—Sheriff Condo was in the hotel business at Philipsburg last week. He was proprietor of the Continental for a few days, until a sale was made.

—Mr. H. D. Rumberger, one of Philipsburg's hustling young men and a rattling good democrat, was in town on Monday. He is a son of Register G. W. Rumberger.

—Edward Stoner, colored, of Pleasant Gap, had his pension increased to \$12 per month, and received \$200, back pay due since he filed his application for an increase.

—Mr. Jones, the important man of the First National bank, is able to be about again after an extended sick spell. The fact of the matter is, William could not be spared.

—W. C. Bunnell, of Milroy, drove ten mile out of his way to get to Bellefonte to have a game of checkers. He was gratified in his wish, but not in the result of games won.

—Mr. Henry Heaton, of Boggs township, called on Monday. He is quite busy at present getting out the timber for the tabernacle to be built at this place for Evangelist Weaver.

—J. H. Estridge, of the Philipsburg telephone exchange, was in town on Saturday. He is ambitious to go to the next Democratic National Convention, as the delegate from this district.

—Hon. Wm. K. Alexander, of Millheim, was taken recently by a severe attack of grip, to which was added something like heart trouble. He was in a critical condition last week.

—Manager Garman expects to have "Rices 1492" at the opera house the latter part of this month. This is an unusually fine production that had a long run in all the large cities. The same people would be with the company. Should it come, would advise all to see it.

—The Poverty sociable, given last Thursday evening by the men of the Reformed Church in Crider's Exchange was a novel affair. A large number were present and liberally patronized the entertainment. Elegant refreshments were served and a nice sum was realized.

—Miss Ammerman, is off to Philadelphia and other eastern cities, to make a selection of new spring millinery. Will be home the second week in April, with an experienced milliner from one of the largest houses. The ladies are invited to call and see the latest styles for the coming season.

The Tabernacle.

The committee selected to take in charge the movement for the erection of a tabernacle for Evangelist Weaver, have been quite active. The building is to be constructed so that it will be movable and to accommodate a large number of people. The amount assured by subscriptions has reached about \$400, which will be almost enough. The committee have not secured a location of the structure, and that will be the next important matter to consider. Mr. John Ardell has been awarded the contract for putting up the structure. Mr. Weaver expects to return to Bellefonte about the first of June, next, by which time they expect to have the building completed.

Must Be Wide Tire Wagons.

The wide wagon tire law provides that persons who shall own and use draught wagons on the public highways with tires not less than four inches in width for hauling 2,000 pounds weight shall for each year receive a rebate of 1/4 their assessed highway tax. A farmer who has wide tires on all his wagons except one asked the attorney-general if he were entitled to a reduction of road tax. The attorney-general concluded, in substance that if a farmer has six wide tire wagons and one narrow tired, the latter renders the others null and void so far as a rebate is concerned.

Nail Mill Excitement.

During the past week a Mr. Henry Harris, of Georgetown, has been in Bellefonte for the purpose of securing the Bellefonte nail mill plant to operate the rolling mill department in working up scrap steel into useful articles, by a new process and also to operate the nail plant.

Up to this time nothing definite has been accomplished and no lease of the plant affected. There are many wild rumors afloat in this community in regard to the affair.

Zion Normal and Classical Institute.

The above school will open on the 13th of April. Prof. Charles A. Bushong, of Franklin and Marshall college, Lancaster, Pa., has been engaged for the spring term. The tuition will be five dollars for the term. Good boarding can be had at \$2 to \$2.25 per week. The trustees of the school offer these special low rates in order to meet the wants of those who are anxious to prepare for teaching and college. The prospects for a large school are encouraging.

Musser Goes to Maine.

J. Frank Musser, second baseman for the Demorest base ball club, has signed to play second base with the Portland, Me., club of the New England league, and will join the team in New York city on April 12. Louis Mattern goes to Philadelphia to play with the Athletics.

AN EXORBITANT PRICE.

Demanded for the Ettinger Property at Woodward.

On Friday, Mr. Hiram M. Goodman, of Woodward, came to Bellefonte, in reference to the Ettinger home, recently destroyed by fire, at Woodward. He is the husband of Mrs. Emma Goodman, the owner of the property.

While in town he called at the county commissioner's office and made a verbal statement that they wanted \$2,425 damages to this property. That amount includes only the residence and all out-buildings burned.

In February this entire property, including lot, was sold by Thomas Smith, administrator of Sarah Hufferd, she being Wm. Ettinger's mother, for \$750. It is not assessed for any more. Knowing these facts, it is no wonder that the commissioners' were greatly surprised at the amount asked. Mr. Goodman has not taken any formal action to enforce his claim, and there the matter rests.

On the other hand, the county commissioners do not know that the county is liable for the destruction of this property, and they certainly would not think of paying any such claim, unless directed to do so by their counsel or the court. They also would contest the amount of the claim, even if the county is liable. It is exceedingly high. They have taken no action in the matter as yet and will not pay the claim, unless advised to do so.

Quiet Home Wedding.

George O. Benner, of Centre Hall, and Miss Cornelia Chatham, of Lock Haven, were made husband and wife Thursday evening at the residence of the bride's parents, in Lock Haven. Rev. J. H. Black performed the ceremony at 7:30 o'clock. Attending the bride and groom were Miss Margaret Holloway, of Salona, who stood as bridesmaid, and Frank Benner, a brother of the groom, who acted in the capacity of groomsmen. There were also two part little flower girls. Mr. and Mrs. Benner left on an eastern trip after which they will make their home at Centre Hall, where the groom is in the mercantile business.

A Smash-Up.

On Sunday night a carriage, containing four young men from Lock Haven, was badly wrecked at Jacksonville. The occupants were filled with rum and were driving at a terrible speed when one of the wheels came off. The lads were thrown out and considerably used up. One of the horses fell and got tangled in the harness, when they came to a stop. Who they were is not known. Such conduct deserves exposure.

Arrested for Desertion.

Tobias Greene, an old soldier living at Milesburg, was arrested at Tyrone and brought to Bellefonte and lodged in jail, charged by his wife with desertion. Greene is well known throughout Centre county. It is said he left his wife some time ago, during which time she has been living at Milesburg and he at Tyrone, Altoona and other cities.

For McKinley.

At the Huntingdon county Republican convention last week the vote on presidential preference resulted in 84 for McKinley and 63 for Quay. Jerre B. Rex was elected a delegate to the national convention with power to select his own conferees who were instructed to vote for McKinley as long as his name remains before the conference. This looks as though Quay might not be so sure of securing the delegates from this state.

Drummer Boy of Shiloh.

The members of Company B are preparing for the production of a play, "The Drummer Boy of Shiloh." It will be rendered by members of the company at an early date, in Garman's opera house.

Woman's Work

Never one, and it is especially wearing and wearisome to those whose blood is impure and unfit properly to tone, sustain and renew the wasting of nerve, muscle and tissue. The only remedy for tired, weak, nervous women is in building up by taking a good nerve tonic, blood purifier and vitalizer like Hood's Sarsaparilla. For troubles peculiar to Women at change of season, climate or life, great cures are made by

REAL ENJOYMENT

There's real enjoyment in wearing comfortable footwear. When a man gets home at night, off come his shoes. When he arrives at his place of business or labor, the chances are he fishes out an old pair of shoes that have convenient holes cut to ease his corns. That's the way with some men.

The men who find comfort in wearing the same pair of shoes from morning till night are the men who buy footwear of me. I can give anybody foot comfort who will buy the kind of shoes I advise. I can't guarantee this, however, to those who use their own judgment.
