HOOD'S SAVED MY LIFE

"For years I was in a very serious condition with catarrh of the stomach, bowels and bladder. I suffered intensely from dyspepsia, and in fact was a miserable wreck, merely a skeleton. I seemed to go from bad to worse. I really wished I was dead. I had no rest day or night. I did not know what to do. I had taken so much medicine of the wrong kind that it had poisoned me, and my finger nails began to turn black and come off. I began to take Hood's Sarsaparilla. I had faith in the medicine, and it did more for me than all prescriptions. I have gradually regained perfect health, am entirely free from catarrh of the bowels, and pain in my back. My recovery is simply marvelous." W. R. YOUNG, Potter's Mills, Pa.
