GOOD NEWS!

For the greatest spring stock of Misses coats, ladies' coats, coats with capes, shoulder capes, wraps, long capes—

LYON & CO.

LOCAL DEPARTMENT.

The windows for the new Lutheran church are being put in place this week.

The Bellefonte Board of Trade has not done very much hustling thus far.

Mr. and Mrs. W. F. Reeder, and son Wallace, left on Monday morning for a trip to the World's Fair.

Charles Smith has recovered sufficiently to be moving about and is expected home from Philadelphia the latter part of this week.

Bellefonte will be well represented at Centre Hall next Tuesday and will contribute much towards the success of the occasion.

The Bellefonte League ball team will play two exhibition games at Renovo on the 4th of July. There will be a large celebration at that place.

Hon. John H. Orvis, Mr. and Mrs. C. M. Bower and son John, left on Tuesday for Spruce Run for a week's trout fishing in the mountain streams.

The Milesburg ball team defeated the Bellefonte Academy boys in a well contested game by a score of 11 to 10, on last Saturday.

Postmaster W. A. Tobias, of Millheim, recently appointed, was in Bellefonte yesterday. He has not received his commission to take charge of that office yet.

The Bellefonte Minstrel Company are arranging for a trip to Tyrone and Clearfield next week, July 6th and 7th. They will appear for the benefit of the ball teams at those places.

Senator Peale, of Lock Haven, has consented to be at Centre Hall, on Tuesday, and will deliver an oration. The Senator is a popular orator and will be well worth hearing.

Editor James A. Fiedler, president of the Lock Haven State Normal Alumni Association, is spending the week at that place attending the annual commencement exercises.

Additional men are arriving every week and are obtaining work on the new railroad to Millhall. At the present rate trains ought to be running over that road before summer is over.

The stone cutters are at work trimming up the curbing for the court house yard. The men at work there are kept busy giving out information as to how the yard is going to be fixed up.

On Wednesday evening an entertainment was given in the Co B's Armory by the members of I. O. O. F., colored, of this place. It consisted of musical selections and literary productions.

At a special meeting of council on Monday night the Bellefonte Supply Co., and the Schadd Bros. put in bids, each of \$620, to lay the water main along east High street. No contract was awarded.

Farmers in need of harvest hands can get a good supply most any time about the court house steps. Usually a dozen members of the Ancient Order of Never Sweats can be found there at any hour of the day.

The town of Philipsburg is agitated at present over the question of street sewerage. Some want such a system others fear the expense. To settle the matter a vote will be taken on July 25 to find the sentiment of the people.

Bellefonte has a prohibition club of sixty-five members. The United Order of Rum Swillers of this town can quadruple that number and then have an army left. No admission fee is charged to this latter organization.

A gang of Hungarian railroad laborers got on a spree down at Hecklast Wednesday, and a number were placed under arrest. They were brought to Bellefonte for a hearing. Upon payment of a \$20 fine they were released.

A BIG TIME.

THE BIG CELEBRATION AT CENTRE HALL.

On the 4th of July—Monster Parade—Many Interesting Amusements—Elaborate Display of Fireworks, etc.

This coming 4th of July will be celebrated in elaborate style at Centre Hall and from present appearances there will be an unusually large gathering there from all portions of the County. It will be the centre of attraction, as it appears that nothing of any special importance will be going on elsewhere in the county on that day.

The committee in charge of the affairs are busy and they have all arrangements about completed for entertaining the public on that occasion. The following is a brief outline of the programme:

After the arrival of the morning trains a monster parade will be formed consisting of local organizations, industrial features, etc.

Gen. D. H. Hastings, Senator S. R. Peale, of Lock Haven, Ex-Governor Curtin, Gen. Beaver and other prominent speakers have been invited to address the public in the afternoon.

In the line of amusements there will be a game of base ball between State College and Bellefonte, a list of bicycle races on Hoffer street, sack races, foot races, etc. The Logan Steam Engine Company have consented to take their new Silsby Steamer to Centre Hall and give an exhibition by attaching it to a plug in the diamond.

Company B., N. G. P., is expected and will give an exhibition military drill. In the evening there will be a grand concert by several of the visiting bands and at dusk the display of fireworks will begin.

EXCURSION TRAINS.

In addition to the regular train service, special trains will leave Bellefonte at 9:30 a. m. and 6 p. m. A special train will leave Centre Hall for Coburn and then return to Bellefonte. Excursion tickets will be sold from all stations along the route.

The indications are that next Tuesday Centre Hall will have a gala day, and extensive preparations are being made by those people to properly entertain all visitors.

Election of 2nd Lieutenant.

An election for 2nd Lieutenant to fill vacancy in Co. B 5th Regiment, N. G. P., caused by the resignation of 2nd Lieutenant Philip D. Foster, will be held at the Armory of the company in Bellefonte, on Tuesday July 4th, 1893, at 8 o'clock, A. M. sharp. Said election will be conducted by Lieutenant, Col. Amos Mullen.

The men must report in armory on the morning of July 4, 1893, at 7 o'clock sharp. Every man must appear in full uniform. Those lacking accoutrements preparatory to going to camp will report the same to the 1st Sergeant. Every man should be present as it requires two-thirds of the members of the company to hold an election. We must be prepared for the coming encampment, August 5th to 13th inclusive.

5th Regiment Encampment.

The place for the annual encampment of the 5th Regiment, N. G. P., to which Co. B, of Bellefonte, belongs, has been selected and it will not be near Bellefonte as some had hoped. The camp ground was selected last week. It is a beautiful plot between Altoona and Holidaysburg, along the line of the new electric railway. It is at the foot of the Allegheny mountains with a level plot for the camp and drill ground with a high bluff for the location of the officers' quarters. A small lake is close to the camp ground. The regiment will go into camp August 5th and remain until the 12th.

No Paper.

The time of the year has come for the overworked printer to take a short period for rest and recreation. According to the custom, generally observed, no CENTRE DEMOCRAT will be issued next week. The office force want to celebrate the 4th of July and it takes more than one day to thoroughly accomplish their purpose.

During the week the office will be open for the transaction of business and all orders for job printing will receive prompt attention.

Tyrone Getting There.

The Tyrone base ball club has decided to join the River League. A. M. Woodin has resigned as manager and Roland Morrow was elected in his stead. Benefit games are being played to purchase uniforms, and \$800 will be raised to be used in case the gate receipts fall short. Of that amount \$350 has already been subscribed.

Lost a Purse.

Mr. Abe Baum, the liverman, recently lost a large leather pocket book containing several notes payable to him and other papers valuable to him. The finder will be suitably rewarded by returning same.

You should certainly not miss seeing our line of ladies and misses blazer coats with or without capes, wraps, etc. Blazers from \$2.00 up. Lyon & Co.

COMMENCEMENT EXERCISES.

On last Thursday evening the opera house was crowded by a large gathering to attend the third annual commencement of St. John's Parochial schools of Bellefonte. An elaborate programme was prepared under the direction of the Sisters who spent several weeks in training the pupils for this occasion. Musical selections were the principal features throughout, consisting of vocal solos, choruses and instrumental selections. The girls were tastefully dressed in white, while the boys wore their very best.

"The Tyrolean Queen," an opera in four acts, was very well rendered and appreciated by the audience. Father McArdle then announced the following awards to the pupils:

Gold medal awarded to Miss Mary Cedar for proficiency in music.

Gold medal awarded to Miss L. McMillen for excellence in deportment.

The following young ladies deserve honorable mention: Misses M. Gilmour and M. McClain.

Gold medal awarded to Miss Mary Cedar for proficiency in studies.

The following deserve honorable mention: Master T. Hamilton, Misses L. McMillen, M. Gilmour, L. Armour, A. Fox, G. Armour, M. McClain.

Premiums awarded to Misses Elsie Murray, Carrie Kelly, Bessie Gilmour, Charles Gilmour, Misses Mary Woods, Elsie Utz, Masters Kohlbecker, Deskon, Miss Henrietta Pacht, Michael Disken, Frank Shaugency, Miss Christine Curry, Harry Sallor, Misses Mary Brown, Helen Cedar, Kate Brown, Annie Conroy.

The entertainment closed with a chorus by the entire school entitled "Come Join the Dance."

Death of Mrs. T. Gray.

On Sunday morning, 26th, Mrs. Harriet, wife of Samuel T. Gray, died at her home in Half Moon township, this county of inflammation of the bowels. She suffered with a stroke of paralysis a month or so ago and had not fully recovered from the ailment. She was aged 66 years and two months. Funeral services were held at her late home Monday evening at 5 o'clock. Interment in Gray's church cemetery. She is survived by her husband and the following children: Annie and Nora at home, and William of Bellefonte. She was a daughter of Benjamin Hutchinson, who was killed several years ago in a threshing machine accident, and is also survived by one brother and two sisters, Archie C. Hutchinson and Mrs. Eliza Grazer, of Warriorsmark, and Mrs. Maggie, wife of Rev. Wm. Earnshaw, deceased, of Dayton, O., and a large circle of relatives and friends. Domestic in her habits, her home was her castle, a lovable and devoted wife, and indulgent and painstaking mother and a true christian woman. All who passed the threshold of her home had sufficient cause for the remembrance of her many acts of kindness and entertainment.

Struck by Lightning.

Last Thursday a heavy storm passed through Nittany Valley and was accompanied by heavy flashes of lightning. James Eckenroth, farmer, living in Spring township had a shaking up. A flash of lightning struck his house on the comb of the roof and tore it up badly. It passed down the side of the building. Two children were sleeping in a room close to the wall where the plastering was torn loose and scattered over the room. Some damage was caused in the kitchen. The bolt continued along a pipe to the cistern. Two dogs sleeping close to this pipe were instantly killed. A fire caused by the lightning broke out in the attic but was soon extinguished.

The same day lightning struck a tree near Benjamin Gentzel's barn. It glanced to the spouting and followed that around the building to the watering trough which was shattered to pieces.

A Fine Game.

On Tuesday morning, at about 6 a. m., a hack from Philipsburg arrived in Bellefonte containing a lot of very tired, weary, sleepy young men. They started from that place Monday evening and in coming over the mountains lost their way and stranded in a corn field. By hard work and cussing they managed to get their back and horses out of the mud and after a diligent search again found the pike and resumed their journey to Bellefonte. After such a night it is no wonder that they were slightly broken up. On Tuesday afternoon a game of base ball was played at Hunter's Park between these young men and a home team. Up to the eighth inning neither side scored, it was unusually exciting; at the close of the ninth the Bellefonte boys were victors by a score of 2 to 1. The attendance was good.

Large Fish.

The Lock Haven Express says that a German carp caught by Henry Force in the dam at that city, weighing thirteen and one-half pounds, was probably the largest carp ever caught in this section of the State. It wasn't quite equal, however, to the fourteen-pound carp caught by S. C. Stewart, Jr., at the Tyrone Forge Mill dam ten days ago.

State Bank Fails.

The State bank of Lock Haven was compelled to close its doors on Wednesday morning. A run had been made on the establishment for some time past. Wm. Simpson was president of the bank and his son cashier.

ADVERTISERS-BUYERS.

SOME TIMELY REMARKS ON BUYERS.

Why you should buy from your home merchant—strangers are not responsible—don't be humbugged.

The most successful people, when they want to buy anything, prefer to patronize stores and business houses that keep a stock from which they can make a selection. They subscribe for newspapers and read the advertisements for the purpose of learning where such articles, as they may want, are for sale. Some other people prefer to depend upon travelling vendors and have articles brought to them. It is well established that buyers, who wait for the travelling vendor, pay more for what they buy than those who read the advertisements and go where they have the best opportunity of making selections.

If a vendor of any goods is inclined to humbug the people, he travels from house to house, secures his board and horse feed for nothing and gets higher prices for what he has to sell than the merchant who keeps a stock in store and invites the buyer to his place of business. This principle was thoroughly illustrated last year by a lot of peddlers, who sold a wheel-spring harrow, throughout Centre county for very much more than it was worth; and more than one-half the farmers who bought it now admit that they were completely humbugged. The men who humbugged them have gone. If the farmers had purchased a harrow from a dealer in this vicinity, they could then have had a remedy. Honest dealers do not humbug the people in this way. They know that the success of their business depends upon fair dealing with their customers, even if they were disposed to do otherwise. Men who establish themselves in business fully understand that when they sell an article to a customer, it must be of such a quality and price as will invite them to come back, as well as an inducement for his neighbor to come also, therefore the sagacious buyer will always patronize his home dealer in preference to the peddler, who sells him an article to-day for more than it is worth and is gone to-morrow.

Buggies delivered to a customer by a travelling vendor certainly cost the buyer from ten to fifteen dollars more, than the same quality of a buggy will cost a well regulated business house. Men often think they buy cheap in this way, because the article is delivered to them; but when they have only one buggy or one line of buggies by which they can compare quality and price, they are easily deceived. When they go to a ware-house where they have an opportunity of inspecting a large stock of different makes of buggies, carriages and wagons, they have an opportunity of judging the qualities, as well as the prices, and, as a rule, they save four or five times their expenses by taking advantage of the opportunities offered by the merchant, who keeps a large stock from which to make a selection. We believe it to be of great advantage to all buyers to patronize their home merchants and not encourage itinerant vendors, who travel from county to county, humbugging the people.

In this connection we would respectfully call the attention of our readers to the well known and long established house of McCalmont & Co., Bellefonte, of which Mr. Wm. Shortlidge is manager. They handle all lines of farm supplies such as implements, vehicles of all kinds, seeds, etc. Their immense ware rooms enables them to carry a large stock of almost everything in their line. When you can deal with such a reliable firm don't patronize the traveling humbugs. Consult your home dealer first.

McCalmont & Co. have an announcement to make to our readers this week, which will be found in another column.

Bible Convention.

On Tuesday evening, the 11th of July at 8 o'clock, there will be a meeting in the Court House in the interest of the Bible Society. Addresses will be made by Rev. Dr. Morrow, secretary, of the Bible Society, and by Dr. George Atherton, I. L. D., president of the Pennsylvania State College. The result of this meeting will be to distribute the Bible more thoroughly throughout Centre county than it has been in the past.

Interesting Races.

There will be an interesting time at Philipsburg on the 4th of July. The proprietors of the Driving Park, at that place, have \$500 which they will give out for a number of horse races, bicycle races, foot races, etc. They have an elegant one-half mile track and a number of fast horses. That town goes in for sports of all kind.

State Bank Fails.

The State bank of Lock Haven was compelled to close its doors on Wednesday morning. A run had been made on the establishment for some time past. Wm. Simpson was president of the bank and his son cashier.

Coughing Leads to Consumption.

Kemps Balsam stops the cough at once.

Blanche Pearson, "
Spigelmeier-Huffman.

Invitations are out for the wedding of Miss Gertrude Spigelmeier, of this place and Mr. John D. Huffman, of Williamsport, in the Presbyterian church, Bellefonte, on Wednesday evening, July 12th at 8 o'clock. The bride is the eldest daughter of Mr. Ralph Spigelmeier, of Bellefonte, who is manager of the famous Racket store. She is one of Bellefonte's worthiest young ladies, and deserves a noble companion like Mr. Huffman. We extend congratulations.

Died at Turbotville.

On Sunday evening, June 18th, Miss Lydia Keller died at the home of her brother, ex-Treasurer, D. C. Keller, at Turbotville. Miss Lydia has for several years past made her home with her brother, Mr. D. C. Keller, and removed with them from Centre Hall to Turbotville last spring. Her remains were taken to Centre Hall by rail, on Wednesday morning, and were then taken to Tusseyville, at which place the funeral was held on Wednesday. Her age was forty-eight years and twelve days.

Snake Story.

The following snake story appeared in the Millheim Journal this week among the Greenbriar Items:

There were found last week on Little Flat two dead snakes. The one had attempted to swallow the other but it proved too much for her. She had succeeded in getting down about two-thirds of her prey, when she choked. The larger of the snakes was about two feet long and the smaller 18 inches.

Cave Travel.

The travel to the cave each year is gradually decreasing, and it is seldom now that a picnic is held there, when several years back, they were a daily occurrence. The patronage from Bellefonte which always was great is attracted to Hunter's Park, this affects our famous grottoes to no little extent.

Want Water Works.

The Millheim Journal is agitating the question of that place fixing up a system of water works. The people now use cistern and well water, and occasionally something else, for drinking purposes all of which are bad sanitary conditions.

30 Years Postmaster.

Major J. B. Fisher, of Penn Hall, has been a postmaster for thirty years, having taken the oath of office but once in that period. He is one of the oldest postmasters in the county.

Just stop in and see Montgomery & Co. hustle out the clothing and hats at the present Bargain prices.
