Lemont Happenings.

The whistle of the steam thresher is heard in our locality.

Mr. A. J. Tate, of Pine Grove Mills, was in town the other day on business.

He is looking hearty. Mr. I. Albert Williams was nursing a boil on the end of his nose, but as Saturday evening was drawing near he was doing his best to get it bandaged up heavy enough to stand the strain when he and his best would meet at the door. Mr. Samuel Weaver, the section boss, with his family, are visiting friends at

Unionville. Mr. John I. Thompson and family, Mr. and Mrs. Barnes, of Washington City, who are visiting at Mr. Thompson's, took in the sights of Penns Cave. They must have had a delightful trip, for they seemed as merry as larks when

they reached home. Mr. James Longwell and sister, Miss Marshall, of Buffalo Run, Mr. Willis Bottorf and sister and Mr. Homer Longwell, of Lemont, spent a very pleasant evening at the home of Mr. D. A. Grove, on Main street.

Mr. Ed. Lingel smiles when he says it is a boy. Both mother and child are

doing well.
On Monday, of last week, George Sheats died at the home of Mr. George Kellar, of Houserville, for whom he was, working. He came in with a load of wood for the factory, on Thursday evening, and seemed to be well and ate his supper, after which he went and attended to his horses. He had a little trouble but he didn't think anything of it; it be-came worse and he told them they had better bring a physician. Dr. Dale, of Lemont, and Dr. Seibert, of Bellefonte, performed an operation, but he never revived. His home is in Franklinville, Huntingdon county. The funeral took place on Sunday afternoon, July 21, at 2 o'clock. He belonged to Lemont Lodge, No. 717 I. O. O. F., of which he was a member about 3 years. His age was about 53 years. He leaves a wife and four children—three boys and one daughter.

State College Notes.

The farmers are about finishing up the harvest and they report a short hay crop but a full yield of wheat.

usual summer vacation. Civil Engineer/Rodger Bowman has returned to his home in Philadelphia, after a pleasant week's vacation here. Dr. G. G. Pond left a few days ago for

a couple of weeks well-earned vacation in Chicago and the West. On Friday afternoon Beaver Field was enlivened by a ball game between the Professors and the Business Men which

was enjoyed by quite a crowd. They lined up as follows: Profs. Bus. Men. Waters Holmes J. L. c. f. Holmes Irvin Haley Jackson, Capt. Foster Phil McDowell Foster R. W. Iheseng 2nd Gleun D. L. Runkle 3rd Condo Harter Frear Foster, Capt

Our directors met last Saturday and hired good and competent teachers for the ensuing term. Snakes are reported unusually numerous, and of large size, by the huckleberrying parties who are daily scouring the mountains directly north of town.

The Creamery Company had a break down with their engine. That gave the cream gatherers a rest for a few days. Andy said: 'Ich hob ovver long g'shlofa.'
Rev. Illingworth, pastor of the M. E. church, took a flying trip to Philadelphia to visit his mother and sister.

Our ball team shows lots of practice, but when they put up a game they are

nowhere. Berkstresser has his photo tent pitched near Wm. Pealer's store. You can get your photos now for \$1 per dozen. He will remain a couple of weeks yet. C. E. Royer raised some of his early

potatoes. He says they are nice and large, and a good crop.

It seems that some of the Georges Valley boys do not take heed of what was said some time ago about their conduct. This time it occurred going home from church. Father and mother, do not tolerate such conduct. Boys, let this be the last time, for you will surely be tripped up, then it will not be so funny. A word

to the wise is sufficient. Peter, how easy it is to saw wood. The time does not seem half so long, nor the work half so hard, if some nice young lady sits near by and keeps up a chat

with you. Mrs. Arthur Kerlin, of Centre Hall, was in town canvassing for baking powder. She met with success.

Michael Shires returned from a two weeks trip to Altoona, where he looked up the insurance business. Mrs. Henry Moyer, of Tusseyville, is isiting her mother, Mrs. Grenoble. Boyd Bowersox, of Penn Hall, under-

We were visited by several showers on Sunday that refreshed all growing crops wonderfully. Huckleberries are reported plenty on Tussey mountain, but as yet few have

been brought to market. Mr. J. E. Reed spent Sunday and part of last week in Bellwood and Altoona and says he had a royal good time. There is some attraction there for Ed. which probably accounts for him having

such a pleasant trip.

beat this? Rev. Henry Webb, of Ohio, preached in the Presbyterian church, on Sunday evening, to a large and attentive congregation. Mr. Webb. at one time, was one of our progressive farmers, but tiring of that studied for and became a

successful minister. Joe. Krumbine is laid up for repairs owing to having come in contact with some poisonous weeds while at work. He is at presnt under the care of Dr. G. H. Woods and if medical skill can help him, we expect to hear of him being at

work again in a few days.
