

THE RACKET

We don't pretend to know anything about the weather; the Oriental Weather Signal says "STORM." It seems improbable but stranger things have happened. U kno.

JUST IN

110 Rain, Sun or Storm umbrellas from a busted 'brella factory. Quality first class and at less to U than wholesale.

120 bordered Gingham aprons. They go to U for nineteen cents. Cost, gingham, thread and making thrown in, just for fun.

75 Calico and chints wrappers, neatly made, Racket prices. They are disappearing as fast as a good dinner before a hungry wood chopper.

New line of muslin underwear and ladies waists—at popular prices.

4000 hair pins. No use trying to get along with two when a dozen is the correct caper, and U can get 'em for a song.

This dress goods at bargain prices. U can afford to buy 'em if the weather signal does say

GOOD NEWS!

In the line of amusements there will be a game of base ball in the afternoon between Bellefonte and State College teams. There will also be a number of foot races, sack races, wheelbarrow races, bicycle races and other amusements.

In the evening there will be a grand musical fete in which a number of hands will participate in a contest for a valuable prize. The day will conclude with a grand display of fireworks in the evening.

LOCAL DEPARTMENT.

Special trains will be run from Bellefonte and Coburn during the day and evening, and excursion tickets will be sold at all points along the line.

The above is a mere outline of the programme, which is subject to some changes. As there will be nothing of any special importance going on anywhere else in the county at that time, everybody will be bound for Centre Hall on the 4th.

Adjutant General Greenland issued an order on Tuesday directing General Wiley to hold an election to fill the vacancies caused by the resignations of Phillip D. Foster, of State College, second lieutenant of company B, of Bellefonte, and Martin Bell, Jr., captain of company C, Fifth regiment. The adjutant general has also promulgated an order granting leave of absence to company C, State Fencibles battalion, from July 1 to 4, in order that it may visit Sewell, N. J.

Major Worman, of the adjutant general's department, is in Philadelphia shipping great coats to the different companies of the National Guard of the state. The measurements for shoes for the guard are being received at the department but the shoes will not be issued until they have been carefully inspected by a practical shoemaker detailed by the adjutant general. The shoes are being manufactured by John Wanamaker.

Mr. Edgar Swartz and wife, and Miss Bertha Zeigler, all of Punxsutawney, spent Sunday in Bellefonte among friends. This is Edgar's former home. On Saturday evening soon after he arrived a telephone dispatch from Punxsutawney announced that his father, Dr. Geo. Swartz, had been stricken down with paralysis. The latest is that he was slowly improving. He has been making his home at Punxsutawney with his son Edgar for some time. Edgar is the proprietor of a flourishing merchant tailoring establishment in that brisk town.

The Nittany cornet band will hold a festival on Saturday evening, July 1st, 1893. This band is rapidly coming to the front, and before long will stand at the head of Centre county bands, although organized only about two years ago. All kinds of refreshments will be served in the best possible style. During the evening two good bands, which are expected to be present, will render choice music. All are cordially invited to come and have a good time.

On Saturday morning an examination of applicants for government positions under the regulations of the civil service system will take place in the Bush Arcade, at Bellefonte. But four applications were made for blanks up to Tuesday, the last day for obtaining the same. They were A. M. Grenninger, E. E. Ardrey, Wm. Markle and Zeb W. Bathurst. At other places like Lock Haven and Williamsport large numbers applied.

4TH OF JULY.

LARGE TIME AT CENTRE HALL THIS YEAR.

The American Eagle will scream and Cannon Boom—An Elaborate Programme Being Prepared.

This year the 4th of July will be observed at Centre Hall in truly patriotic style. The citizens of that brisk town, across the mountain in Pennsylvy, recently held a meeting at which it was unanimously decided to hold a regular, old-fashioned 4th of July jubilee this year. An organization was effected and committees appointed to make the necessary arrangements. They soon raised over two hundred dollars as a starter which will be doubled by the time the celebration takes place. That will be sufficient to meet all the expenses for a gala day. No definite arrangements have been thus far announced, but an effort is being made to have all the leading bands in Centre county present. A magnificent parade will be one of the principal features during the forenoon. The parade will consist of industrial exhibits, young ladies dressed in the national colors on handsomely decked wagons, troops of horsemen, a number of castles of the Knights of the Golden Eagle, camps of the Patriotic Order Sons of America, the I. O. O. F., school children who will form a division, also other prominent organizations throughout the county have been invited to participate and a number have already accepted. The Bellefonte Wheelmen's club is also expected and many other organizations. Prominent speakers have been invited to address the gathering.

In the line of amusements there will be a game of base ball in the afternoon between Bellefonte and State College teams. There will also be a number of foot races, sack races, wheelbarrow races, bicycle races and other amusements. ADDITIONAL LOCALS.

—On Tuesday H. H. Weaver was appointed postmaster at Aronsburg.

—The annual commencement exercises of the Lock Haven State Normal School took place this week.

—Prof. Charles Lose has been chosen supervising principal of the Phillipsburg public schools. The former principal did not please the people for various reasons.

—On Wednesday, of last week, Mr. Geo. B. Braudon, formerly of the Brockerhoff House, was thrown from his buggy at Spangler and sustained severe injuries.

—Lyon & Co., Bellefonte, would call special attention of parents to their large stock of childrens suits. They range in price from \$1.50 to \$5. Neat and stylish and well made.

—A large number of people who were in attendance at the World's Fair returned home during the past week. All unite in pronouncing it the greatest affair of the kind ever seen.

—Will Keller graduated from the Columbia Law School at Washington, D. C., last week and was awarded two prizes, one of \$100 and another of \$40. He is a son of Col. D. S. Keller, of Bellefonte.

—As this is not an especially busy season of the year for printers, persons in need of job printing can get the best of work. If you are in need of envelopes, letter heads, bill heads, blanks, etc., give the DEMOCRAT a call.

—Last week a club of Bellefonte colored gentlemen defeated their friends of Phillipsburg, at that place, in a sharply contested game of base ball. The Journal says: "The Bellefonte team is a fine looking lot of colored folks."

—Persons having hauling to be done should remember that the Logan boys have a nice and good team for that purpose. As a well equipped fire company is a benefit to every property holder, it is to the advantage of all to patronize it in this way.

—Last Friday evening Ira, son of Al. Garman, was playing with some boys about the hotel stable when he had a fall which resulted in both bones in his right arm being broken. The injury gave him very little pain and he is getting along very nicely.

—One of the first picnics of the season was that held by the Reformed Sabbath school, of this place, at Hunters park, on Wednesday. The park has been greatly improved in many ways and has become a more desirable retreat than heretofore.

—The following letters remain in the Bellefonte post office unclaimed for: Wm. Brandon, Branson Knitting Co., Mrs. Maggie Beck, E. H. Bullock, Michael Cody, Mrs. C. F. Moke, Ada Shank, Josephine G. Sherry, Mrs. J. T. Teller. When called for say advertised.

—On Tuesday evening representatives from Renovo, Williamsport and Tyrone met at Bellefonte and organized the River League Base Ball Association. It is expected that Lock Haven will come in later. A schedule of games to be played is being arranged this week.

—On Tuesday evening a ball team composed of the younger bloods about town went to Phillipsburg to play a similar team. The trip was made across the mountains in Baum's large hack, a distance of about thirty miles. As we go to press Wednesday evening the result of the game was not known.

—On Monday Vinton Beckwith, of Port Matilda, brought a tramp to Bellefonte and had him lodged in jail on the charge of incendiarism. The fellow was captured with a torch in hand and in the act of firing a building. He had a revolver with him when arrested. He will be held for trial at August court.

—The Bellefonte Academy base ball team are delighted over their victory with the Milesburg boys. The last game at Hunter's park, last Saturday afternoon, was a sharp contest and some fine playing was done. The Academy won by a score of 4 to 2. That gave them three games out of five and entitles them to the championship.

—After receiving numerous requests from patrons throughout the county, who greatly admire "Gottlieb Boonastell's" writings, we publish another of his choice selections. While there are many readers who do not understand Pennsylvania Dutch, there are others who find much enjoyment in reading these letters which are filled with rare wit and humor and always conclude in some drawn moral. Well Gottlieb Boonastell is a philosopher and says some very funny things in his own way.

—The Pennsylvania Railroad Company has a remarkable style of gaining its daily reports on bridge construction and other work for which daily statements are needed at the head office. The kodak man just put in an appearance at the close of the day's work, presses the button and gets his picture. This is immediately sent to the central office. It affords for the use of the engineering office an exact picture of the condition and the progress of the work, as complete and reliable as any written report could afford.

—Lans' Medicine moves the bowels each day. In order to be healthy this is necessary.

John A. Daley Reinstated. In a recent issue the announcement was made that John A. Daley, of Curtin township, had lost his position in the Interior Department, at Washington, to make room for the appointment of a democrat. It appears that since the death of his son Jeremiah Daley, in the Ford Theatre, his friends set to work in his behalf. The following dispatch from Washington explains the result: WASHINGTON, June 16.—Among the victims of the Ford's theatre disaster was the son of John A. Daley, an ex-soldier from Pennsylvania, employed as watchman in the Interior Department. Mr. Daley was discharged some days ago, but when Secretary Smith learned that young Daley had been killed in the theatre wreck, and that the family might suffer from the father's dismissal, he immediately ordered his reinstatement. Mr. Daley's many friends in Centre county, irrespective of party, approve of this action of the Secretary.

Accident on the Highway. While driving from Centre Hall to Bellefonte, last week, the hind wheel of Steve Lobaugh's bakery wagon came off and that gentleman was badly injured. His wife also was with him, but escaped with slight injuries. Bread pies and caker were scattered along the pike for some distance.

—During the heated term you should wear light weight clothing and be comfortable. Lyon & Co., Bellefonte, have a large assortment of summer suits in chevots and serges that they are selling at remarkably low prices.

Crop Prospects.

The streams through Centre county are getting quite low as it has been several weeks since we had a real good rain fall. It has not become dry enough to injure the crops but a good rain is badly needed now. Early in the spring there was too much and now not enough.

The grain fields are turning out much better than was at first expected as everything points to a large yield. The clover never looked as promising for many years. It has grown thick and heavy and the fields look like a beautiful carpet. Every stalk is in full bloom and unless the insects begin to work on the blossom, as they have done for a number of years, our farmers will have a large yield of clover seed which has been very high in price of late.

The corn, although somewhat late in the planting, is coming up nicely and has a good start. The prospects are good for a large fruit crop. Early cherries are in market and the apple orchards are promising. Taken all together this will be a good season for our farmers.

Borough Taxes.

The following will be the rate of taxes assessed in Bellefonte boro for the ensuing year: Borough, 2 mills; street, 3 mills; interest, 6 mills; poor has been increased from 4 mills to 5; school was reduced from 8 to 7. Water tax will be assessed on the same basis as heretofore.

The public school term will be increased from 8 to 9 months; \$3000 of the school debt was paid. Free text books will also be furnished the pupils hereafter, as provided by the recent act of the legislature. The large school appropriation from the state is what enabled our school board to accomplish the reduction of the debt. The bad management of the overseer of the poor department is the cause of our poor taxes being increased. That is exactly what was predicted by this paper when Jim McClure was re-elected. These harness dealers have been an expensive experiment for the tax payers. McClure should resign; he too, is needed in the legislature.

Guiteau's Skull

Guiteau's skull was kept in the Army Medical Museum which collapsed in Washington last week, killing and maiming so many people. It is probably buried in the ruins and ground to powder. Before his execution Guiteau issued a dragnet curse which included everyone who had anything to do with his conviction and mankind in general. Superstitious people connect the presence of Guiteau's skull in the building in some mysterious way with the terrible catastrophe.
