IN SESSION.

Enthusiastic Meeting in the Court House.

#### DEMOCRATIC TICKET NAMED.

Ringing Resolutions Adopted Endorsing President Cleveland-Declaration for Sound Money-The Penna. Legislature Strongly Rebuked.

This year there was a unanimity of sentiment at the regular democratic county primary elections, held on Saturday. This was due to the fact that there was no opportunity for a contest. Only two nominations were to be made this year, one for prothonotary and one for district attorney. According to the customary usages of the party, awarding to faithful officials a second term, Messrs. W. F. Smith and Wm. J. Singer had no opposition at the polls. Notwithstanding this lack of contest, there was a large attendance at the county convention on

The convention was called to order by County Chairman N. B. Spangler, at 12 noon. Ellis L. Orvis, Esq., ex-County chairman, was unanimously chosen chairman of the convention. He received an ovation and responded in a brief and appropriate address. He referred to the defeat of last Fall with the assurance that it was not due to any lack of vigilance or party devotion on his part, that such occurred. He believed that a new movement now was on foot, that there was harmony and assurance of victory. The principles of the democratic party would ever live; they can not be defeated. Mr. Orvis' address elicited rounds of applause during the delivery. The convention was then organized by the election of the following officers:

# ONCE A REFUSE,

The Flint From our Ore Mines in 26th, 1895. Demand.

#### BEING SHIPPED TO PITTSBRG.

To be Used as a Flux in the Large Furnaces for The Rich Lake Ore-Large Quantities in this County-Litigation Arises.

In the many iron ore operations about Centre county there always was an annoyance encountered by the large amount of flint and silica occurring. This had to be taken out by either the use of machinery or by picking by hand. At every mine bank in this section, where any work of any account has been done, there are large heaps of this flint, which was dumped on a pile and considered a refuse of no value.

The large iron and steel plants at Pittsburg use the rich lake ores that are about 60 per cent. iron. In order to successfully handle these ores it is necessary to add what they call flux, for the purpose of keeping the molten metal from caking against the sides of the furnace. To overcome this difficulty a number of articles have been used with more or less success. It recently was discovered that the refuse flint from the Centre county iron ore operations was Senatorial District, for the purpose of adopting the very best flux that could be found and the result is that orders have been given for the shipment of from six to eight cars per day from this point.

The question of title to this refuse has raised some litigation already. The parties who leased land and operated, claim it is their product, while the land their respective county conventions. The time owners claim that they were to receive only the iron ore and nothing else. Another complication arises here. This refuse flint contains about 20 per cent thereof to be given by each chairman to the iron ore, and on this account its expense will be met by the amount of iron it will yield in the furnace, and it may be difficult to determine how it should be classed, flint or low grade ore.

As there are immense quantities of preparing and shipping same to Pitts-

.Taken to Jail

J. C. Wilson, arrested Wednesday of -Marie Wise, daughter of Mr. and last week at Philipsburg, for stealing a gold watch belonging to Mrs. Lukens Tuesday afternoon. Her age was 2 from the residence of her mother, Mrs. Richards, was taken to Bellefonte jail on the early Thursday morning train. He confessed to chief of Police Funk that he had stolen the watch, and told him where he could find the inside case which he had torn out and on which was engraved the name and address of the owner. Wilson acknowledged tha he was sailing under false colors, but would not reveal his proper name, not wishing to bring reproach upon his parents, who were highly respected people in Washington.

Band Tournament at Philipsburg.

For the annual tournament of the Northern Pennsylvania and Western New York Band Association, to be held at Philipsburg Pa., June 20 and 21, the Pennsylvania Railroad Company will sell on June 19, '20, and 21 excursion tickets to Philipsburg from Williamsport, Emporium, and intermediate stations; stations on Tyrone Division, and from Altoona, Huntingdon, and intermediate stations, at a single fare for the round trip (no less rate than 25 cents). The tickets will be good for return passage until June 22 inclusive.
