## Your Money Back for the Asking.

It is your privilege to doubt. We are not asking you to believe that we are the CHEAPEST CLOTHING STORE in Centre county until we prove it to you, but we are willing to gamble on it that a visit to our establishment will convince you of the fact. It rests entirely with you whether you get your share of the dollars we are saving our customers this season. Don't wait. Come at once, and you will find that never in the history of clothes selling have such prices been named as those that prevail at our store this Spring.

### The Correct Thing.

Our popular 3-button Sack Suit is considered the most stylish garment in the market this season. We have colors and styles enough of them to please you all--over two hundred different kinds. Prices from \$4.00 to \$15.00. We will positively save you many dollars on every one of these you buy. *Your money back for the asking.*
