Gored by a Bull.
George W. Mattern met with a painful and unfortunate accident about 8 o'clock Monday morning at the old homestead at Seven Stars in Blair county where he resides with his son, John S. Mattern.
The venerable gentleman, who is in his eighty-seventh year, has for some time had serious trouble with his eyes, and as his sight is badly impaired, he cannot see to move about very well. He was returning from the barn to the house and when near the garden gate he was attacked by a young Jersey bull who tramped him and tossed him with his horns almost over the fence. Mr. Mattern was badly bruised about the face and right side of the body, his left shoulder was pierced in two places by the bull's horns, and his collar bone was broken. Dr. Houser set the broken bone and dressed the injuries, and the patient, aged but hearty, is resting as comfortably as could be expected.—Tyrone Times.
Sunday Papers.
For the past month or more the people of Bellefonte have enjoyed the benefits of reading the Sunday Inquirer on that day, and it is greatly appreciated. Now if some of the other papers were only included in the list it would be more satisfactory. The prejudice in this community against Sunday papers is rapidly disappearing. A Sunday train will follow. It is only a matter of time, not far distant.

Wm. Corman Home.

On Thursday morning the train on the Bald Eagle Valley road was crowded with young people. Many thought it was a picnic party or an excursion, but soon learned that it was only the students from the Lock Haven State Normal returning home. Among those who stopped off at Bellefonte station were Mr. Wm. Corman, the young man who received THE CENTRE DEMOCRAT scholarship. He was in the best of spirits and had nothing but words of highest praise for the Lock Haven Normal and the kindly treatment and consideration he received from the members of the faculty and the students of that institution.

The young man made good use of his opportunities and worked hard. His only regret is that he does not have the means to return next term and continue his studies so that he may be able to fit himself thoroughly for teaching and thus be able to gain a livelihood for himself.

As our readers no doubt are aware, the young man is a cripple, without a home and is dependent upon Benner Township for support.
Married.
Mr. Roland J. Miller, of Philadelphia, and Miss Mary S. Gregg daughter of Andrew Gregg, of Potter township, were married on Wednesday 1st inst., at the home of the bride. The groom was formerly of Bellefonte, being at one time in the employ of John Meese, the grocer.

Makers of Low Prices and Terror to All Competitors

Impromptu Fireworks.
Down at Lock Haven, on the 4th, an impromptu display of fire works occurred in W. C. Dickinson Jr's store. A skyrocket landed in his store window among his stock of goods and they soon began booming. The store was badly ruined and the fire department was called out to check the flames. The loss was about \$500 which was partly covered by insurance.

New Firm.
The Phillipsburg Ledger has taken a new partner. It now is published by Grant & Williams with Miss A. V. Williams, as formerly editor. An improvement we think could have been made had Miss Williams taken a life partner in the concern, and abandoned her name entirely. That would have been much nicer. But then in such matters everybody does as they please, more or less. We hope the new firm will prosper abundantly.

After-harvest School.
The after-harvest term of school at Spring Mills, will begin Monday, July 27th, to continue six weeks.

Medical value in a bottle of Hood's Sarsaparilla than in any other preparation.
