A sad death was that of Mrs. Eliza Musser at Pine Grove Mills on Thursday evening. The deceased was the widow of the late Wm. Musser. Death was caused by diabetes. She was the mother of Mrs Hale Ross of Linden Hall, Curt Musser of Altoona, Wm. and James who live on the old farm, and Annie and Alkie who are at home. The funeral occurred on Saturday morning Feb. 8th. The deceased was well known in the community in which she lived, besides having many friends in Bellefonte. Her maiden name was Miss Eliza Rubie.

Last year his sales of butter averaged from each of those six cows \$63.36

The Sugar Valley Railroad.

At the east end of the valley changes were made in the route and it is stated a much easier grade is the result. To obtain this however, a mountain will have to be tunneled. It is reported that work on the line from Bellefonte to Clearfield will be commenced in the early spring.

A grand musical convention will be held in the new Christian church, at Mt. Eagle, Pa., commencing Feb. 17, at 1 o'clock p. m. and continuing during the week closing with a grand concert Saturday Feb. 22, everyone come you will not regret it.

Hold on to it.

APPENDICITIS.

What a Physician of Lock Haven Says About It.

Comments have been made by several papers relative to the appendicitis cases in this city, some of which comments contain exaggerated statements about the prevalence of the disease. A physician in this city, who has either had charge of or been called in consultation in every case reported, states that the cases of that disease in this city and vicinity during a period covering a year or more number fourteen. Of these fourteen twelve were operated on and were found to be genuine appendicitis cases by the physicians and were so regarded by the families of the patients. Of the fourteen reported two died, which fact cannot be regarded in any other light than that the diagnosis of the physicians in each case was correct.

In answer to the question whether the disease was peculiar to this city and vicinity the physician stated that so far as he knew there was no local cause for the disease. He further expressed the opinion that the many cases of bowel complaints in other cities and towns would probably reveal the fact that there were as many if not more people in other cities and towns suffering from appendicitis than in this city.—Lock Haven Democrat.

Two Bad Accidents.

William Newcomer, a workman employed in the quarries of Manning & Baldrige, near Franklin Forge was run over and instantly killed by the quarry "dumkey" engine about 9 o'clock Monday morning. He was riding on one of the small dump cars, presumably with one foot on the car bumper and one on the engine. Suddenly the car broke away from the engine and Newcomer fell to the track. He was horribly mangled by the engine before it was stopped.—Altoona Tribune.

Monday morning Howard Waite, who is a brakeman on the shifting crew at Tyrone, met with a mishap in his efforts to make a coupling his right arm was caught between the bumpers, lacerating it below the elbow. Surgical attention was given him and he was sent to the Altoona hospital. This is the young man's second accident in the line of railroad duty. Under a fateful superstition the third is considered the final.

Beware of Him.

W. A. Brown, a little music dealer of Centre county, Pa., is one of the chaps, of whom dealers and publishers should be aware. He is one of that contemptible class of individuals who order goods sent C. O. D. and then refuse to take from the express office unless the C. O. D. is released, thinking that the shipper will do so and give him credit, rather than be "stuck" for paying charges both ways. We are willing to give our experience with this fellow, free of charge, to all applicants.—The Echo, Lafayette, Ind.

Marked copies of the above have been mailed throughout this county. We know of a Mr. W. A. Brown. If he is guilty of such conduct it is well that it be known. If this is a mistake Mr. Brown should see that a proper correction is made.

Ex Prisoners Celebrate.

The above title may be misleading—it does not relate to the criminal class but prisoners of the late war who endured the hardships of Southern prisons. At Bellefonte an organization was recently affected of all survivors of such a misfortune during the late civil war, and on Saturday their good wives tendered them a banquet in Gregg Post rooms. About twenty ex-prisoners partook of the feast. Toasts and reminiscences constituted a pleasant feature of the occasion.

Entertainment at Snow Shoe.

On Monday evening of next week, the Undine band, of Bellefonte, will give an attraction in Uzzle's hall, at Snow Shoe. The entertainment will open with a band concert, to be followed by a variety show and close with a grand ball. Admission will be free, and if the people of that vicinity want to hear good music, have a hearty laugh, or are fond of dancing, they should attend this entertainment.

Music of the Sanctuary.

Good music and good preaching seem to go hand in hand. A prominent divine once remarked "give me good music and I will give you good sermons." Next Sunday evening there will be a service of song in the Presbyterian church rendered by the choir. The services begin promptly at 7 p. m. All are invited.

Of Interest to Railroaders.

Judge Ricks, of the United States district court at Cleveland, has rendered a decision which is of interest to every railroad man. Harry O. Shaven sued the Pennsylvania for \$25,000 for personal injuries received as a brakeman. He was a member of the voluntary relief association of the company, and received benefits from it. Membership involves the waiving of the right to hold the railroad company liable for any injury for which benefit is received. Shaven's attorney tried to show that this is illegal. Judge Ricks overruled a motion which had that proposition as its basis. The Pennsylvania put in the same argument in the Darr case tried recently in the Dauphin county court and will doubtless lay great stress upon it before the supreme court.

Officers Elected.

At a regular meeting of the Bellefonte Wheelmen, Feb. 11, the following officers were elected for the ensuing year: Edwin F. Garman, President; Geo. L. Williams, Secretary; H. I. Gerbrick, Treasurer; J. H. Gross, Captain; Thomas Mitchell, Local Consul; Executive Committee: E. F. Garman, Geo. L. Williams, J. T. Mitchell, Geo. T. Bush, H. C. Taylor.

No Corns Here

There is no good reason why there should be such things as corns. There is a reason, however, but it isn't a good one. The reason is that people buy and wear ill-fitting footwear that makes corns faster than chiropodist can cut them off. All this is caused by not beginning right.

If you will bring the children to me, and take the Shoes I recommend, and keep on bringing the children year after year, those boys and girls will never have to spend a cent for corn medicine.

MINGLE'S SHOE STORE.

THE GLOBE DRY GOODS AND MILLINERY

Our annual invoice begins next week. It is much easier and much more pleasant to invoice cash than merchandise. We want to turn all the merchandise into cash that we possibly can within the next two weeks. In order to do this we know it is necessary in these hard times to offer some extra inducements.

Our knife has been sharp and keen and we have cut prices unmercifully. Cost is not considered in selling goods at the Globe for the next two weeks. Some goods are cut 25 per cent., others 33 per cent., and some even full one-half former prices. We want to realize all the cash we can before the close of the season.
