SPRING MILLS ITEMS.

Our Breezy Correspondent Gives all the important News.

Robert Smith has the woodwork of his new porch completed. Peter Auman is painting it. Who will be the next to follow suit—to improve their homes.

Thomas Jamison can boast of the best field of corn. It has two and three ears on every stalk.

Rev. William Brill and wife, pastor of the M. E. church, of Mt. Union, spent a couple hours pleasantly at Rev. Illingsworth's.

TWENTY BUSHELS:—C. P. Long got in twenty bushels of whortleberries in one day. Still they come with tubs full.

Two of our young men thought the better plan to fix up an old rose would be to knock it out. When the fray was going on Mr. Best stepped in to part them; they would not have it that way and one of them made a straight dive for Best's eyes. Your name is Best, but you got the worst. Take off your glasses the next time.

Frank Loutz and Charley Birtges took advantage of the excursion to the Sea Shore. May they have a pleasant time.

Williams Grove picnic will be next on the program. There are a number of families going from this place, to spend the week.

The brickyard men seem to agree—to disagree. Can't you be friendly to one another while at work; it looks as if you all want to be boss. C. P. will look after that. You may get a lay-off if more reports come in.

Last Friday evening Smith Brothers received a telephone dispatch from Pottery Mills telling them that their aged father, Henry R. Smith, of Pine Grove Mills, who has been visiting here and at Pottery Mills, had another paralytic stroke. Mr. Smith had a stroke about two years ago, but was able to get around on a crutch again. Later on we learned that he is in a critical condition. Dr. Hue Alexander is attending him.

Rev. Dr. Monroe, of Altoona, Presiding Elder of the M. E. church, filled the pulpit for Rev. Illingsworth on Sunday evening. He is a very able speaker.

The Pottery Mills band festival took in \$67.00. They had a large crowd, but as usual, some got top-heavy so it wound up in a free-for-all fight. Go it boys. Strike some old woman, and get your name up.

William Musser, what did the agent say when you forgot to put his trunk on the train? Did he forgive you this time. Boy.

GATESBURG NEWS.

Gatesburg is a fine little village, situated in the West precinct of Ferguson township, one mile from the L. & T. R. R. The surrounding country is a farming district, with generous and well to do people there.

The hay and grain are all stored away and were considerably better than was expected. Samuel Harpster had the boss crop of hay, having cut and stored away forty acres.

The apple crop will be very small in this section of country.

The huckleberries are very scarce in quantity, but good in quality.

Dr. Daniel Bates, of near Gatesburg, is lying very ill at present, the defect is old age. The attending physician is Dr. L. M. Houser, of Penna. Furnace.

Blair Ritter, a young lad of 14 years, had a sad accident on the 25th of July, while out looking for woodchucks. His gun was discharged, the ball passing through his left arm at the elbow, making a severe wound. Dr. L. M. Houser was summoned and dressed the wound. He is getting along nicely at present and we hope will continue so.

Mr. Joseph Heberling, of Fairbrook, the section boss on the L. & T. R. R. is being removed to accept a division on the Bald Eagle R. R. at Eagleville. He will move to the place mentioned the 5th of August. He is a good and obliging citizen and will be missed in the community by all.

Miss Emma Stroyer, of this place, is now visiting her uncle at Duncansville, Rev. Isaac Krider. She is much missed by the choir, as she is a very fine singer.

The oats crop is good in this section, and the farmers are getting ready to harvest it.

There is a certain young man near Gatesburg, who has taken to shooting the chickens of his neighbors, because they eat a few grains of oats from his father's field which border on the town. He is somewhat vexed at a certain widow, who would not let him come to see her only daughter, and thought by killing a few fowls, he could get even with her; the young man is taking a poor way to be prominent with the fair sex. He will see when it is too late.

FROM REBERSBURG.

An Interesting Communication by Our New Correspondent.

TELEGRAPH LINE:—Since a telegraph line has been established between Rebersburg and Creamerville we can afford several lines. A number of our energetic young men have erected the poles, and expect to operate later in the season; meanwhile, they must occupy the office day and night for fear it will be upset. Success boys.

Our postmaster, J. W. Harter, was agreeably surprised on Monday noon, July 29th, by the arrival of a postmistress. Keller & Rachau, threshers, from Madisonburg, who have purchased a new five horse engine, are in our town threshing for our farmers, who say it gives entire satisfaction.

THE CROPS:—The crops in this section are good, wheat threshing twenty bushels per acre, corn and oats are also promising.

The DeLand Minstrels, who performed here on August 2nd, were a success. This troop, which is composed of young men from both this and New York state, is a very decent and respectable company. No carousing or swearing was heard among them.

BALL TEAM BEATEN:—Our base ball team was at Millheim to be beaten once more, by the score of 11 to 17. Boys organize before you play a regular game.

Mrs. Krumrine has placed a neat and substantial board walk in front of her residence, on College avenue, which greatly improves the appearance of her premises.

It can be safely said that this little village can turn out more members of the State Guard than any other of its size that we know of. The following members of Company B, 5th regiment, N. G. P., left on Friday morning to attend camp at Gettysburg, Pa.: Wallis McKee, T. C. Holmes, Geo. McKee, Geo. Miller, Fred Robinson, John Robinson.

Miss Elizabeth Stuart, the delegate of the Christian Endeavor Society of the Presbyterian church, presented her report of the Boston meeting on last Sunday evening. Her report was very full and interesting and was highly appreciated by the large audience present. Remarks were made by Geo. C. Butz, who also attended that great gathering of Christian workers.

ALLEY EYE & L. R. OPERATIONS SUCCESSFULLY PERFORMED.

Deafness and Catarrh cured by Dr. Salm. For a long time I noticed that I became gradually harder and harder of hearing. Ringing noises came in the ear after a while, and I became very much alarmed, so I went to Dr. Salm and put myself under his care, and to-day I am grateful to state, and for the benefit of those who may suffer in like manner, that I give him credit for the cure. I can hear once again as good as ever, and those infernal noises have disappeared, although I am almost 60 years old. Dr. Salm said all of it was caused by catarrh. M. B. Duck, Spring Mills, Pa. April 20, '95.

Thought his time had come but cured by Salm. For some years I have been suffering very much with various ailments, and brooding down at last. I suffered most excruciating pain from head to foot all the time. My stomach troubled me and my ears began to trouble me very much, and I became weaker and weaker so that I was not able to work. I took treatment from several of our doctors in the county, but somehow they couldn't do me any good; so I went to see Dr. Salm. He promised to cure me, and I dare say he kept his word, for to-day I am again stout and healthy as could be expected of any one of my age (60 years), and I find that I am in need of medical treatment from several of our doctors in the county, but somehow they couldn't do me any good; so I went to see Dr. Salm.
