TOOK LAUDANUM.

W. W. Moyer Commits Suicide in Lock Haven.

On Monday afternoon a telegram was received in Bellefonte announcing the death of a former business man, at the Fallon House, Lock Haven. The particulars we clip from the Lock Haven, Express which says the dead body of a man was discovered in one of the rooms of the Fallon House on Monday about noon. The body was identified as that of a man who registered on Friday last as "W. W. Moyer, Altoona." The body was lying on the bed and a empty vial, labeled laudanum on the wash stand led to the conclusion that the man had committed suicide.

Moyer was last seen about 5 o'clock p. m. Sunday and from the appearance of the corpse he died some time in the night. Moyer had removed his coat, vest and shoes before lying down upon the bed where he was found. The body was removed to an undertaker's room where a coroner's jury was empanelled to render a verdict as to the cause of his death. The body had begun to discolor, indicating that death had taken place eight or ten hours before the body was discovered.

The evidence before the coroner's jury showed that Moyer was last seen alive about five o'clock Sunday evening; that he had told several persons in the forenoon that he contemplated suicide and shortly after twelve o'clock Sunday noon had purchased an ounce of laudanum at a drug store. The jury after hearing the testimony agreed upon a verdict that the deceased came to his death from the effects of an over dose of laudanum.

He was a son of Dr. Moyer of State College, and several years ago was in the grocery business in Bellefonte. He was unmarried and about 30 years of age.

CHURCH DEDICATION.

The New Lutheran Church to be Dedicated Next Sunday.

The Lutheran church at the corner of Linn and Allegheny streets, will be dedicated on next Sabbath morning, Sept. 3rd. The interior of the church has not yet been completed and the pews have not been placed as yet, owing to a misunderstanding on the part of the manufacturers. The building committee placed an order for pews, which were to be of antique oak, but upon their arrival at Bellefonte, it was discovered they were not according to contract and the committee refused to receive them. The building has been in condition for insertion of the pews, and with a few minor details, the church will be completed. Arrangements will be made however to accommodate the audience next Sunday at the dedication, and chairs will be placed temporarily in the main room and the absence of the pews need not deter one from attending the dedication services. Dr. E. J. Wolf, of the Gettysburg Seminary will deliver the dedicatory sermon in the morning, along with other eminent prelates of the church, who have been invited for the day.

Making Progress.

The gang of track layers on the new railroad are making progress putting down the rails and over half a mile per day is about the rate they are getting over the ground. Work has been progressing from both ends of the road, from both Mill Hill and Bellefonte, though the track into Bellefonte will be completed last. For ballast the cinder from the Valentine furnace will be used, and the motive power of the company has been pressed into service. The road will be completed first to within about three miles of Bellefonte to the junction of the Nittany Valley and the Central, when the balance of the route to Bellefonte will be covered with iron. This is done in order to allow the iron to be brought over the road and afford a freight outlet for the furnace.

True to Nature.

Madeline Merli is a great lover of nature on the stage. She believes there is fame and fortune in store for the man or woman brave enough to give the truth instead of efface. She believes in playing a love scene as it should be played, true to life, regardless of the unappreciation of the plebeian who not being educated up to that standard is likely to show disapproval.

A Good Institution.

Attention is called to the advertisement of Franklin & Marshall college, Lancaster, Pa., which appears in another column of this paper. This is one of the oldest and best known institutions of learning in the state. Centre county has sent a large number of students to this place and they always return bearing evidence of its full equipment and elegant facilities for pursuing a higher course of study.

REYNOLDS-HOY WEDDING.

BRILLIANT EVENT IN THE PRESBYTERIAN CHURCH.

Mr. W. Fred Reynolds and Miss Louisa Hoy United in Marriage Thursday Evening.—Furnace Closes Down.

The society of Bellefonte for several weeks has been looking towards the designated day when the marriage of Mr. W. Fred Reynolds and Miss Louisa Linn Hoy, daughter of the late Judge Adam Hoy, should be solemnized, and it was with expectancy that they awaited that brilliant event on last Thursday evening.

The wedding took place in the Presbyterian church, and that handsome edifice had been profusely decorated with flowers for the occasion. George Brandon presided at the pipe organ, and at seven o'clock the bridal procession moved up the aisle to the altar. The ushers were James Duffy, of Marietta; Elliott Lane, N. J.; Beverly Potter, Thos. Morriss, Joseph Montgomery, Albert Hoy, of Bellefonte; Thos. Orbison, of New York; and John Sommerville, of Winburne. The ushers who led the procession up the aisle were followed by maid of honor, Miss Mary Hoy. The bride, leaning upon the arm of her uncle, Mr. James Sommerville, was met at the foot of the altar by the groom and his best man, Mr. John Blanchard Rev. Beech, of Bridgetown, N. J., assisted by Rev. Dr. Laurie, officiated in the marriage ceremony.

After the ceremony the newly-wedded couple were driven to the palatial residence of the groom, where a brief reception was held, and preparations were made for their departure on the 8.54 train on their wedding tour.

For the trip the bridal couple will occupy a private Pullman palace car and their destination will be a tour of the cities and popular resorts.

The wedding was largely attended and the presents in substance were costly and elaborate.

SHUT DOWN.

The Valentine Furnace Closes Down for an Indefinite Period.

One of Bellefonte's industries at which are employed about five hundred men, closed down last Wednesday for an indefinite period. A week or so ago the mines, operated by the Valentine Furnace Co., were closed down owing to the dullness of trade and no market for the product of the furnace. The manufactured iron on hand was large and it was the intention of the company to operate the furnace until the stock on hand was used up when the furnace also would close down, which occurred last Wednesday night. About five hundred men employed in the various departments were left unemployed. Needed repairs will be made about the furnace and when the supply of iron on hand has been reduced, operations will be resumed.

Death of Mrs. Reed.

The death of one of Bellefonte's aged and most respected ladies occurred last Wednesday afternoon, in Mrs. Elizabeth Reed, who quietly and peacefully breathed her last at her home on Thomas street. She was a widowed lady, her husband, Mr. Henry Reed, preceded her to the grave about two years ago. She was the mother of six children, four sons and two daughters, all of whom are living. The funeral took place Friday afternoon from her late residence, the interment being made in the Friends cemetery. She was a consistent and faithful member of the Methodist church.

Horse Stolen.

On Monday morning, 21st inst., a fine horse was stolen from the stable of John Rocky, living on the road leading from Pleasant Gap to Zion. The thief with his stolen property went across the ridges towards Milesburg, at which place the horse was abandoned by the thief and returned to Mr. Kockey next day. The identity of the thief is unknown.
