Legal Fight Against the Proposed Bond Issue.

Provisions of the Income Tax as It Will be Presented in the Internal Revenue Bill-How the Measure Will be Enforced If It Becomes Law.

DES MOINES, Ia., Jan. 20. - General Master Workman Sovereign was seen by an Associated Press reporter regarding the proposed injunction proceedings against Secretary Carlisle. "It may be a good deal like a mouse tackling a lion," he said to a reporter, "but we are going to do it."

The petition praying for an injunction to restrain the secretary of the treasury from issuing bonds in the sum of \$50,000, 000, or any other amount, will be drawn here by Judge Cole, will be sworn to by Mr. Sovereign and sent to Washington to be filed in the circuit court of the District

JAMES B. SOVEREIGN. of Columbia by the first of next week. Mr. Sovereign and his attorneys deny to Mr. Carlisle the authority to issue the bonds proposed. The following specific claims are made by the persons seeking the injunction against the bond issue:

There is nothing in the law providing for a reserve fund at this time in the United States treasury of \$100,000,000. There is no provision in the law for any special reserve as construed by the present government.

"There is no such a thing as a special reserve, legal or otherwise," said Mr. Sovereign, "provided for anywhere in the federal statutes. There is nothing in the law providing for a reserve of \$100,000,000 at this time, and more than this, there is a provision for a reserve of \$99,000,000. The government claims to be able to issue the bonds under the act of 1875 to replace a deficit in the reserve; yet it has offered for sale an amount of bonds double the amount of the very deficit it claims that it must replace. Its claim is not reasonable, consistent or honest.

"Now, we propose to force an action, so to speak, enjoining the secretary from making the issue because he has absolutely no authority to do so."

NEW INCOME TAX BILL. Now Included as a Part of the Internal

WASHINGTON, Jan. 19 .- The full text of the internal revenue bill, including the income tax bill, has been agreed upon by the Democrats of the ways and means committee. As vet details of the income tax, as finally agreed upon, have not been made public. The Associated Press is able, however, to give a complete summary of the essential features of the tax

as it will be submitted to the house. The bill provides that the income tax is to go into effect Jan. 1, 1895, and that the first collection on incomes is to be made on July 1, 1895. All classes of incomes are included in the measure and the uniform rate of 2 per cent. tax on incomes over

\$4,000 is fixed. The most important detail of the bill is the method provided for the levy and collection of taxes. It is made obligatory on all persons receiving individual incomes of over \$3,500 to make a return to the local collector of internal revenue. These returns are gone over by the revenue collec-tor, and a taxable list is made up of those whose incomes exceed \$4,000. No tax is levied on those making a return of above \$3,500 and under \$4,000, but the committee deemed it expedient to leave this margin of \$500 below the exemption point in order that the returns might be sure to show all who are subject to the tax.

In case a person having an income of over \$3,500 fails to make a return it becomes the duty of the revenue assessor to make inquiry as to the amount of the person's income. If this examination discloses that the income is above \$4,000 the income is subjected to twice the ordinary tax under the law, and the party failing to make his return is deemed guilty of a criminal offense and is made subject to fine and imprisonment.

Markley Is a Candidate.

HARRISBURG, Jan. 24.—It is stated here on good authority that three prominent Philadelphia attorneys, one Republican, one Independent and one Democrat, had been retained by the Pennsylvania Democracy, and that a bill in equity will shortly be filed in the Dauphin county courts to test the legality of the recent Democratic state convention. Senator Arthur D. Markley, of Montgomery county, is a candidate for congressmanat-large. His nomination papers were filed at midnight.

Train Robbers Run Down.

VINITA, I. T., Jan. 24.-The gang of train robbers of which Bob Rogers was the leader were located by officers at the home of Rogers, on Big Creek, twenty miles from here, and were pounced down upon while asleep in the house. Bob Rogers and Dynamite Jack were captured unburt. Dynamite's brother, Kiowa, was killed, and Willis Brown was so severely wounded that his death is ex-

JERSEY'S LEGISLATIVE DEADLOCK Governor Werts Will Ask the State Su

preme Court to Decide. TRENTON, Jan. 24.—Governor Werts, in his answer to the Republican senators, says he has no authority to interfere with the Democratic senate. His letter is in part as follows:

'You state that you are willing, 'on receiving satisfactory assurance' from me 'and the body presided over by Senator Adrain that the usual customs will in this case be observed, to take the course of action indicated.'

"You certainly must be aware that it is not in my power to give assurance that 'the body presided over by Senator Adrian' will or will not pursue a certain course. While I have my individual views thereon, I nevertheless recognize the fact, as stated in my enclosed message, that 'it is not my right or province to dictate, or even recommend, what course the senate should pursue in dealing with the credentials of the applying members.'

"You desire to know whether your in-formation as to the position thus as-sumed 'by me as the chief executive offi-cer of the state is correct.' So far as your 'information' of my position accords with my position as defined in my message it is correct. You ask whether you may rely upon my co-operation in effecting .

settlement 'upon that basis.' "Assuming that you refer to the suggestion contained in the message, I answer, that so far as I properly can, I will cheerfully co-operate in any movement looking to a fair and honorable settlement upon 'that' or any other basis."

Governor Werts last evening sent a request to Chief Justice Beasley to convene a special session of the supreme court to decide which of the two bodies now claiming to be senates of New Jersey is the legal body. He has also instructed the attorney general to institute quo warranto proceedings against the Republican senate to compel them to show by what authority they are claiming to be a senate. This action is understood to be a friendly one, and both Republicans and Democrats have agreed to stand by the decision of

SAILING ON TO RIO.

Pelxoto's Imported Navy to Press the Naval Contest.

RIO DE JANEIRO, Jan. 24.-After a long delay Peixoto has given orders to his new warships, purchased in Great Britain and the United States, to sail southward and begin the long expected naval contest which, in all probability, will decide the struggle for supremacy between Brazil's chief magistrate and those who are seeking to overthrow him.

Word was received here that the Nictheroy, America, Aurora and Parnahyha reached Bahia on their way from Pernambuco to Rio. They are reported to be fully manned, and in a better condition for fighting than it was supposed their officers would be able to get them, considering the fact that their crews are made up of mixed nationalities. In the battle of Moncague island, on

Jan. 16, the insurgents were victorious. The government loss was the commanding officer and ten men killed and fifteen wounded. Insurgent loss five killed and seven wounded. The insurgents then attacked and repulsed the government troops at Morro d'Armacao and Punta da Areia, capturing a hundred prisoners, the greater part of whom agreed to join the revolutionists. The government loss of life was heavy.

Favoring Cleveland's Hawaiian Policy. WASHINGTON, Jan. 24.-Representative McCreary, chairman of the house com-mittee on foreign affairs, introduced tale ing the policy of the Democratic members of the committee on the subject of Hawaii. The resolution declares that the action of the United States naval force in siding in overthrowing the constitutional government was contrary to the spirit of our constitution, and is condemned; that the assumption of a protectorate is inexpedient; that foreign interference in Hawaiian affairs would be resisted by our government. The president's policy is heartily approved.

Peckham for Supreme Judge.

WASHINGTON, Jan. 23.—The president sent to the senate the nomination of Wheeler H. Peckham, of New York, to be associate justice of the supreme court of the United States. Wheeler H. Peckham is a brother of Judge Rufus Peckham, of the New York court of appeals. He was appointed district attorney by Mr. Cleveland when he was governor of New York, but subsequently resigned. The New York senators and their friends are very indignant over the nomination.

Murderer Bamburger Executed. CANDO, N. D., Jan. 20 .- Albert F. Bamberger was hanged about a mile from this place in a deep ravine, surrounded by high hills, for the brutal murder, July 6, 1893, of six members of the Kreider family, who had emigrated from Elizabethvn, Pa. A tight board fence about six feet high surrounded the scaffold, but the execution was witnessed by thousands of people, who climbed the hills and watched every detail of the event.

Valuable College Building Destroyed. LAFAYETTE, Ind., Jan. 24.-The great mechanical laboratory of Perdue university is in ruins, the result of fire which broke out in the engine room at 8:30 last evening. The building was begun one year ago and was dedicated last Friday, Governor Matthews having accepted it in the name of the state. The building cost \$100,000 and the equipment was put in at an outlay of \$70,000, not including many valuable donations.
