John Wonder Arrested for Cruelty to His 9-Year-Old Son.

PHILADELPHIA, June 21.-John Wonder, a letter carrier who resides at No. 839 Charlotta street, was arrested by Lieutenant Heaton, of the Seventh district, on a warrant charging him with cruelty to his 9-year-old son.

A week or so ago neighbors who were ware of the harsh treatment the boy was receiving notified the Society to Protect Children from Cruelty of the case. An investigation was made and a warrant issued for Wonder's arrest.

As the accused seemed to have stopped the brutalities he was in the habit of flicting on his son, the warrant was held without being served. Last evening the neighbors were startled by the agonizing shricks of the lad, and, knowing full well the reason of the outcry, notified Lieutenant Heaton, who went to the house.

The heartless parent, it was found had stripped off the boy's clothing and bound his hands with a rope. The lad was then suspended so that his feet barely touched the floor. With a piece of heavy rebber hose Wonder lashed the boy. Each blow left a livid mark upon the boy's body, many of the cruel lashes drawing blocd.

Lieutenant Heaton states that he found the boy to be a mass of bleeding sores from his heels to his head, and that he could hardly have survived any additional blows. Wonder was given a hearing before Magistrate Clement and held in bail for court.

"I Am so Tired"

Is a common exchamation at this season. There is a certain bracing effect in cold air which is lost when the weather grows warmer; and when Nature is renewing her youth, her admirers feel dell, sluggish and tired. This condition is owing mainly to the impure condition of the blood, and its failure to supply the healthy tissue to the various organs of the body. It is remarkable how susceptible the system is to the help to be derived from a good medicine at this season. Possessing just those purifying building-up qualities which the body craves, Hood's Sarsaparilla soon overcomes that tired feeling, restores the appetite, purifies the blood, and, in short, imparts vigorous health. Its thousands of friends as with one voice declare "It Makes the Weak Strong."
