

DR. RICE THE WINNER.

He Captures the Brooklyn Handicap Race in 2:07 1-4.

HENRY OF NAVARRE RUNS SECOND.

Sir Walter Comes In Third and Bassetlaw Fourth—Clifford and Sport Not In It. The Judges Arrested—Forty Thousand People Present.

NEW YORK, May 16.—A better day could not have been desired for the opening of the racing season and the running of the great Brooklyn handicap, valued at \$25,000, at the Gravesend track yesterday. At 2 o'clock there were at least 30,000 people inside the gates and long lines extending from the box offices waiting for the slow ticket takers to take their money. There was a little excitement at that time, for De Lacy made his first move, an officer appearing in the club house with a summons to appear before Justice Walsh in Brooklyn today in answer to a charge of conducting a lottery. Arrests had been expected, but none were made up to that time.

At that time the horses named for the first race were hoisted on a bulletin board and the 112 bookmakers, three more than the best on record, began chalking up the odds. Out on the lawn when the race was called there was a sea of heads, their owners packed so closely together that it looked like a solid mass, and they were struggling to get out of the ring where they could see a small part of the race. It was estimated then by good judges that at least 40,000 people were present, and many were returning home unable to get anywhere near the track. Just before the third race was run De Lacy again made his appearance. This time he was in greater force, for Sheriff Butting, with a host of deputies, came on with warrants. The judges, Colonel Simmons, Clarence McDowell and Victor Smith, were arrested immediately after they placed the horses on the third race, and in company with John M. Bowers, counsel to the club, and Senator McCarthy were driven to the town hall in Gravesend, where bail was given, and they were released as some delay had been caused to the Brooklyn handicap. Sheriff Butting had more warrants, but he rested content with the arrest of the three judges, and went away from the track. When the time came for the handicap it seemed impossible to get another person inside the inclosure. From one end to the other of the big grand stand men and women were packed together like sardines, and not more than one half of them could by any possibility see anything of the contest.

It was only a few minutes past 5 o'clock when the candidates for the \$25,000 stake began to move under the chute from the paddock. For thirty-two long minutes the assemblage waited and fumed, and then, immediately after a long break, Starter Rowe dropped his flag, and the start was made. And such a start it was. Lowlander, the winner of the last year's Suburban, was standing still, and did not get away at all, while Clifford, the heavily backed favorite, seemed to be practically left at the post. Copyright was the first away, Henry of Navarre second, Herald third, Dr. Rice fourth, Blitzen fifth and the others bunched as follows: Banquet, Sir Walter, Comanche, Ajax, Bassetlaw and Diablo, while Clifford and Sport were almost standing still, although they got in motion immediately and started on a hopeless chase. Down through the stretch they gathered speed with each bound and thundering past the judge's stand, a quarter of a mile from the post, with all running well. Copyright, with his mouth wide open, was a head in front of Dr. Rice, whom Taral had taken into second place. Half a length away was Henry of Navarre, while Herald and Blitzen followed closely behind. Then came Banquet, Comanche, Ajax, Sir Walter, Bassetlaw and Diablo, while twenty lengths behind were Clifford, the pride of the west, and Sport.

HEAVY VERDICT FOR LIBEL.

CLEVELAND, May 16.—A heavy verdict for libel was rendered in common pleas court in a case growing out of the Dubs-Esher Evangelical church warfare. Dr. W. Horn, editor of Der Votschafter, in commenting on a certain phase of the case, applied the German word falschen to certain of Bishop Henn's acts. Suit was brought against Dr. Horn by Bishop Henn, who demanded \$25,000 damages. The jury seemed to think the word used was intended to mean forger, and gave Bishop Henn a verdict for \$6,000.

FOY AND HIS WIFE RECONCILED.

CHICAGO, May 16.—Andrew Foy and his wife have been reconciled, and are now living happily together at their home, No. 247 North Franklin street. The husband and wife forgot the difficulties brought about by the trying court scenes of the Coughlin trial, and agreed to come together for their children's sake. The romantic part of this episode is that Dan Coughlin himself was the actual peacemaker.

TRIUMPH FOR THE TROLLEY.

TRENTON, May 16.—The supreme court has vacated the stay recently obtained by Mrs. Washington A. Roehling and other residents of fashionable West State street, to prevent the establishment of a trolley line on that thoroughfare. The company resumed the work of erecting the poles and stringing the wires at once.

ATLANTIC CITY, MAY 16.—THE VOTERS here decided not to adopt the new city charter. A light vote was polled, and the adoption was defeated by a majority of 155 votes. The principal objection to it was that it gave the mayor and the city council too much power.

KILLED HER RECENT LOVER.

CHICAGO, May 16.—Carrie Wendell, of Maquoketa, O., shot and killed J. P. Roy on the steps of the National hotel, opposite the postoffice. She then shot herself in the head, but will likely recover. Roy, who was her accepted lover, had deserted her.

ASKING FOR AN APPROPRIATION.

WASHINGTON, May 16.—The house committee on appropriations had a hearing on Representative Livingston's bill making an appropriation for a government exhibit at the proposed cotton states and international exposition of Atlanta in 1895.

STRIKING AGAINST COMPULSORY "DONATIONS."

WATERLOO, N.Y., May 16.—A strike occurred among the hod carriers and laborers on the new Catholic asylum in this city because one-third of their wages was deducted from their pay to apply as a donation to the project.

THE MINE CONFERENCE.

A Row at the Outset Over the Seating of Certain Operators.

THE OPERATORS COME OUT AHEAD.

Ten Employers from Pittsburg Who Had Declared That They Would Not Abide by the Decision of the Majority Get Their Seats, Despite Protests.

CLEVELAND, May 16.—When the miners' conference finally assembled late yesterday afternoon it took but a short time to precipitate the fight that was brewing. An organization was effected by the election of J. B. Zerb, an operator of this city, as president, and Patrick McBryde, of the miners' union, as secretary, with Frank Brooks, an operator of Columbus, as assistant. A committee on credentials was appointed, and to them was referred the credentials of all the miners and operators who sought seats in the conference. The report of the committee aroused a stormy discussion at once. They favored the seating of all the miners and operators from Ohio, Indiana and West Virginia, and all of those of Pennsylvania who had expressed a willingness to abide by the decision of the conference. The report, however, was against the seating of the ten Pittsburg operators who had declared that they would not abide by the decision of the majority.

A. H. Dempster led the fight in favor of giving the kickers seats. He said the call for the conference had been sent to all operators and miners, and they were entitled to seats under the call. John McBrine, president, and Vice President Penna, of the miners' union, made the principal speeches against seating these operators.

The Indiana operators were admitted on the understanding that they would abide by the decision of the conference if a fair rate for mining was established for central and southern Illinois.

After the adoption of the report the conference adjourned until today.

CUMBERLAND, Md., May 16.—The strike situation in this region remains unchanged. No attempt at any proportions has been made to prevent miners who wish to go to work from doing so. A futile attempt was, however, made at Eckhardt mine by the strikers, but the presence of deputy sheriffs put a quietus on their movement. Eckhart, Eckhart-Hoffman, Ocean and Allegany mines are working with an increased force of men.

BRAZIL, Ind., May 16.—The operators in the block coal fields do not propose to be governed by the action of the Cleveland convention. Said a prominent operator today: "The block coal operators are prepared to lock up their mines for two years if necessary, and we really believe such a step will be necessary. Not a representative of the operators of the block coal field is attending the convention."

RUSSELLVILLE, Ky., May 16.—Fifteen hundred miners employed in the coal fields of Ohio and Muhlenberg counties are idle today. The strike is somewhat of a surprise, as the non-union men seem to be joining with organized labor in the general walkout. This district represents over 37 1/2 per cent. of the output of the entire western field.

NO FEARS OF A WAR.

LONDON, May 16.—In an interview Secretary C. Machado, of the Portuguese legation in this city, said that there was no fear that the dispute between Portugal and Brazil would lead to war. He added that Commander Custilio, the Portuguese commander at Rio de Janeiro, had given refuge to Admiral da Gama solely on the ground of humanity, and not because he belonged to an aristocratic family of Portuguese origin. There was no doubt that the result of the trial of Commander Custilio would lead to a resumption of friendly relations between Brazil and Portugal.

ALL EYE OPERATIONS SUCCESSFULLY PERFORMED.

On account of 20 years continued suffering and I could not walk straight any more—No Relief I prayed to die but was cured by Dr. Salm. For the last twenty years I have suffered untold agonies with a pain in my back and over the region of the kidneys. I had to get up regularly every hour at night to pass water, and during the intervals of my limbs propped, and almost bent me double, so that after while I could not walk straight any more. I tried the services of many eminent medical men, but they could not make out what was the matter, hence their medicines did not do any good. Home remedies and highly recommended medical men had no effect whatever. Dr. Salm, age, set me very well, now, and can make more attend to my daily labors.

Two Lick, Indiana, Co., Pa. Mrs. SOPHIA HENRY.

Invaluable Trouble Cured by Dr. Salm after the following manner: Our daughter Agnes has been ailing with some inward trouble for over three years. It made her very miserable and fit for nothing. She tried to be cured by the best doctors, but could not get any relief. Dr. Salm made a correct diagnosis at his first visit, and he is once more able to lend a helping hand. We can recommend the doctor highly. Bellefonte, Pa. I. N. FISHER.

Cross-eye operation made successful by Dr. Salm. Our little boy Clyde had strabismic fever when he was 2 years of age. It left him cross-eyed in both eyes. Dr. Salm operated on them, and they are now perfectly straight. The boy was not given any Chloroform and the operation was painless. GREAT BRIGHTNESS. Fine Glenn, Centre county, Pa.

A case of Cataract of 15 Years Standing cured by Dr. Salm. I have had a bad case of cataract for 15 years. It gradually affected all my organs. I became weaker daily, caught cold in the best of weather, and became miserable generally. I tried several doctors to get rid of the disease but they did not help me any; I took lots of patent cures, but might just as well have thrown my money away. I stated my case to Dr. Salm. I grew better steadily and am once more a man in my own case as heretofore and I must say that I am certain that the doctor understands considered myself satisfied with the doctor's treatment. F. WALKER, FOSHAN LICK, Tannersville, Centre county, Co.

He will visit this county EVERY FOUR WEEKS, thus saving his patients the trouble and expense of visiting the city, as he is the only physician and surgeon in the country who carries his own mannikin, models, diagrams, etc., to illustrate and make plain to afflicted patients the cause and nature of their disease. This will give his numerous patients and others who are in need of medical treatment an opportunity to consult this distinguished physician, whose duties at the institute will permit only of monthly visits to your community.

Diseases of women, such as have baffled the skill of all other physicians and remedies, quickly cured. Cancers, tumors, fibroid and polypoid growths cured without the use of knife or caustics. No cutting, no pain, no danger.

Manhood perfectly restored. Quick, painless and certain cure for impotence, lost manhood, spermatorrhoea, losses, weak and nervous system, etc. For prostrations, vasculitis and all other diseases, whether from imprudent habits of youth or sexual excesses in mature years, or any cause that debilitates sexual functions, speedily and permanently cured. Free examination of the Urine—Each person applying for treatment should send or bring 3 to 4 ounces of urine, which will receive a careful chemical and microscopic examination.
