

MEADE'S RETIREMENT.

Secretary Herbert Explains How It Was Brought About.

THE ADMIRAL ACTED HASTILY.

His Desire to be Ordered to New York Had Been Granted When His Request to be Detached from the Squadron Reached the Navy Department.

WASHINGTON, May 15.—Secretary Herbert, in response to inquiries, dictated the following official statement concerning Admiral Meade:

At the navy department it was learned yesterday that the department had addressed a letter to Admiral Meade, stating that it desired to know if he was willing to answer whether he had or had not authorized what purported to be an interview with him published in the New York Tribune (which reflects seriously on the administration), and that he had replied acknowledging the receipt of the letter and declining to answer the questions.

The facts in relation to the failure of the department to grant Admiral Meade's request to have the Cincinnati ordered to the New York yard instead of to the Norfolk yard are that this vessel was ordered by the department to go to the Norfolk navy yard for some necessary repairs. This was done upon the recommendation of the chief constructor, who desired that work, which is now scarce at both yards, might be equalized between the Norfolk and Brooklyn yards.

Admiral Meade, who had selected the Cincinnati for his flagship during the absence of the New York, was thereupon ordered to hoist his flag upon that vessel upon her arrival from Norfolk, in the interim hoisting his flag on the Minneapolis. His afterwards forwarding a second request to the department to have the Cincinnati ordered to New York, instead of to Norfolk. On the day when the latter request was received Secretary Herbert was not in the department at any time. Assistant Secretary McAdoo being in charge, did not act upon the request, as he did not think it proper to take any action in the matter until the secretary's return.

On the next morning, when Secretary Herbert came to the office, this matter having been brought to his attention, he at once summoned before him the chief constructor, and, after conferring with him and Assistant Secretary McAdoo jointly, decided to order the Cincinnati to New York, and at once ordered Admiral Ramsay, who was present, to make out orders to intercept the ship at Hampton Roads and order her to New York. He also directed orders to be made out to Admiral Meade notifying him of this change, and orders both to the admiral and to the ship were written and ready to be signed when a letter came in the noon mail from Admiral Meade, asking to be detached from the squadron, which request the secretary granted.

This constitutes all the information that could be obtained and leaves the inference that the action, if any, to be taken against Admiral Meade is not yet determined upon.

Young Republicans Denounce Addicks.

WILMINGTON, Del., May 15.—At a largely attended special meeting of the Young Men's Republican club last night resolutions were adopted declaring that "Robert J. Hanby, Newell Ball, Charles L. Moore and John M. Robbins have been completely regardless of their plain duty as representatives of the people of Delaware in their determined opposition to the will of the majority of the Republican members of the legislature in the election of a republican successor in this state," and that "the unprincipled, corrupt and selfish course pursued by John Edward Addicks has marked him as unworthy of the recognition of the Republican party, or to be longer considered a member of that organization."

Killed by an Elopement Lover.

COVINGTON, Ky., May 14.—J. T. Estes, a farmer of considerable wealth, was killed by Will Green, 23 years old, near Newbern. Green was running away with a daughter of Mr. Estes, and had reached Rev. Mr. Harrow's residence, intending to get the latter to perform the marriage. Just as he stepped out of the buggy he saw Estes and his son coming on the road. Green stopped, and as Estes and his son came up Green shot Estes just above the heart, killing him, and also fired twice at the son, but without result. Green then proceeded to Broughtonville, where he and Miss Estes were married. Green has not yet been captured.

Drank Two Quarts of Whisky and Died.

SHAMOKIN, Pa., May 14.—Joseph W. Schwartz, aged 36 years, died at Continental Cut as the result of having swallowed two quarts of bad whisky. He had enjoyed the reputation of being able to drink two quarts without a pause, and after having drunk his second quart he assumed a crowd by singing a song and dancing a jig, at the conclusion of which he dropped to the barroom floor dead.

Awoke to Meet Death by Flame.

MIDLAND, Mich., May 14.—Mr. and Mrs. Frank Hale were burned to death at 3 o'clock in the morning. The couple moved into the house Saturday night. They were busy unpacking goods until a late hour, and soon after retiring awoke to find the house in flames, and were so jammed in that escape was impossible. The children were rescued. Neighbors say the fire was incendiary.

Mother and Baby Burned to Death.

ST. LOUIS, May 14.—Mrs. Charles Hise, living at the corner of Montgomery and Ninth streets, and her six-months-old baby were burned to death by the explosion of a gasoline stove. Mr. Hise was badly burned about the body in extinguishing the flames that were burning another child of 4 years. The father and surviving child are in the city hospital.

Hot Winds in Oklahoma.

HENNESSEY, O. T., May 15.—The dry, hot winds of the past few days have had a disastrous effect on grain, and if it continues will kill all chances for wheat, which are very slim. The effect on corn and oats is also pronounced. Business is almost at a standstill, owing to the uncertainty of crops.

PENNSYLVANIA LEGISLATURE.

Big Majority for the New Revenue Bill in the House.

HARRISBURG, May 13.—The legislature is getting ready to adjourn. Bills are being rushed through both bodies with unprecedented haste. Speaker Walton wants to get away the latter part of next week. He insists that the calendars can be cleared by that time if the house will keep right at work. Mr. Walton's belief is not shared by his older and more experienced colleagues. They say it is absolutely impossible to adjourn finally before the first week of June. If it should be decided to quit business at that time many of the bills will have to be dropped.

The apportionment bills are near the bottom of the calendars. They will probably be taken up on special orders and passed with the understanding that they will be sent to a conference committee for amendment. Many of the appropriation bills will also go to a conference committee. This will cause much delay, and may extend the session far into June. Governor Hastings is insisting upon a new apportionment, but the members whose districts are adversely affected by his plan now under consideration are kicking and will fight hard to prevent their passage.

The revenue bill framed by the state tax conference will be considered on third reading tomorrow in the house. On Wednesday the bill creating the county of Quay will be called up in the house for final passage. Its friends are confident that they have enough votes to put it through this stage. On Tuesday evening the opponent of the Porter school bill will be given a hearing by the house municipal corporations committee.

Governor Hastings is disposing of the bills as fast as they reach him. He has very few under consideration. Among them is the Farr compulsory education bill, which will probably be signed tomorrow, along with the other bills not yet acted upon. On Wednesday a meeting of the board of pardons will be held for the consideration of a number of cases which have been pending for several months.

HARRISBURG, May 14.—The session of the house last evening was devoid of interest. The order of business was senate bills on first reading and special and local bills on third reading and final passage. The Cochran bill, taxing breweries twenty-four cents on each barrel, was reported favorably from the ways and means committee. Representative Fow wants the bill amended so as to tax the brewers of other states who ship their beer into Pennsylvania, but one of the leading lawyers of Philadelphia says that this would be in violation of the interstate commerce law.

HARRISBURG, May 15.—The revenue bill framed by the state tax conference passed finally in the house yesterday. The vote was 147 to 14. This is the largest vote ever received by a revenue bill in the state legislature. Four years ago the Taggart bill passed with 136 votes in the affirmative. The passage of the bill is a personal triumph for Chairman Ritter, of the ways and means committee. Speaker Walton, as a tribute to the successful chairman, retired from the chair in favor of Mr. Ritter, who presided over the house for the rest of the morning session.

The Kunkel bill, making a uniform policy of fire insurance, was defeated after a long and exciting debate and then reconsidered and postponed for the present.

The bill to protect policy holders from fraudulent estimates in the rightful disposition of surplus of tontine policies of life insurance companies and to prevent the issue of policies of fire, life, accident, liability or marine insurance by persons, partnerships or other associations not incorporated, was killed.

Senator Flinn's street bills went through on special orders by comfortable majorities. One amends the act of 1891 so as to enable municipal corporations to lay out, open, widen, extend or vacate streets or alleys, upon petition or without petition of property owners. The other empowers cities to grade, pave, curb, macadamize and otherwise improve streets and alleys within their corporate limits without petition of property holders and providing for the payment of the costs, damages and expenses. The bills have passed the senate.

The bill increasing the salary of the adjutant general from \$2,500 to \$4,000 a year passed second reading on a special order, and will be considered next Tuesday on third reading and final passage.

The postponed house bill for the suppression of lottery gifts by storekeepers and others to secure patronage was called up by Mr. Smith, of Jefferson, and defeated on final passage.

A communication was received from the governor giving notice of his disapproval of the bill permitting chief burgesses to hold other offices. The veto was sustained.

Delaware's Senatorial Ruddle.

DOVER, Del., May 10.—The Delaware legislature adjourned without settling the question of a successor to Anthony J. Higgins in the United States senate. The 21st ballot was taken just before final adjournment, and it resulted: Henry A. Dupont (Rep.), 15; J. Edward Addicks (Rep.), 4; Edward Ridgely (Dem.), 9; Ebe W. Tunnell (Dem.), 1. The Republican speaker of the house declared Dupont elected, but Governor Watson, who voted as president of the senate, declared that there was no choice. Counting Watson's vote, sixteen votes are necessary to elect. The Republicans claim that the governor had no right to vote, but the Democrats claim that as the constitution provides that Watson became governor on the death of Governor Marvel by virtue of his position as "speaker of the senate," he must retain both offices. The contest will now be taken to the national senate, as Watson will appoint a senator.

Fatal Railroad Wreck.

HORNELLVILLE, N. Y., May 13.—One of the worst wrecks that was ever known here took place on the western division of the Erie, three miles west of here, yesterday morning. Fast freight No. 92 was thrown in the ditch by a broken wheel and ten cars were piled up in a confused heap. One of the cars contained valuable horses that were being taken east to enter the races. Eleven of these were killed. Three men were also killed. They were: S. M. Stewart, of Mercer, Pa., owner of sixteen horses; Robert Plater, Mercer, Pa., a well known horse buyer; an unknown negro groom. L. P. Foster, of Sandy Lake, was perhaps fatally injured.

One Killed, Twenty-two Injured.

SILEX, Mo., May 15.—The southbound passenger train on the St. Louis and Hannibal railway, was derailed by a broken rail two miles from here yesterday and thrown down a twenty foot embankment. The entire track for a distance of one hundred feet was torn up, some of the rails being thrown off the right of way. Very few of the passengers and train crew escaped injury. C. Meyer, of Warrenton, Mo., a traveling salesman, was instantly killed and twenty-two others injured.

New York Police Reorganization Bill Lost.

ALBANY, N. Y., May 15.—In the senate the motion to strike out the enacting clause of the New York city police reorganization bill was lost—aye, 16; nays, 16. The bill was then placed on final passage. The vote announced in the senate on the final passage of the bill was ayes, 16; nays, 16; the same as on the motion to recommitt. The bill was declared lost, 17 votes being necessary to pass it. A motion to reconsider the vote was tabled.

I began taking Dr. Miles' Nervine and now everything is changed. I sleep soundly, I feel bright, active and ambitious. I can do more in one day now than I used to do in a week.
