On Monday morning when Power's shoe store was opened it was found that during the night a robbery had been committed. The shutters at the rear of the room had been opened and the window was up. Over the front transom there were numerous finger prints on the outside and inside of the woodwork. This showed quite plainly that an entrance had been effected by crawling over, and it is quite likely that the goods were removed from the rear of the building. Over thirty pairs of shoes were taken and they were of the best quality in stock. It is difficult to tell how large the loss actually can be. At about 1 o'clock that night Mr. and Mrs. Fritz, who live directly over the store heard a noise and were awakened. They thought it was Mr. Williams, the clerk, who might be returning from a bicycle trip and was putting his wheel in the store, as he usual did. About an hour later they heard another noise and came out on the balcony. They saw a man in the doorway. The man ran down to the hallway of the Arcade building and then went down Water street. He was a tall man, wore striped trousers and black coat. That is about all that is known of the robbery. Of late Bellefonte has been annoyed frequently by night prowlers. Many residences have been entered and people alarmed. We are of the opinion, like many more, that the thief lives in this town, and is suspected by many, and thus far has avoided detection. Festival. A festival will be held on Saturday, August 22, by the members of St. Mary's Catholic church at Snow Shoe, Pa. The Snow Shoe band will be in attendance to enliven the occasion with choice music. An orchestra has been engaged for dancing; a complete programme of amusements will be furnished. An elegant dinner and supper will be served. All the delicacies of the season will be served, also. All are invited to come and join in the festivities of the day. Proceeds for benefit of the church. Atlantic City Excursion. On Thursday, July 23rd, the Central R. R. of Penn'a., agents will sell special excursion tickets from Bellefonte and local points to Atlantic City good for ten days. Wheeden and Weaver the Evangelists arrived in Lock Haven Friday morning and spent the day making acquaintance of a number of people. The Evangelists are now in Williamsport with their gospel tent or tabernacle and will begin a series of Evangelistic meetings in Lock Haven, on Sunday August 30th. O. W. HUNTER.

FOUND DEAD IN BED. Mrs. Elizabeth Miller Expires at the Home of Her Sister at Tusseyville. The sudden and unexpected death of Mrs. Elizabeth Miller occurred at the home of her sister, Mrs. Jacob Strohm, at Tusseyville, to whom she was paying a visit, on last Friday night 3rd. Her death was quiet and peaceful, and the family was not aware of it until morning, when she was found. The cause of her demise is attributed to heart disease and paralysis. She was aged about 64 years. Mrs. Miller's maiden name was Elizabeth Heltman, and she was born in Lamar township, Clinton county. She was united in marriage to David Reesman, father of J. A. Reesman, of Centre Hall, in 1851, being his second wife. Mrs. Miller made her residence with her son, J. A. Reesman, in Centre Hall, desiring to end her remaining days in the district of her birth. Two sisters, Mrs. Wm. Rishell and Mrs. Jacob Strohm, both of Tusseyville, survive her; also two brothers living in Clinton county, and one in Nebraska. Another Treat. On last Thursday evening our people had another treat. The Undine Fire company were unable, on account of the weather, to give the display of fire works at their 4th of July picnic, and the same was held over until last week. The band came out and gave an open air concert on the diamond that naturally attracted a large crowd. At the approach of dusk sky rockets, colored lights roman candles and other pyrotechnical devices began to play from Allegheny street, on reservoir hill. From that eminence they were visible from almost every point in town. It was a fine display and greatly enjoyed by all. The display was a surprise and a rare treat for the public. Serious Run-off. On Wednesday afternoon of last week, as Mrs. McLanahan Musser, two miles south of Centre Hall, was driving a horse in a hay rake, on which she sat, the horse from some cause took fright and ran off. The lady was thrown under the rake and dragged a short distance. She was picked up unconscious, and an examination by Dr. Jacobs proved that a shoulder blade had been broken and also some painful cuts about her face and head. She is getting along as well as can be expected.—Reporter. Evangelists Will Have Charge. At a meeting of the directors of the Pine camp meeting association, the securing of Evangelists Weaver and Weedon to conduct the meetings from August 6 to 18 was approved. The evangelists will have full control of the meetings. Certain improvements will also be made on the grounds in the way of repairing and laying board walks and remodeling the boarding house. Married at Freeport. Mr. John Harpster will be remembered by a number of our people. His parents resided at Centre Hall and for a time he was employed by Montgomery & Co., in the tailoring department. He is now located at Freeport, Ill., where he is conducting an extensive tailoring department. On June 25th he was married to Miss Jennie Jeff, of that place. The Grangers Picnic. Monday, September 14th, is the date for the opening of the Grangers picnic at Centre Hall, and to continue for the week. The association will soon begin work in billing attractions and renting privileges. About all the necessary buildings are erected and there will not likely be any new ones erected. Child Drank Lye. Emma, a two year old child of David Wyland of Milesburg, drank a quantity of lye on Friday evening and as a consequence is now lying in a precarious condition and is suffering intense pain. Antidotes were speedily administered, but it is not thought the child can recover. Death of Sugar Valley Resident. George Schroyer, a well-known aged resident of Sugar Valley, died Saturday of consumption. He was 66 years and 6 months old. His wife, one son and three daughters survive. Interment was made in the cemetery at the Eastville church, Tuesday. Cured Himself. The Magnet says Mr. Isaac Frain, of Abdera, once cured himself from a snakebite by killing the reptile and applying its flesh to the wound. The Magnet heartily endorses this remedy in preference to whiskey. Good enough, but suppose the reptile gets away. What then. Two Engagements. During the past week two engagements were announced; Miss Mary Wood, of Conshohocken, Pa., and Mr. A. Scott Harris, of Bellefonte. The engagement of Rosa, daughter of A. Baum, of this place, and Mr. J. D. of Syracuse, N. Y. WANTED.—A good home for a seven year old girl, of good parentage. Apply to Mrs. H. T. Kurtz, President of C. A. S., Bellefonte, Pa.
