A BAD RUNAWAY.

Mr. John Rishel Severely Injured Monday at Axemann.

On Monday afternoon Mr. John Rishel was driving in a buggy, near Axemann, on his way home when he had a serious accident. A two horse team drove up behind him, and the noise frightened his horse. It soon became unmanageable and ran faster. The back-strap broke and Mr. Rishel turned the animal towards the fence when the buggy upset and the horse turned about, and ran back, dragging Mr. Rishel underneath the vehicle for some distance. The driver of the wagon jumped off to help Mr. Rishel and then his team took fright and ran down into the old Axeworks dam which now is dry. This wagon upset and threw the daughter out and dislocated her wrist. Mr. Rishel's horse was caught by Mr. Adam Hazel, near the cider mill.

Mr. Rishel was found to be seriously injured. He was cut about the head and had several scalp wounds, and sustained a painful bruise on his chest. Dr. Fisher was called and gave the injured man careful attention. Mr. Rishel is a prosperous farmer, who resides about one mile from Axemann in Benner township. He is about 60 years of age and it will be some time before he will be able to be about again.

Another Barn Burned.

The large barn on the farm of the First Brothers in Nittany Valley, was destroyed by fire early Sunday morning together with all its contents including this year's crops grown on the farm, wagons, harness and farm implements. The origin of the fire is not known. The farmer is Enos Bush whose loss is heavy.

The barn was on the farm adjoining that of the Nesbit estate on which a barn was burned about two weeks ago.

The farmers in the valley are becoming alarmed on account of so many mysterious fires occurring and all are inclined to believe the barn burners are at work.

Went to the Hospital.

John Durst, of Farmer's Mills, who had his arm broken two or three months ago by a heavily loaded hay wagon running over it, has gone to Jefferson hospital at Philadelphia for treatment. The fractured bones would not unite again, and he was compelled to go to the hospital where the bones will be scraped and the arm set again.

Big Bet on Bryan.

National Committeeman Gahan, of Illinois, has had \$27,000 placed in his hands to bet even money that Bryan will carry Illinois. He has yet had no takers.

A BOLD FORGER.

Last Tuesday morning, September 8th, Noah W. Ream, of Penns Cave, came to Bellefonte on business, and before he left he had succeeded in making it a very successful business day. His first operation was with our genial sheriff, John P. Condo, whom he owed a little bill. He gave the sheriff a forged check for considerable more than the amount of the bill, and received in change the sheriff's check, on which he realized the money. He had also deposited a forged check in the Centre County Bank on the Williamsport Nail and Iron Company, and gave a check of his own to Attorneys J. C. Meyer and William Runkle, drawing on that deposit.

Another operation of the day was with our generous host of the Haag Hotel, Mr. D. C. Keller. He had been stopping with Mr. Keller and asked him to endorse a check for him so he could get the money on it. The check was on a New York bank and looked all right. Mr. Keller accommodated Mr. Ream and is now out the amount of the check. The check was forged, as Mr. Keller found when he went to deposit it at the bank.

Ream owed a little bill to John Walker, bookkeeper for McCalmont & Co., a balance on a bicycle, and went to the store to pay it. He offered John a check for a larger sum than the bill was; here again, he received a check from Mr. Walker in exchange. The check he gave Walker, was a forged check on the Williamsport Nail and Iron Co. How many others he may have swindled, that day, we have not learned; but it is said that the amount of his operations as detailed above, amount to over five hundred dollars. When he had finished these operations, he departed for parts unknown; the last seen of him was at eight o'clock Tuesday evening.

Noah W. Ream is a young man about 30 years of age. For sometime he has been engaged in running a stove mill, at Hublersburg. His family consists of a wife and three children who live with her parents at Penns Cave.

Since his departure there has been no clue of his whereabouts. His friends are surprised of his recent escapade and can hardly believe it to be true. They always expected something different from him.

It has been learned that Mr. Ream purchased a ticket at Bellefonte on Tuesday afternoon, of last week, for Chicago. The forgeries were detected at 9 that evening. For some reason no effort was made to capture him, before it was too late.

Another Railroad in Centre County.

For several years a railroad from Huntingdon to McAlvey's Fort, in Centre county, has been talked of and now the matter has assumed a more definite shape. R. C. Patterson, a capitalist of Omaha, Neb., and a former resident of Shaver's Creek, have consented to take the bonds for the proposed railway from Pine Grove, Centre county, on certain conditions, which are that the railroad be built for \$6,000 a mile; that the right of the way be given, and that continued encouragement be given the enterprise.

Public meetings have been held and the farmers have agreed to give the right of way free, and to give all reasonable assistance until the road is completed. They are now prepared to go to work in earnest, and if the road can be built for \$6,000 a mile, as is confidently expected, it will not be long until the connecting link between Huntingdon and the Beech Creek system will be an assured fact.

A Julian Man Hurt.

William Richards, of Julian, Centre county, was severely injured Monday night at the Paddy's Run railroad bridge, while walking over the bridge he fell and his right leg caught in the girder which held him suspended. The strain was so great that it wrenched his knee. He called for help and persons in the vicinity released him. After having his injuries attended to he left for home.—Renovo News.

To Be Extended.

The Millheim Electric Telephone company had a business meeting at their office in Goodhart's implement building last evening. Reports from all the lines says that the phone gives perfect satisfaction and the prospects are that the service will ultimately be extended to Bellefonte.—Millheim Journal.

Festival at Milesburg.

The Milesburg band will hold a festival, on Tuesday evening, Sept. 29th, at which there will be another great attraction, besides the excellent ice cream, cake and things that will be served.

The band is a deserving organization and every one, who can, ought to lend his aid, however small, to the effort of the boys to get new suits.

Will Build a Bridge.

Miners Busy.

Work in the mines of the Snow Shoe district is now better than at any time in the past five years. The Lehigh Valley company, the Snow Shoe Mining company and the Kelly Brothers are working full capacity, running night and day to fill orders.

A Hustler That is the kind of a man who succeeds in business in these days of close profits and strong competition. The hustler gets a move on, lets the public know what he is doing. He pushes his business instead of his unpaid bills and bad accounts pushing him. The hustler lets the public know what he has in market; he invites trade. He does it to the best advantage by an intelligent and judicious use of space in a newspaper. It costs money to advertise. Yes indeed, but that attracts attention, brings new customers and increases your trade ultimately. The success in advertising consists in keeping "everlastingly at it." Printers ink made John Wanamaker a millionaire, and he does more and more advertising each year. He seems to understand the business. Do you grasp the idea? 1500 copies of the Centre Democrat are printed each week. These reach at least 4000 readers in Centre county every week. It goes right to the homes—is a family paper. Don't you think you could increase your business by an advertisement in its columns. Argument is useless. Get a hustle on, increase your business, advertise in the Centre Democrat.

Campaign Rates The Centre Democrat will be sent to any new address in Centre county, for 5 Cts. a Month N. B.—No subscription will be accepted for less than THREE months—15 cents; or for more than SIX months—30 cents.
