary.

A terrible accident occurred Monday at the Central Hotel, Lock Haven, the result of careless handling of firearms. William Charles, bartender at the Central Hotel, the particulars of which are as follows: George Bush the colored porter of the house, and Charles, the bartender, were in the office and were engaged in friendly sport when Bush ran to a corner of a room where a gun was standing, and picked up the weapon, in some way or other, it was discharged and Charles received the charge in the right arm, between the shoulder and elbow. The gun was owned by ex-Judge Allison, and Bush says he did not know it was loaded. The charge consisted of 34 drachms of powder and 14 ounces of No. 6 bird shot. The shot made a terrible wound, tearing the flesh and muscles in a shocking manner. Doctor Ball was quickly summoned and he at once pronounced amputation necessary, and Doctors Armstrong and Watson were called to assist in performing the operation. The blood flowed freely from the wound, but the injured man was cool and calmly complied with every request of the surgeons while they were making preparations for the amputation, which was successfully performed. Bush says he had no idea the gun was loaded. He says both he and Charles had frequently picked up the gun in sport and both of them believed it to be empty.

B. F. Weiser of Coburn Killed.

On Tuesday, of last week, an accident occurred on the railroad, near Coburn, in which one was so badly injured that death relieved him of his suffering in a short time after. John Gray, the section boss, with his crew of men started from the E. C. Finkle crossing on a hand car and had only gone a short distance when by some accident or slipping of the cogs of the car, the crank caught B. F. Weiser, one of the crew and hurled him from the car to the track. He struck the ties with his head and rolled from the track down a high embankment over the rocks.

When he was picked up he was unconscious, but regained consciousness in a few minutes. He only lived a short time after the arrival home, death relieved him of his sufferings.

Mr. Weiser was married and the father of several children.—Reporter.

Another Victim at McVegetown.

A party of young people went to the house of Mrs. Wilson, and while the hostess was preparing dinner one of the young men laid his revolver on the table preparatory to cleaning it. Mrs. Wilson picked it up and jokingly said: "I've a mind to shoot somebody." She pointed it at different members of the party, and finally at Miss Mary Williams, aged 20 years. As she did so the revolver was discharged entering Miss Williams' eye. She fell dead in the arms of her affianced. Mrs. Wilson is prostrated, while the lover of the dead girl is almost insane. A coroner's jury rendered a verdict of accidental shooting.

Millheim Downed.

Last Friday a hack load of young men, representing the Centre Club ball team, went to Millheim to engage the team of that place in a game of ball. The Millheim boys had a strong team and it is summer they downed every club they met and the result with the Bellefonte boys was slightly uncertain.

A large crowd turned out to see the game which was very close and interesting until the sixth inning when the Bellefonte boys made a break and easily defeated the Millheim team by a score of 12 to 4.

Not True.

During the past week a story appeared in the papers relating how D. B. Kunes, of Beech Creek, was attacked by a savage bear, while in the woods and was compelled to climb a sapling. Mr. Kunes pronounces the story incorrect. Some one evidently played a joke on him by having it inserted in the paper.

Orange Picnic.

The Clinton county Grangers have determined upon a Grange Picnic, to be held in Fox's Grove, on Cedar Run, above Furst's mill, on Saturday, August 15th, 1891. A cordial invitation is extended to all. Eminent speakers will be in attendance and a good time anticipated.

Electric Street Cars.

Williamsport made a trial of her electric street car system last week and found it a complete success. The trial car, with about thirty-five passengers, was propelled easily and rapidly by the electric current to the great delight and enthusiasm of all observers.

The next excitement will be at the patrons' exhibition, at Centre Hall, commencing September 14th and continuing until the 19th. A great many Bellefonte people have engaged tents there for the week.

Wife Beater Jailed.

Phil Walker, a notorious ruffian, of Phillipsburg struck his young wife on last Thursday afternoon, in the face and knocked her down. As she lay on the pavement he jumped on her and kicked her most brutally. The affair happened in front of the postoffice at that place in the presence of a number of bystanders. Mr. Wm. Eskridge sprang at Walker and seized him by the arm, but before he could pull him away, Walker struck his wife again with his fist. Eskridge then took the brute by the throat, and with the aid of another man, held him while Mrs. Walker was helped to her feet and taken away.

Walker was arrested on Friday morning and given a hearing before Squire Laports, who sent him to jail in default of bail, to await a trial at Court. If Judge Furst will only send him to the penitentiary he will rid the community of a brute and a villain. This Walker, is an old offender, and if there proves to be no legal way to prevent his carrying on, the best thing to do with him will be to take him out, strip him and cowhide him, and then give him a coat of tar and feathers and head him for Texas, with the warning that if he ever appears on this side of the mountain again he will be elected to the Town Council, which would be a punishment too dreadful.—Phillipsburg Ledger.

General Butler's forthcoming book will be one of the largest historical autobiographies ever published. It will contain one thousand large pages, printed upon high grade paper and illustrated with several hundred wood engravings. It will be published in English, German, and French. The best artists are now employed on the work. The Dickinson Type Foundry is casting type especially for it. The typography and press-work will be by the Harris Press of Boston, the first edition to be not less than one hundred thousand, probably double that number. The publishers are H. M. Thayer & Co., of Boston. The general and exclusive agents for Pennsylvania and Delaware are J. W. Keeler & Co., Philadelphia, Pa.
