EN ROUTE TO RICHMOND Bearing Davis' Remains to the Confederate Capital.

HONORS TO LOST CAUSE'S CHIEF

The Funeral Train Left New Orleans Last Evening - Impressive Ceremonies This Morning at the Capital of Alabama - Services Over the Remains at Raleigh To-Morrow - Reinterment at Hollywood Wednesday.

RICHMOND, Va., May 29.-The bones of the Chief Executive of the Rebellion last wening started from New Orleans on a journey to Richmond, the capital of the Lost Cause, where they are to be reintered on Wednesday.

WHERE THE BODY WILL LIE IN STATE. Ever since his death the body of Jefferson Davis has reposed under the mound of the Louisville division of the Army of Northern Virginia, which is surmounted by the column erected in memory of Stonewall Jackson. There is nothing upon that column or upon the mound to mark the

fact that there repose the ashes of the President of the Confederacy. Within the vault a black marble slab bears a facsimile of the signature of Jefferson Davis.

Yesterday afternoon Gov. Foster, on be half of the State of Louisiana, formally intrusted the body to the escort, composed of all the local militia and of the United Confederate Veterans, under command of Gen. John Glinn, jr. On board the train when it started last evening were Miss Winnie Davis, the "Daughter of the Con-federacy:" Mrs. J. A Hayes, eldest daughter of Jefferson Davis, and her husband and the escort.

The train reached Montgomery, Ala., at o'clock this morning. There the body was borne from the car, which is especially constructed with glass sides, to the State capital, where for five hours it will rest upon the front portico, where Mr. Davis took the oath of office as President of the Pro-

DR. BRIGGS AND THE PROSECUTION. The Arguments Closed in the Celebrated

Heresy Case.

WASHINGTON, May 31 .- Both Dr. Briggs and the prosecution finished their arguneats in the heresy case before the Presbyerisn General Assembly yesterday after-1000.

The evening session was given over to the members of the New York Presbytery and a vote on sustaining the appeal will

loubtless be taken at to-day's session. Besides the Briggs case there were two incidents of note in the days' proceedings. The committee on bills and overtures reported a form of deliverance in explanation of the deliverance of the Portland assembly on the inspiration of the Bible as a substitute for the one submitted last Saturday. t was clearer and more condenced than the ormer document and affirmed the declaraton of the assembly of 1892. Upon the introduction of a resolution by

Rev. Loyal Y. Graham, of Philadelphia, of loyalty and honor to the memory of the soldier dead, Elder Spencer, of St. Louis, raised a point of order that it was not warranted by the authority under which the assembly sat and could not, therefore, be entertained. Moderator Craig overruled the point and Mr. Spencer endeavored to appeal, but could not find a single second, and the resolution was adopted.

THE HAWAIIAN SITUATION.

Cleveland Said to be Strongly in Favor of a Protectorate.

WASHINGTON, May 80 .- In regard to the situation at Hawali, it is stated here in official circles that the president desires to let things there remain unchanged so far as any active interference by this government is concerned.

The provisional government will remain to long as it is able to maintain itself, and Queen Liliuokalani will continue to draw er revenues from the crown lands.

If the people become dissatisfied with the provisional government and remove it by quiet and legal means, nothing will be said or done upon this edge of the Pacific. Mr. Blount is on the ground acting as a ort of spy. Nothing in the nature of annexation is contemplated by the administration, and the question of assuming a protectorate remains in abeyance until the next meeting of congress. In his message to that body Mr. Cleveland will take strong rotectorate grounds.

WASHINGTON, May 29 .- Probably the most important pension decision ever sent from the office of the secretary of the in-terior to the commissioner of pensions was filed Saturday. It is believed by those ligh in authority in the pension bureau that it will reduce the pensions under the act of June 27, 1890, between \$15,000,000 and \$20,000,000.

It involves the repeal of an order passed by General Raum, and approved by Assistant Secretary Bussey, and a return to the language of the statute requiring the disability not of service origin to be such as to prevent the applicant from earning a support by manual labor. The case which called forth this decision

is one of a man granted a pension for "slight deafness." whom, it was shown, was never sick during the time he was in the war; that his deafness was not of service origin; that at present he is well and hearty, and that his ailment does not prevent him from performing manual labor and thus earning a livelihood. Under the decision, this and like cases are to be rerated.

WASHINGTON, May 27 .- United States Treasurer Nebeker yesterday paid into the United States Treasury \$1,055, that amount having been stolen or lost from the treas-ury cash. The money was all lost in the redemption division of the treasurer's office at three different times and all since the 4th of last March.

A fine Article.

A good fountain pen is a rare article and a thing that will be appreciated no pointed end of a scissor and then call Commissioner, \$4. on the brush and paste pot to complete the job. To those who are possessed with original ideas and have the energy to note them down, and are continued to note them down, and are continual users of pen and ink, we are sure that the possession of one of the famous fountain pens, manufactured by Paul E. Wirt, of Bloomsburg, would greatly lighten their labors and after once havng used one would never do without. Doctors, attorneys, clerks, bookkeepers. traveling men, agents, in fact every body who has use for a pen should ad-dress a card to Paul E. Wirt, Blooms

burg, Pa., for a descriptive circular of his famous fountain pens. They are the best in the market.
