Contracts were given out this week for the rebuilding of the Gerbrick & Prof. Etters term as County Superin. Hale flouring mill, destroyed by fire frame work. Morris Cowdrick was nection with the matter. It is said that awarded the contract for the masonry

Canada Thistles.

The law requires that Canada thistles be cut in time to prevent them going to seed and thereby spreading to a greater extent. It is now the duty of the constable of the township or borough to see that the thistles are cut and must give notice by printed circulars posted in prominent places. The constable upon cutting down any thistles is allowed \$5 per day and a fine is also imposed upon the property owner for neglect.

Ground has been purchased in Altoona, at the cost of \$1,100 for the new liberal patronage is requested both from Beech Creek depot and the entire right the town and country. Dinner 35cts., of way from Houtzdale to Altoona has been secured.
