FOR SALE BY LYON & CO. Bellefonte. A BIG BREAK IN FREIGHT RATES.

Some Cuts that May Disturb Two Power-

ful Associations. NEW YORK, June 10.-There has been a big reduction of freight rates out of New York to all Mississippi river points. This may well be regarded as the first serious menace to rates in the territory of the Trunk Line Association and that of the Central Traffic Association.

The cuts made by the Southern and Canadian Pacific companies affect only Pacific coast traffic and do not disturb the situation in the east. The reductions made were by the Kanawha Despatch and Sa-vannah steamship line. They made a clean cut of fifty per cent on dry goods and cer-tain other first-class products from this city to the Mississippi river, which is the junction point between the eastern and western associations.

The Savannah line's rate is 36 cents per 100 pounds, the old rate being 72 cents. The Kanawha Despatch, which runs over the Chesapeake and Ohio railroad, went one better and put in a rate of 35 cents. The National Despatch, which is a Grand Trunk line, anticipated the low rates of the above mentioned companies by announcing on Wednesday a rate of 50 cents. Its former rate was 82.

The object is to reach points west of the Mississippi river, so that the standard rates of the western railroads have to be added to these reduced rates. From the Mississippi river to Kansas City, for example, the first-class rate is 55 cents.

The same rate cutters have also reduced the tariff on all cotton goods from the mills. The National Despatch has put into effect a 33 cent rate between New York and the Mississippi river, and its competitors are shipping goods for 28

### WHITE LEAD WORKS IN ASHES.

Philadelphia Visited by a Disastrous Blaze.

PHILADELPHIA, June 10 .- The Philadelphia whiting works, at No. 2609 East York street, of which George W. MacKenzie is the sole proprietor, were totally destroyed by fire yesterday, causing a loss which is estimated at \$40,000.

The building was a one-story stone and brick structure with a large frame loft used in the process of manufacturing white lead. Twenty men were employed in the building, working night and day. The night gang left for their homes, and when the day force arrived the building was in flames

The blaze was discovered by a private watchman, who notified Officer Hoffman, and an alarm was sounded, but on the arrival of the engines the flames had made such headway that nothing could be saved. A strange feature in connection with the fire, and one which points to incendiarism, is the fact that the flames broke out in the oom in which the white lead is dried by cold air.

There was no stove or fire of any kind in this room when the night force left, and Mr. MacKenzie expressed the belief that the place was deliberately set on fire.

The building, which is owned by E. A. Jessup, was damaged to the extent of about \$5,000. The loss on the machinery and stock is estimated at \$35,000, on which there is an insurance of \$25,000.

A Deserter and Forger in the Toils. New York, June 9 .- John S. Yardley, a deserter from the United States army, was held here before Commissioner Shields yes terday on a charge of forgery. Yardly came here about a year ago from Maddison Barricks to get his pay, and received from Paymaster John B. Kiefer a check for \$78.40. He raised the check to \$878.40, got it casked and deserted.

Courted in the Courtroom

Paris, June 10 .- It appears that the sometimes monotonous sessions of the Behring sea tribunal have not been without romance. It was in the Behring sea courtroom that Mr. Edmund A. Benedict, of New York, and Miss Janette, Major Halford's only daughter, carried on their courting, which resulted in their marriage at Nottingham.

A Reading Liveryman Comes Near Losing a Valuable Team.

READING, June 14 .- Monday evening a man who gave his name as John Schaeffer called upon Alfred Glase, liveryman, and represented that John Harbster, of the Reading Hardware Company, wanted a double team to go to Fredericksburg at 4 o'clock yesterday morning. Mr. Glase gave instructions to one of his men to the effect that Mr. Harbster should have the best team in his stable. At the hour stated Schaeffer called at the stable and said he would take the team to Mr. Harbster's residence.

He was given the team, but instead of taking it to Mr. Harbster's drove to Pottstown, where, it is alleged, he offered it for sale to a liveryman for \$150. The latter, suspecting something wrong, notified Chief Cullen, who at once informed Mr. Glase. A warrant was sworn out before Alderman Schrader for the arrest of Scheaffer, and Constable Wagner left for Pottstown yes-terday afternoon. Mr. Glase also accom-panied the constable, and brought the team home late last evening.

The Defendant Made a Bad Mistake. Norristown, June 9 .- During the session of criminal court here the defendant in a laceny case plead gullty without waiting for the formalities of an indictment by the grand jury. Shortly afterwards the grand jury, ignorant of the action in the case, ignored the bill of indictment, and the culprit would have been discharged. Afterwards, learning of the situation, they concluded that they had not given justice a fair show. They reconsidered the bill and indicted the accused, who, evidently guilty, had taken it for granted that the grand jury would find a true bill.
