Last Saturday afternoon, 3rd, a cross boar strayed into the barn yard on the Samuel Bruss farm, Centre Hall, tenanted by John Yearick, and attacked a two-year-old child of Mr. Yearick's, severely biting and bruising the child. Mrs. Yearick, hearing the screams of the little boy, quickly ran out and found the boar dragging the child around the barn yard shaking it and having its tusks sunk in the flesh of the little fellow's side. Mrs. Yearick got a dung fork from the stable and by sinking the tines into its side made the boar drop the child. She picked up the child and started for the house with the boar still following her, but kept back by the dung fork.

Hugg, of Milesburg, upon the Pennsylvania bank, at Centre Hall, on July 31st. Mr. Hugg made information before Justice Keichline of the above facts and it was upon his direction that the arrest was made by Policeman Montgomery. Friday, 16th of this week, was fixed for the hearing. Bail in the amount of \$500 was secured in the person of A. Kohlbecker. Mr. Stonerode protests his innocence and seems unconcerned of the result. On Saturday he was in town and threatened to prosecute the Daily News and Gazette for connecting him, by intimation, with the forgery of this check. On the other hand the prosecution are quite confident of having found the right party. Mr. Stonerode does not enjoy the best reputation in this line, and it may be to his detriment. SPRING MILLS ITEMS.

All the Important News—A Bad Accident. Two Ladies Injured.

GROSS CARELESSNESS.—Last Friday evening, while on their way home from the store, Mrs. J. C. McClintic and Miss Kate Frederick, from Farmers Mills, had quite an accident at the iron bridge, near the railroad crossing. Their horse took fright at a traction engine and thrasher left standing in the road by G. W. Vonada, while he and his men went for supper. Michael Shires went to assist the ladies by trying to lead the horse past, but it became frightened and unmanageable. It threw him into the creek and the buggy was upset. The single-tree broke and the horse run off, at full speed, up the creek. The ladies were picked up unconscious and carried into Mr. Shire's house. A physician was summoned at once. Mrs. McClintic did not regain consciousness for an hour and was not able to be taken home until the next day. There should be a law against such carelessness.

SABBATH DISCRIMINATORS.—A party of young men, by no means gentlemen, drove through town on Sunday afternoon singing "By, Baby, By O," at the top of their voices. Better stay at home and learn a little common sense, than to disturb a worshiping congregation.

ARM BROKEN.—Robert VanValzah, son of Dr. VanValzah, while wrestling, was thrown down and had his arm broken. He is now nursing it in a sling.

AT CAMPMEETING.—A party of six, from Coburn, went to Middleburg camp meeting Sunday morning. They report having a pleasant time. Coming home from camp they had to stop at Woodward till Monday morning; they had to take their cycles in to keep them from getting a soaking. We suppose a person could have played checkers on their coat tail. Go it while you are young, boys.

A DRY AFFAIR.—A crowd of young people from Coburn and Woodward started early last Saturday morning for Centre Hall picnic, with intent of having a good time. They had the colors flying. They took in the sights and returned home in the evening. We asked them how it was, they remarked it was a dry and warm affair. Boys, how is Wesley's ice cream.

See what we have and the way we sell it. You can't loose—you are sure to profit by a visit.

Watch us—we are strictly in it this Fall.

Effects of Chewing Gum.

And now it is said that a young woman of Milesburg has a cancer on her tongue in consequence of chewing gum. She chewed a gum that could be drawn out of the mouth and let snap back, and the constant snapping produced a curable cancer. This is a cold, cruel world, in which boys cannot in safety smoke cigarettes nor girls chew gum.

Garman's.

Copco soap, made by the Fairbanks Gold Dust people; its a toilet soap, almost as large as a cake of washing soap, and at the remarkably low price of 5c.

Have you heard of the full pound bar of Oline at 4c. Call and examine it. One trial will convince you that it is the best soap on the market for the price.

Our low priced lawns, 1,200 yards more received lately. You can only tell they are low priced by the mark, not by examination. They look as well made up as goods that cost double.

A big crate of Bamboo book shelves; shelves of oak with brass trimmings.

Plain Red Duck—Red Duck with a small dot and all the leading shades in that fabric.
