LOCAL DEPARTMENT.

—Field's Minstrels are coming.

—Last Saturday was a splendid business day with our merchants.

—A cool breeze set in Tuesday that made heavier clothing necessary.

—On Monday evening an impromptu dance was held in the Arcade by the young people.

—Chestnuts are not very plenty this season. They are rather small and many are wormy.

—Coms. James B. Strohm has been drawn as a juror to the United States Circuit court at Pittsburg.

—The Grand United Order of Odd Fellows tendered Rev. H. A. Grant an elaborate donation on Monday evening.

—John Furst, who has a position at Williamsport with the Standard Oil company, spent Sunday at home, Bellefonte.

—Save the scholarship coupons in each issue of this paper—you may want to vote for some one—costs nothing to vote.

—Mr. and Mrs. Charles Noll, of Clearfield, attended the silver wedding anniversary of Mr. Noll's parents on Saturday.

—The typhoid fever continues to hold a number of victims in its grasp at Coleville. A thorough cleaning is what that section most needs.

—The State College boys are exceedingly well pleased over their game with Cornell on Saturday. The score was 0 to 0. Something unusual.

—Fields' "Darkest America" at the opera house next Wednesday evening. Something new in the line of minstrel entertainments.

—The street parade of Al. G. Fields Refined Minstrel is worth going miles to see. It will be the only big minstrel show this season, as far as known.

—Next Monday the special term of court will begin. Judge Archbald will preside. A number of important cases have been placed on the trial list.

—Mr. E. G. Vanpelt, of Centre Hall, was in town on Tuesday and could not resist the temptation of assisting in putting up our new folder. He is an expert machinist.

—Lovers of good music and genuine minstrelry should not fail to attend Al. G. Fields' latest success, "Darkest America," at the opera house next Wednesday evening, October 16th.

—Prof. Warren Krise, accompanied by wife and child, passed through Bellefonte on Tuesday for Gazzam, where he has been employed for a number of years as principal of the public schools.

—The severe roasting that Manager Thompson, of State College, received last week from the Bellefonte papers was deserved by him, if reports are correct.

—Rev. H. A. Grant, of the A. M. E. church, left on Wednesday for Wilkesbarre to attend the annual conference of that church. It is the desire of his congregation that he return again to Bellefonte.

—On October 31st an entertainment will be given by Mr. and Mrs. G. G. Bennet, upon "Picturesque America" consisting of views and explanatory remarks of interesting portions of our own country. It is highly recommended.

—Mr. and Mrs. T. H. Harter spent part of last week fishing for bass at Shamokin Dam. It would be rather embarrassing to say anything about their luck. Tom is determined to try his chances again this week.

—Rev. Dr. Laurie, of this place, will be the candidate of the Huntingdon Presbytery for moderator of the Pennsylvania Presbyterian synod to convene at Butler on October 17.

—G. R. Williams, of Port Matilda, was a pleasant caller on Tuesday. Mr. Williams is one of the staunch democrats of that section. He is mentioned as a probable candidate for county commissioner in the near future.

—Friday morning the three-month old child of Michael Ward, on Logan street, died after a lingering illness. This is the second death in this family within the last two weeks, the mother of the child dying a few days ago.

—Mr. Morris W. Cowdick has secured a large contract for building furnaces at Towanda, N. Y., and will have employment for over forty bricklayers during winter. There is a great deal of building in that section and plenty of employment.

**They Paid Up.**

A U. S. revenue inspector a week or so ago made a trip through Penns and Brush valleys, inspecting the stock of dealers who sold soft drinks. In Brush valley a number of dealers were compelled to pay over \$30, along with half the amount of the sales for selling ambrosia, which, while not under the head of intoxicating liquors, should be, as a couple glasses will make a man feel his oats. It is a product of stale beer and contains nearly as much alcohol as lager beer. The inspector found a number of dealers handling the goods in Rebersburg, Madisonburg and Peinus Cave and compelled them to come down with the \$30.—Reporter.

**An Outing.**

On Friday a large party, consisting of Mr. and Mrs. C. M. Bower, B. C. Achenbach and wife, A. C. Mingle and wife, Frank Naginey and wife, Mr. and Mrs. Boyd Krumrine, W. G. Runkle, Mrs. Shadle, Messrs. Trombe and Wetzel, Miss Ida Gerberich and Mr. and Mrs. J. Will Conley, went by private conveyances to Snow Shoe to gather chestnuts and spend the day in the mountains. At Snow Shoe John G. Uzzle took the party in charge and showed them the sights. The principle attraction being the deer park.

**Trying to Save the Trout.**

The continued dry weather has had the effect of making all the streams in the county very low and some of them are about dry. This is the case with Fishing creek in Sugar Valley near its head. There is now only water in the deep holes, and the residents of the valley have placed the trout in these deep places to keep them alive. Fishing creek was fully as low five years ago as it is now, and the trout were cared for at that time in a similar manner.

**Y. M. C. A. Officers Elected.**

The annual meeting and election of officers of the Bellefonte Young Men's Christian Association was held last Friday evening. The result is as follows: President, J. W. Gephart; vice president, G. R. Meek; secretary, J. P. Smith; treasurer, C. F. Cook; executive committee, Dr. R. G. H. Hayes, J. R. Hughes, W. H. Musser, C. Dale, B. C. Achenbach, L. C. Wetzel, N. S. Bailey and W. S. Zellers.

**Died on Saturday.**

On Saturday evening at 6 o'clock Miss Annie Tutt, aged 26 years, daughter of Thomas Tutt, died at her home on Beaver street. Miss Tutt had been ailing for a long time. The interment was made at Potters Mills on Tuesday.

Mrs. Tutt, mother of Thomas Tutt, who lives on Reynolds avenue, received a stroke of paralysis on Sunday which has rendered her quite helpless.

**County Fair.**

Sentiment in this section is increasing for a county fair. Our merchants and business men are in favor of it; the farmers from all sections of the county would favor it. There is no reason why it could not be made a success. If one or two good energetic men take hold of the move the community will stand by them.

**Wedding at Potters Mills.**

A very pretty wedding was solemnized at Potters Mills on Wednesday evening, of last week, by which Rev. A. D. Potts, of Pleasant Unity, Westmoreland county, was married to Miss Agnes McCoy, daughter of Alexander McCoy. The ceremony was performed by Rev. Wilson, of Potters Mills, assisted by Rev. A. L. Yount, of Greensburg.

**Silver Wedding.**

Last Saturday evening a silver wedding anniversary was held at the home Mr. and Mrs. John Noll on Allegheny street. It was confined to relatives and a few immediate friends. A delegation from the Masonic order called during the evening to congratulate Mr. and Mrs. Noll upon this happy event.

**New Game Laws.**

A revision of the game laws fixes the season for killing book agents from September 1st to August 31st; scandal-mongers may be shot at any time, and the "open season" for hunting beginners on the cornet is from January 1 to December 31.

**Drill to start this week.**

The derrick and other machinery for drilling the second well of the Salt Lick gas and oil company is being erected, and it is expected that everything will be in readiness for starting the drill this week. The remaining shares of stock are being taken very fast now.

**Gone to California.**

Henry Doozer, of Centre Hall, left on Monday of last week for Los Angeles, California. His health for some time has not been of the best, being troubled with his lungs, and goes to the Pacific coast with the hopes of regaining his former health.

**A New Station.**

The Central Railroad of Pennsylvania is building a fine station at Cedar Springs which will be greatly appreciated. The building is one of the neatest and most inviting on the line.

—While unloading a barrel of cider the other day, Frank Tate, employed by Harrison Kline in Spring township, had his leg badly hurt by the barrel falling upon it.

**Will ask for an Advance.**

The miners' convention, which met in Phillipsburg last week, was attended by about 100 delegates from the various soft coal regions. It was decided to make a demand on all operators in the Northern and Central Pennsylvania districts for five cents a ton advance, to take effect Oct. 1, 1895. The following notice has been sent to the operators:

"PHILIPSBURG, PA., OCT. 2, 1895.

At a meeting of the Northern and Central Pennsylvania miners, it was decided to demand an advance of five cents a ton, and all other labor about the mines in proportion, to take effect Oct. 1. Please give us your answer to this demand by the 10th inst., when we will take further action."

**Decreed by Supreme Court.**

Among the decisions handed down by the Supreme court in Pittsburg were the following:

Bald Eagle Valley Railroad company vs. Nittany Valley Railroad company Centre, decree reversed and special decree made.

Colins vs. Bellefonte Central Railroad company, Centre, reversed.

It will be remembered these cases were tried in the Centre county courts some time ago, after which they were taken to the Supreme court.

**Announcement.**

Owing to the absence from town Rev. R. L. Gerhart, D. D., pastor of St. John's Reformed church, there will be no catechetical class on next Saturday afternoon, as previously announced. Dr. Gerhart has been called from town by business before the Pittsburg synod. Services on Sunday in St. John's church morning and evening as announced. Harvest-Home services at Zion, in the afternoon at 2 o'clock.

**Rhoads—Petrickin.**

Cards announcing the approaching marriage of Miss Margaret M. Petrickin, daughter of the late Hon. R. Bruce Petrickin, of Huntingdon, and Mr. Joseph J. Rhoads, of Bellefonte, have been issued. The event will take place on Thursday of this week. They will make their future home at Burlington, N. J., where Mr. Rhoads is employed as a railroad supervisor.

**Plant Nut Trees.**

There is rough land on almost all our farms where it would pay better to plant nuts, both for the timber and for the nuts than anything else. A large farm with these trees set on the roadside, perhaps thirty feet from the centre of the road and twenty feet apart, would sell enough nuts annually to pay the tax and leave a surplus for each picker sufficient to pay for the picking.

**Big Sucker.**

Last week William Mills caught a sucker in Spring Creek that measured over 18 inches. It was captured near Criders' lumber yard. Eighteen inches is large for a sucker that has scales on its back and lives in the water. Larger suckers can be caught almost any day sporting on the streets of Bellefonte. They neither have scales on their backs or money in their pockets.

**Death of Mrs. Edward Poorman.**

Mrs. Edward Poorman, of Coleville, after an illness of several weeks with typhoid fever, died on Wednesday Oct. 2nd. She leaves a husband and four children, among them a pair of twins, to mourn their loss. Her age was 26 years. The interment took place Friday.

**Dry Weather.**

From all sections of the county come the reports of low streams and dry wells. We have had a few dashing rains of late but not enough to saturate the earth. This dry spell will not affect any of the crops, although it may keep the wheat fields from attaining a rank growth before winter sets in.

**Handsome Store.**

C. M. Prish moved his drug store into his new room in the Pruner Block during the past week. The new furniture and surroundings make it one of the finest business places in Bellefonte. Mr. Prish is a careful druggist and has a well established trade.

**New Firm at Lamar.**

The R. Loveland store at Lamar has been purchased by G. M. Raup & Son, and was transferred to them last Friday. Messrs. Raup & Son are well known to the citizens of that section of the county, having formerly been engaged in the lumber business.

**Farm for Sale.**

On Saturday, October 26th, 1895, at 1 p. m., a fine farm, part of the estate of Peter Hoy, deceased, located near the Shiloh church, in College township, will be offered at public sale. It contains 155 acres and is an excellent property.

**Coming Home.**

W. F. Jordan and family, of Chicago, have concluded to move back to Aaronsburg again. Mr. Jordan recently purchased a house and lot at that place, of the Jordan estate.

—Mrs. Harvey Ginter is quite ill with consumption.

—Cruse, the cigar man, has something to say to our readers this week. He makes the best grades of cigars and wants everybody to smoke them. Always ask for Cruse's choice brands if you want a good cigar.

**NOTE.**—Hon. Harry Curtin, of Boggs twp., was qualified on Wednesday as administrator of Constans Curtin estate, who died intestate.

Wm. F. Smith has made an efficient, faithful and obliging official. He deserves a re-election.

Wm. J. Singer, candidate for re-election as District Attorney, is well known to our people. He comes from the common people,—is one of them—and the kind of man needed in that office. As he speaks German as readily as English, he can adapt himself to all who may consult him. Faithful and efficient, he deserves your support.

—Had a snow storm on Tuesday.

—Rev. Wright, of the Bellefonte Episcopal church, has tendered his resignation; takes effect December 1st, 1895.

—Pheasants are quite plenty in some sections. Jim Haynes, of Snow Shoe, is credited with having shot eighteen in one day. We have no reason to doubt the report.

**Important To Mothers**

We have lately secured the agency for the New York Catholic Protector's Youths School Shoe; prices 11 to 13 1-2, \$1.25; 1 to 2, \$1.50. Read what they say about them:

"These School Shoes contain the best materials the market affords, and are put together with the greatest care. The buttons are made of the best white oak leather. We guarantee these shoes to give entire satisfaction. They are absolutely solid throughout. Parties trying one pair will continue to use them in preference to any other make. None genuine unless they have our stamp on the bottom of each shoe. "N. Y. Catholic Protector, 415 Broome st., N. Y. City."

**Sold Only at**

**MINGLES SHOE STORE.**

**We Never take a back step**

That means something; neither are we satisfied with standing still. There's a force constantly at work that tends to bring this store closer to those who buy dry goods. Perhaps your experience here after trying other stores will tell you what it is.

GARMAN'S.

**BETTER BLANKETS.**

We might better say "better blankets at \$3.50," for no store hereabouts to our knowledge has ever offered to sell a blanket like any of these fifty for \$3.75 each. Woolly and full of warmth as the regulation \$5 article, and all the difference is \$1.25 more in your purse. Worth saving, isn't it?

GARMAN'S.

**NOT A DAY PASSES**

but something new finds its way to our counters. We might also say that not a day passes but not a new customer is made. Is it a sign of right retailing?
