

CHERRING FOR QUAY.

The Result of Philadelphia's Republican Primary Elections.

THE SENATOR'S VICTORY ASSURED

In His Contest for the Chairmanship of the Pennsylvania Republican State Committee—Eighteen Sure Delegates from Philadelphia, and Two Contests on Hand.

PHILADELPHIA, Aug. 21.—The Republican primaries to select seventy delegates to the state convention, and also to choose candidates for various city offices, were held last night. The indications are that the Quay faction elected eighteen delegates sure, and possibly twenty-two, with one or two districts still in doubt. The anti Quay people concede the senator sixteen votes.

The polls were open from 6 to 8 p. m., and the scenes around the various polling places in districts in which there were contests recalled an exciting presidential election. Never before in the history of the Republican party in this city has there been such an exciting fight in the primaries. In many wards very near the full Republican vote was polled.

The result was in some respects a surprise to Senator Quay himself, who did not expect to overcome the influence that would be brought to bear against him in certain districts. The thirty-seven wards of the city are grouped into twenty-eight legislative districts, and those elected from one to seven delegates each. The hottest fights were in the Fifteenth ward, in which Mayor Warwick resides, and the West Philadelphia wards, the Twenty-fourth and the Thirty-fourth. In the former the mayor was badly beaten, the Quay forces, headed by Alexander Crow, Jr., carrying twenty-seven out of forty-three divisions, with contests in two. In West Philadelphia Senator Quay will have twenty-two delegates from this city, notwithstanding the fact that David Martin, the anti Quay leader in this city, took personal charge of the fight during the past week. These two districts elected seven Quay delegates.

The Second, Third, Fourth, Fifth, Seventh, Eighth, Thirteenth, Twenty-Seventh and Thirtieth wards also elected eleven Quay delegates, making a sure total of eighteen. In the Fifth ward, the anti-Quay leaders changed the polling place in a majority of the divisions, and the result was that double primaries were held. Both sides claim the one delegate from this ward, but the anti-Quay man was given the credentials, and his opponent filed notice of contest.

The result in the First ward, where four delegates are to be elected, is in doubt. The Quay people claim to have carried twenty-seven out of fifty-two divisions, with seven in doubt. If this version of the result is verified Quay will have twenty-two delegates from this city. The Quays also claim that the Twenty-second, Twenty-third and Thirty-fifth wards, electing five delegates, are in doubt.

Last night's contest practically closes the fight in the state, Lehigh being the only remaining county to elect delegates. It appears almost certain that Senator Quay has won his fight for the state chairmanship, with some votes to spare. A conservative estimate gives him 160 votes in the state, fifteen more than the number necessary to elect.

The senator last night occupied the suite of rooms in the Metropole hotel, and a constant stream of visitors passed in and out, congratulating him upon his victory. He declined to be interviewed, saying that he would not speak for publication until after the convention, which meets at Harrisburg on Aug. 23. He was elated at the result of last night's primaries, and replied good naturedly to the compliments that were showered upon him. The most attracted to the city politicians of all degrees from all over the state. These crowded the headquarters of the two factions and eagerly watched the returns.

Senator Penrose, who, more than any one else, precipitated the fight, carried his ward, the Eighth, by a vote of thirteen to three, and will go to the convention as a delegate.

John Russell Young ran as a Quay delegate in the Ninth ward. This ward is presided over by Sheriff Clement, who did not permit Mr. Young to carry a single division.

It was stated at the Quay headquarters today that two of the four delegates from Northampton county and one from Clearfield county have deserted the anti-Quay candidate for state chairman, B. F. Gilkeson.

The following candidates for city offices were chosen at today's conventions: For district attorney, George S. Graham; coroner, Samuel H. Ashbridge; city controller, John M. Walton; clerk of quarter sessions, William B. Abery; recorder of deeds, William M. Geary. All of the candidates are present incumbents except Mr. Geary.

Five Men Suffocated.

MARAFFEY, Pa., Aug. 19.—Five men were overcome and died from the effects of inhaling carbonic acid gas, and ten others were affected by the deadly fumes at the big cut at McGee's, on the line of the Pittsburgh and Eastern road. The dead are: William Stevens, running steam shovel, married, aged 30 years, Philadelphia; William Buck, aged 40 years, married, craneman, Nunda, Livingston county, N. Y.; James Quinn, aged 34 years, married, assistant foreman, Mifflin, Pa.; Charles Hartry, aged 35 years, single, Larimer, Pa.; Antonio Keyser, Hungary.

Seven Pleasure Seekers Drowned.

OCEAN CITY, Md., Aug. 19.—Seven persons, among them four Philadelphians, were drowned yesterday by the upsetting of a boat on the Isle of Wight bay, seven miles north of this place. The dead are: William H. Storrs, of Philadelphia; Mrs. Laura Storrs, his wife; Ida May Storrs, aged 14 years, and Eva Storrs, aged 11, their daughters; Myrtle Stevens, aged 16; Lina Hall, aged 19; Lulu Hall, aged 14.

Probably a Double Drowning.

BURLINGTON, N. J., Aug. 21.—Mrs. Annie Wright and Mrs. Julia Giberson, young married women of this place, have disappeared. They went rowing on the Delaware last Friday, and have not since been seen. Their boat was found floating near Bristol. Both were well supplied with money.

Physician Drowned While Bathing.

CAPE MAY COURT HOUSE, Aug. 21.—Dr. James W. H. Walker, a prominent Philadelphia, was drowned at Wildwood yesterday. He was on his vacation, having come to the seashore on Monday. Dr. Walker was in bathing and was carried out by the undertow.

EIGHT WORKMEN KILLED

And Three Fatally Injured by Explosion at the Carnegie's Braddock Plant. PITTSBURGH, Aug. 21.—Furnace "H" of the Edgar Thomson Steel works (Carnegie's plant), at Bessemer, near Braddock, Pa., exploded between 4 and 5 o'clock in the morning, instantly killing six men and badly burning eight others, not one of those employed about the furnace escaping. Of the injured two died on the way to the hospital.

The dead are: Michael Kapinos, aged 30, married; Andrew Drobnak, aged 35, married; John Prokopovic, aged 45, leaves a widow and three children; Stefan Havrila, aged 32, single; John Mika, aged 29, married; John Gregow, aged 27, married; Joseph Czap, aged 21, single.

Of the injured it is now thought that three will die. Their names are: John Warba, inhaled the flames, married, two children; John Skonda, married; Mike Jura, married. These men are frightfully burned. The victims of the accident were all foreigners, mostly Poles and Hungarians.

A large barrow loaded with raw iron ore had fallen through the huge bell on the top of the furnace stack. Fourteen men were engaged in an effort to remove the barrow from the bell, so that it could be closed. While thus engaged the explosion occurred, and not one of the men escaped either death or injury. Work in every department of the huge plant was temporarily abandoned, and all efforts exerted to the rescue of the horribly mangled victims, who had been hurled in all directions by the terrific upheaval, which closely resembled a volcanic eruption of gigantic proportions.

SEVEN MEN WERE DROWNED

By the Upsetting of a Small Pleasure Yacht Near Buffalo.

BUFFALO, Aug. 21.—By the capsizing of the small pleasure yacht Rung Brothers last evening seven men of the thirteen on board were drowned. That there was not a greater loss of life is due to the nearness of the tug E. C. Maytham and the quickness of two of the life saving crew in getting to the scene.

Frank Bugmann, married; Jacob Baumann, leaves a wife and three children; Henry Schindler, married; Thomas F. Cannon, single; Charles Fischer; fireman, name unknown, and an unknown passenger.

The members of the party were employees of the East Buffalo live stock yards. A strong wind was blowing, which made a heavy sea, and as the yacht was entering the harbor a heavy sea overtook her, completely engulfing boat and all on board. Most of the life preservers were loose and easily grabbed by those who had the opportunity or the presence of mind to do so. The skylight over the engine was floated off as the boat sank, and this was seized by some of the men. Two men grabbed one life preserver and went down.

The tug Maytham rescued four of the men, and two members of the life saving service succeeded in saving two others.

LONDON, Aug. 20.—A dispatch from Hamburg says that the steamer Concordia ran down the motor boat Beckman near Falkenthal, on the Elbe river, and that seventeen persons were drowned. Of eight members of a family named Laaki who were on board the motor boat only Fran Laaki was saved.

No Bull Fight at Atlanta.

ATLANTA, Aug. 21.—The bull fight which has been so extensively advertised to take place in connection with the Cotton States and International exposition will not come off. The proposed exhibition has never had any connection with the exhibition itself, being merely a side show intended to be presented in the Midway. The directors of the exposition have discovered, however, that the proposed fight has become confounded in the public mind with the exposition proper, and for this reason decided to withdraw from the concessionaires of the Mexican village the right to present the proposed fight.

Japan's Great Storm.

SAN FRANCISCO, Aug. 17.—Reports have been received here to the effect that Japan had been visited by a terrible storm on the 24th and 25th of July. The hurricane swept across Kiushu, passed along the shores of the island sea, crossed over the central districts of the mainland and emerged into the Pacific ocean. The catastrophe was followed by a heavy rain-storm, inundations added their devastating effects to the havoc wrought by the wind. It is calculated that over a thousand people were killed or drowned.

"Got the Drop" on a Terror.

EL PASO, Tex., Aug. 21.—John Wester Hardin, the terror of the border, was shot and killed in the Acme saloon, in this city, by Constable John Sellman. Sellman's son, who is on the police force, arrested a female friend of Hardin's a few days ago, and Hardin threatened to run Sellman out of town. While Sellman was standing at the bar of the saloon, Hardin entered and attempted to draw his pistol. In an instant Sellman sent a bullet crashing through Hardin's brain. Sellman surrendered.

The St. Louis a Complete Success.

SOUTHAMPTON, Aug. 21.—The speed trials of the American line steamer St. Louis over a measured course in the English channel were a complete success. The course was from Portland Bill to Start Point and back, which is a distance of 104 knots. The time in which the course was covered was three 41 mins. 1 sec., which gives a mean speed of 23.3 knots. The trial was made to ascertain whether the steamship comes up to the requirement under the contract for carrying the mails.

Four Sailors Held for Murder.

PHILADELPHIA, Aug. 21.—James Carberry, James White, John Dooley and James Ford, seamen of the steamer Earnwood, were arrested last evening on suspicion of having been concerned in the death of Charles McLaughlin, a sailor, whose body was found in the Delaware river last Friday, the skull having been fractured. The men were seen quarreling before McLaughlin's disappearance.

Destructive Hailstorm in Kansas.

NEWTON, Kan., Aug. 20.—A destructive hailstorm passed over Harver county last evening, doing immense damage to the crops. Sugar cane is ruined, and fruits of all kinds, especially peaches, which are now ripening, will be a total loss. Corn, which promised the biggest yield in a decade, will probably yield only half a crop.

Cruel Turkish Tax Collectors.

CONSTANTINOPLE, Aug. 21.—The collection of the arrears of taxes in the Mooch district is accompanied with deeds of revolting cruelty. The Armenians liberated under the amnesty have been re-arrested on trumped up charges.

Palpitation of the Heart Shortness of Breath, Swelling of Legs and Feet.

"For about four years I was troubled with palpitation of the heart, shortness of breath and swelling of the legs and feet. At times I would faint. I was treated by the best physicians in Savannah, Ga., with no relief. I then tried various Springs without benefit. Finally, I tried Dr. Miles' Heart Cure also his Nerve and Liver Pills. After beginning to take them I felt better. I continued taking them and I am now in better health than for many years. Since my recovery I have gained fifty pounds in weight. I hope this statement may be of value to some poor sufferer."

BUILDERS' SUPPLIES.

STONE for building purposes, furnished at our quarry or delivered to Bellefonte and vicinity, well as loaded on the cars of the Bellefonte Central and Penna. Railroads, as customers may require.

FLAG STONES.

manufactured from the very best quality of Blue Stone, the strongest and most durable stones for the purpose of the various sizes and thickness, ranging from one inch to six inches in thickness or more, to meet the wants of customers for street crossings, pavements and other walks, as well as window sills, lintels, door sills, steps and curb stones, dressed to order, will be furnished at short notice for low prices of quality of stone considered. After a thorough examination of the flag, paving and other dressed stones, which we propose to add to our already extensive line of Builders' Supplies, we can assure our patrons, that they are the best quality of stone for the purpose, ever offered for sale in this community.

BRICK for building, brick for paving

side-walks and streets, as well as fire brick of every description will be furnished in quantities, as well as a limited stock on hand at our Yard Warehouses.

SAND of the very best quality for building purposes.

we make a specialty of Mt. Eagle sand for building purposes, on the principle that the best is the cheapest. We also furnish Mine Bank Sand, washed, for building purposes.

LIME for building purposes, of our own make.

CALCINED PLASTER and hair for plasterers' use.

PATENT WALL PLASTER.

We are agents for the sale of the Paragon Patent Wall Plaster, which has proven by actual experience to be the best wall plaster now offered for sale in this community. After mixing it with water, it is ready for use.

ALUMINITE CEMENT PLASTER.

This is a natural product which comes from the far west, and has the advantage of requiring two parts of sand to one of cement; it is easily mixed and makes an excellent wall plaster for less money than the average patent wall plaster cost. The advantages in the use of these plasters is that they can be put on the wall immediately after mixing—the old mortar of lime and sand, after mixing, requires from six to six weeks in the mortar bed "to season" before using; if put on sooner, it does not make a good job—hence the advantage of the patent wall plasters for immediate use.

HYDRAULIC CEMENTS.

We sell the Cumberland and Fotoman, one of the very best standard cements produced in this country; also the Hoffman Brand of the Rosendale Cements, which has the highest reputation for good quality. We also keep a small stock of English Portland Cement for special use, which comes to us highly recommended as of the best quality. With these facts in our favor, we invite the patronage of those in want, with the full confidence that we furnish the best articles for the least money. A share of public patronage is solicited.
