LOST IN THE MOUNTAINS.

Experience of Harry Wance, on Last Saturday.

A LARGE SEARCHING PARTY.

The boy wanders over eight miles, from Aaronsburg to Brushvalley in the mountains—Exhausted and bleeding—He was bewildered.

On last Saturday evening, the good people in the vicinity of Aaronsburg, Haines township, were greatly alarmed over the possible fate of Harry H. Wance, an eight-year old son of David Wance, of that place. On Saturday morning Mr. Wance, and his son, went to the mountains north of Aaronsburg, to pick huckleberries. At noon Mr. Wance's daughter joined them and helped to pick berries. During the afternoon the boy started for home, Aaronsburg. The father thought he was with his sister, while she thought he was with the father. When they found he was missing, they concluded that he had gone home. When they came home, the little boy was still missing, and by inquiry nothing could be learned of his whereabouts. They soon became alarmed and at dusk a large party of men and boys, with torches and lanterns, formed a hunting party and left for the mountains, in the vicinity where they had been picking berries, to make a thorough search.

FOUND IN BRUSHVALLEY. Late Saturday night the little boy, after wandering about in the mountains for several hours, came out in Brushvalley at the home of Mr. John Auman. He was greatly exhausted. His clothes were torn into shreds from crawling through the brush, no hat on his head. Not wearing any shoes, his feet were cut and bleeding and he was black all over from passing over recently burned districts. When he was found, he insisted upon going home, and pointing over in direction of Rebersburg he said that was his home, and was determined to go.

He was at once taken into Mr. Auman's home, washed and dressed, then given a warm meal after which he soon fell asleep. He had given his name, and word was sent at once to the family at Aaronsburg. Mr. Wance came immediately and to his great comfort found his little son kindly cared for and in charge of hospitable people. The lad had traveled at least eight miles alone through the mountains and would soon have been exhausted.

Many of the searching party did not get home until after midnight, on account of not receiving the news of the lad's discovery, in Brushvalley.

Argument Court.

On Saturday a short session of argument court was held at which several opinions were filed.

In the case of Isaac W. Ravin vs. The Millheim Turnpike company, an application for a new trial was refused, by Judge Archibald who presided. The verdict of \$5,000 was entered. It is said that this case will likely be carried to Supreme Court.

A new trial was also refused in Centre County Banking Company vs. J. P. Gephart, endorser, in which a verdict for the defendant was given.

The hotel liquor license of Richard Bowen, of the Lloyd House, Philipsburg was transferred to Joseph Pickering, the new proprietor.

Played With Powder.

On Tuesday Albert, a 14 year old son of Christ Schrock, got badly injured from playing with powder. Albert in company with several other boys got a piece of old gas pipe at his father's blacksmith shop. They welded the ends together and bored a small touch hole in it and then filled it with powder. They took the pipe up on Logan street and Albert fired the infernal machine. A report followed that shook the buildings. The young lad was all the sadder for his fun. He was badly burned about the face from flying powder and his hand is severely lacerated. Since then he has been laid up for repairs, under the care of Dr. Hibler. The boys eyes are not injured.

A Big Day for Wheelmen.

At a meeting of the Tyrone Cycle club held on Friday evening it was decided that a five mile road race will be held Saturday, August 24, and the course selected is over the Bald Eagle road by way of Northwood. The course will be put in shape at once. The wheelmen will turn out as a whole and put their energy into the work and make the race a howling success.

The road race will be open for all class A men of the counties of Blair, Bedford, Huntingdon, Centre and Clearfield. As soon as the sanction is received from the National Racing board, the entry blanks will be mailed to the different bicycle clubs.

Musicians Picnic.

A musicians picnic will take place on the 24th of August, at Pine Grove Mills, in the Ard grove. This is an outing that is looked forward to with a considerable degree of interest by the citizens of that community, and each year it is largely attended. Musical talent is drawn there from all parts of the county. It will be in charge of Prof. John A. Weaver and it can not help but be a success.

Going to Altoona.

Dr. H. K. Hoy opened an office in Altoona this week and will take up the practice of Dr. Allen, deceased. This is simply an experiment with him and the family will continue to reside in Bellefonte. Should the new venture prove as successful as desired they would permanently locate at that place.

Sold Out.

On Monday James J. Gramley sold his grocery store, at this place, to Rush Larimer, who will continue the business at the same old stand. Mr. Gramley started in this business at the close of his term in the Treasurers office and did quite a large business.

A Prolific Stalk.

Wes. Smith pulled up a stalk of potatoes recently, which was fairly "lousy" with the grubbers. When he got through counting them he had sixty-two notches cut in his stick. Another stalk had ten remarkably fine potatoes which weighed three pounds, and they were only half grown, and very green. And he says it isn't a lie either.—Reporter.

PINE GROVE MILLS ITEMS.

Snakes Plenty—Serious illness of H. R. Smith—Lawn Fete.

Mr. H. C. Goss, one of the P. R. R. trusted employes, came into town last Friday evening from Altoona on his wheel to visit friends and relatives here. "Tumps" 200 pounds of flesh does not seem to retard the progress of his wheel in the least, as he says he did not leave Altoona till 2 o'clock p. m. and stopped at Birmingham for supper, and together with several other stop stops, arrived here about 7 o'clock that evening. Pretty good time for a "greeny," Tump.

HUCKLEBERRIES AND SNAKES—Huckleberries are plenty on our mountains, and so are snakes. We know of at least a dozen rattlesnakes and copperheads being killed in the last week. Cyrus Snook takes the lead as a snake killer, he having killed one rattler and a copperhead, and while another copperhead succeeded in getting away. Several persons had very narrow escapes from being bitten.

On Saturday, under the management of undertaker J. B. Heberling, the funeral of the aged Mrs. Markel, of Rebersburg took place at the Pine Grove cemetery. Services being conducted by Rev. Hoshour, of Bellefonte. Age of the deceased, 96 years.

H. R. SMITH, ILL.—On Saturday, the 3rd inst., we were grieved to hear of the serious illness from a paralytic stroke, of our townsman, H. R. Smith, who is visiting his son at Potters Mills. Mr. Smith has been an invalid for some time, he having been disabled by a former attack of the same disease, but was improving some, and all were shocked to hear of this his second attack. We have heard no particulars of his illness, but hope he may speedily recover and return to his pleasant home on Main St. which is now vacant, as his family at home were called to his six bed.

On the 3rd inst., Tussey Council Jr. O. U. A. M. went to Scotia, to attend a basket picnic and festival held under the auspices of the P. O. S. of A. of that place. All report having a good time and speak well of the hospitality of the people there, but they say they will object to parading two miles in sick inches of sand again.

Drs. J. E. Ward, of Bellefonte, and I. C. Ward of Chicago, Ill., spent Sunday with their father, Joseph Ward, on Main St. Both are looking exceedingly well, and to judge from their looks one would think they would live to be centenarians.

LAWN FETE.—Thursday evening one of the most noted social events of the summer took place, it being the occasion of a lawn fete, given at the residence of Mrs. Michael Hess, of near Shingletown. Although not having the pleasure of being there, the eighty persons who were, all speak of the generous hospitality of the host and hostess and their family.

J. B. Ard and wife, with their little son, were visiting friends in Northumberland Co. the greater part of last week. Joe says there are many other pleasant places in this big world "but give me Pine Grove" he says.

Our Junior base ball club was disappointed last Saturday. They were to play the State College Juniors, but the later did not make their appearance. They know that Lemont is too much for them.

If you want anything in the line of cigars, tobacco or soda water, call at C. A. Everett's drug store, on Main street. You will find it the place to go. Charley and his wife are very entertaining, and will sell you nothing but the best.
