LEMONT HAPPENINGS.

COLD SNAP—On Sunday morning it was cold enough for a frost.

AFTER SQUIRRELS—Monday morning it sounded as though there was a battle near, from the way the hunters were shooting squirrels. They must be plenty.

FRUIT PLENTY—Last week the people about here lived on watermelons. A car-load of melons, cantaloupes, peaches and sweet potatoes came here.

Mr. Miller, from one of our western counties, took a large drove of cattle through our section on Monday.

AN ATTRACTION—Miss Rachel Scanlon and Miss Mary Gross, both of Axemann, were visiting at Mr. James Ray's. There seems to be some attraction here for these young ladies.

A number of our young men and their best girls, drove over to Buffalo Run to Mrs. William Glens, where they had a social dance.

Wonder what made Robert H. look so down-hearted on Sunday evening, but we found out that he did not walk to Houersville.

CLOSE CALL—On last Saturday James Peters met with an accident which might have proved fatal. He was out in the field working with a team, when Peter Soues led his horse past. His horse kicked at the other horses and hit James on the left arm, and the other just passed his face, so close as to scratch it.

Every person come out to the Union Christian Endeavor Anniversary, next Sunday evening.

ROMOLA RUMBLINGS.

H. P. Robb made a business trip to Northumberland Co., last week.

LONG STAY—L. C. Packer is taking a stay in Pennsylvania. His father says he went to see his best girl. He has been there three weeks. That isn't long is it Dick?

Hon. Jno. A. Daley has the brag corn in this section.

Miss Elsie Kline, of Howard, spent Sunday at the home of her aunt, Mrs. H. S. DeLong of this place.

TEACHERS LEFT—D. M. Packer and brother J. I. have gone away to begin their schools. The former is principal of the Fourth Ward school of Lock Haven, and J. I. teaches Gorton school in Snow Shoe twp. Success boys.

LARGE POTATO—C. F. Robb raised a potato which weighs 1 lb. 8 oz. and Roy DeLong brought a tomato from his garden weighing 1 lb. 15 oz. Beat that, if you can.

Misses Blanche and Effie Wensel, and Nina Fisher, of Lock Haven, returned home last week to continue their course at the Normal.

Messrs Rufus Johnson, of Beech Creek, and Ira McCoy, of Jersey Shore, called on two of our young ladies last Saturday evening. Come again gentlemen.

Miss Carrie C. DeLong has returned home from Slate Run after an absence of three months. Miss DeLong is an accomplished young lady, and we are glad to have her with us again.

Messrs R. C. Daley and brother Chas. attended the I. O. O. F. festival held at Eagleville, last Saturday evening. When they left Romola, R. C. wished every one the "top of the evening" and rode gaily on to his brothers favorite town "The Fatal Wedding."

Nittany Nubbins.

ANGEROUSLY CLOSE—During the storm last Saturday lightning struck a tree standing near Shaffer's store at the rear. Messrs. Wm. Shaffer and Wm. Zimmerman were busily engaged in the store cleaning their guns in order to give the squirrels a reception on Monday. They had their ammunition lying beside them. The bolt was a heavy one and the door being open it appeared as though the flash passed through the room. Both, at least, were partly stunned or dumfounded, or frightened out of their wits. They looked at one another for about two minutes but neither could speak. Finally Zimmerman recovered his equilibrium and he faintly gasped: "Good Bill! Wasn't that close?" He agreed it was. Their department of late has been more consistent.

GONE TO MILTON—R. J. Snyder, Elwood and H. G. Winkelman are attending the Milton fair this week. They may buy the concern and move it up.

H. G. Rogers and wife, of Loganot, spent Sunday at Mr. John Roger's home. Two of H. C. Snavely's daughters, living in York county, are paying their father a visit.

AN OUTRAGE—The verdict against the poor overseers, of Walker township, was an imposition and an outrage. That is the opinion of all good citizens in this community.

On Saturday evening Rev. W. K. Diehl delivered an unusually able sermon in the Lutheran church at Snydertown. The topic of his discourse was upon christian duty and responsibility. Rev. Diehl is an able sermonizer and always interests his congregations.

BOALSBURG TOPICS.

MARRIAGE—Rev. Black, of the Reformed church, announced on Sunday that the marriage of F. S. Ishler and Ellen Mayes, both of this place, would be solemnized in that church on Thursday evening, September 5th. All are invited to the church to witness the ceremony. He also announced that the annual harvest home services would be held in two weeks in the morning.

CIDER PLENTY—Alfred Osman is quite busy making cider. He has an excellent press and always finds plenty to do. There are more apples in this section than most people expected.

IMPRESSION—Miss May Gilbert left for her home in Milton. She made quite a visit to our town and we think made some impression on several young men, but they were afraid of our worthy druggist.

Miss Lane, of Duncannon, is visiting at the home of Rev. Lesler.

MOORE'S NOSE—C. D. Moore purchased a bicycle the other day and, of course, he wished very much to take a ride. He went to work and about the

time he thought he was doing it just right Mr. wheel kicked up behind and the next thing he knew he was doing a right good job of plowing along the road in a sand bank. He came out without any bones broken, but he said "Look at my nose." Don't become discouraged; that is just one tumble and you will learn by and by.

Mrs. Andrew Kreamer, of Altoona, is visiting at the home of her father, I. J. Condo. T. O. C.

WALKER EVENTS.

Mrs. Hewitt, of Riverside, California, and Miss Jennie McCalmont, of Bellefonte, were here on Sunday and attended services in the Presbyterian church. Her two daughters accompanied her. Mrs. Hewitt, nee Hutchinson, was formerly of this place.

Miss Gertie Irvin, who had been spending the summer with friends in Union county, returned home on Saturday. Sam Bennisson and Dick Holmes, representatives of Hastings Hog Combine, attended the butchering at Harrisburg last week, in which they were master of ceremonies. Bennisson has very little to say since he came back and Holmes prefers to be let alone.

Miss Annie Strunk, one of Bellefonte's charming young Misses is visiting at the home of her brother Harry Strunk, of this place.

Miss Allison, of Mayesville, Kentucky, was visiting here the past week.

Miss Ross, of Altoona is visiting Miss Kate Kling.

The Heverly-Beck wedding was a joyous affair. From Bellefonte, Lock Haven and adjacent communities guests to the number of almost two hundred assembled at the home of Mr. and Mrs. Beck near Walker, the bride's parents. The happy event occurred on the lawn. Many handsome presents were received, James Heverly the groom of Howard, is a young man of promise, and deserving of such a fair bride.

Harry Strunk is rejoicing since he is the father of a bouncing son. The chap though will not be able to do any injury to the democratic party for at least twenty one years.

BUILDERS' SUPPLIES.
STONE for building purposes, furnished at our quarry or delivered in Bellefonte and vicinity, cheaply well loaded on the cars of the Bellefonte Central and Penna. Railroads, as customers may require.

FLAG STONES, manufactured from the very best quality of Blue Stone, the strongest and most durable stones for the purpose of the various sizes and thickness, ranging from one inch to six inches in thickness or more, to meet the wants of customers for street crossings, pavements and other walks, as well as window sills, lintels, sills, door steps and curb stones, dressed to order, will be furnished at short notice for low prices. The quality of stone considered. After thorough examination of the Flag, Paving and other dressed stones, which we propose to add to our already extensive line of Builders' Supplies, we can assure our patrons, that they are the best quality of stone for the purpose, ever offered for sale in this community.

BRICK for building, brick for paving sidewalks and streets, as well as fire brick of every description will be furnished on short notice. We carry a limited stock on hand at our Yard Warehouses.

SAND of the very best quality for building purposes. We also have a specialty of Mt. Eagle sand for building purposes, on the principle that the best is the cheapest. We also furnish Mine Bank Sand, washed, for building purposes.

LIME for building purposes, of our own make.

CALCINED PLASTER and hair for plasterers' use.

PATENT WALL PLASTER. We are agents for the sale of the Paragon Patent Wall Plaster, which has proven by actual experience to be the best wall plaster now offered for sale in this community. After mixing it with water, it is ready for use.

ALUMINITE CEMENT PLASTER. This is a natural product which comes from the far west, and has the advantage of requiring two parts of sand to one of cement; it is easily mixed and makes an excellent wall plaster for less money than the average patent wall plaster cost. The advantages in the use of these plasters is that they can be put on the wall immediately after mixing—the old mortar of lime and sand, after mixing, requires from four to six weeks in the mortar bed "to season" before using; if put on sooner, it does not make a good job—money, share of public patronage is solicited.

HYDRAULIC CEMENTS. We sell the Cumberland and Portland cements produced in this country; also the Hoffman Brand of the Rosendale cements, which has the highest reputation for good quality. We also keep a small stock of English Portland Cement. We invite the patronage of those in want, with the full confidence that we furnish the best articles for the money. Shares of public patronage is solicited.
