—Mrs. Barbara Rankin and her daughter, Miss Bella, will occupy Gov. Hastings' residence this winter. They will close up their residence on the corner of High and Thomas streets.

—Mr. Harry G. DeSylvia, of Altoona, spent Sunday in Bellefonte. He formerly was a resident of our town and at present is traveling in the interest of the Geo. P. Rowell advertising agency, of New York.

—Any merchant who sends his job printing out of town when he can have it done as cheaply at home is a dandy. We have a number of that kind. They usually complain about hard times and grow about people buying goods in Philadelphia.

—H. B. Sheffer, the artist, is preparing to open a branch studio in Altoona, where he will cater only to the higher grades of work. Of late he has been executing some exceedingly fine carbonette mounts, and for which he receives good prices.

—The Evangelicals will hold a chicken and waffle supper on Friday and Saturday evenings of this week, in the basement of the church on Willow Bank street. They will also have the best of ice cream and oysters. Go and help a good cause.

—Harry Hutchinson, the obliging agent at the P. R. R. station, this place, returned on Monday from an extended trip across the continent. He was gone about a month and visited many points of interest on the Pacific coast. In that country he found a pronounced silver sentiment.

—An unusually fine display of ladies coats and wraps, for fall and winter wear, can be found at Aikens' store. Mrs. Aikens returned recently with the latest and nicest things in that line. The ladies are especially invited to see the display.

—Messrs. John Smith and N. F. Rossman, two of Spring Mills' active young business men, while on their way home from Johnstown on Monday, paid us a pleasant call. They attended the State Firemen's convention at that place. Among other things they report seeing a great many laboringmen who will vote for Bryan, wearing McKinley buttons.

Wedding at Axemann.

A pretty and attractive wedding occurred at the home of Josiah Owens, Axemann, Oct 7th, at 3.30 p. m. The contracting parties being his daughter Ella M. Owens to J. Calvin Gfrerer. The ceremony was performed by Rev. Yearick, of Centre Hall. After the knot was tied, congratulations were received. About sixty persons then partook of a sumptuous feast. The presents were many, being costly as well as useful. After supper the Axemann calithumpian band appeared on the scene and rendered some of their best selections. The boys were royally treated, and all join in wishing them a long, happy and prosperous life.

Robbers Found Guilty.

Charles Gray and William May, of Philadelphia, and Howard Smith, of Kentucky, were convicted of robbing the post office at Snow Shoe, on 7th, before the United States circuit court in session at Williamsport.

The men were arrested at Snow Shoe Intersection with a fourth man, William Meyers, who was afterwards discharged. They robbed the post office on Sunday morning and secured \$100 in stamps, after blowing the safe.

Telephone Service.

During the past week a telephone was placed in The Centre Democrat office which will not only prove a great convenience to us, but to our patrons in Bellefonte and about the county. If you have an item of news you desire to have inserted, an advertisement for insertion or job work of any kind call us up, and you will get prompt service. Our call is 1183. If you have a phone, make a note of it on your card.

A Large Bird.

The County Journal says E. E. Herlacher brought to Loganton on Friday last an immense bird of the variety of Bald Eagles. It was shot by Isaac Duck, Jr., near Herlacher's mill in the narrows above Flat Rock. It measured nearly six feet across the wings and was a splendid specimen of its variety. Mr. Herlacher will probably have the bird mounted.

Snow Shoe Robbers Sentenced.

The men recently tried and convicted at Williamsport, before the United States District Court, for the robbing of the P. O. at Snow Shoe, were sentenced Monday: Charles Gray, 2 years and 3 months, William May, 2 years and 2 months, Howard Smith, 2 years and 1 month in the Western penitentiary at Allegheny city.

State College Wins Again.

On Saturday afternoon another interesting game of foot ball was played at State College with Dickinson team. In the first half no score was made, but in the second the home team got down to work and rolled up eight points. The State College boys have been doing some fine work this season.

A Palmer and Buckner meeting will be held in the Court House, on Saturday evening for the purpose of securing McKinleys election and Wm. J. Bryan's defeat. Properly named—it will be held for the benefit of the republican party.

FOOT BALL AT HECLA PARK.

The Opening Game to be Played Saturday Afternoon.

By Saturday next (Oct. 17th) the bicycle track, foot ball and base ball ground, at Hecla Park, will be fenced in and on that day the opening game of the foot ball season of 1896 will be played. The contest will be between the strong Phillipsburg team (made up from their school teams of this and prior years) and the plucky Bellefonte Academy Team of 1896, which recently played an almost even game with the strongest Williamsport eleven. Now that a good ground is accessible, with a little encouragement and support, Bellefonte and Lock Haven can soon have played within reach a fine series of foot ball games and enjoy this sport with the rest of the world. The present arrangements already cover a game between Bellefonte and Lock Haven and another between Bellefonte and Williamsport. Give the Academy boys a lift, encourage them with plenty of "rooters" on Saturday and we believe they will "do us proud." A special train will leave Bellefonte for the game at 1:30 p. m., and will return immediately after the game reaching Bellefonte at 4:35. Fare for round trip 25 cents; admission to game 15 cents.

A Cyclone Scare.

On Saturday evening a special message was received at Bellefonte that "a dangerous southwest wind was moving along the Atlantic coast" and that in some sections a hurricane prevailed and would likely reach us that night or Sunday morning. It was a great scare.

People went home and closed up shutters. The politicians drew in the large flag that adorns headquarters and everybody was on the alert.

The strange part about the situation was that we had a clear sky and the starry heavens never sparkled with more brilliants. There we had the threatening telegram, and the most favorable and promising weather but everybody prepared for the cyclone, and many passed very restless nights in Bellefonte in consequence. The night was as calm as a May day. Sunday could not have been finer, it was an ideal day—a delightful surprise. Hereafter weather bulletins and storm forecasts will not be so seriously taken by our people.

Confirmation Service.

On last Sunday the confirmation service at St. John's Catholic church attracted attention, Bishop McGovern, of Harrisburg was present and conducted the service and was assisted by Father McArdle. The class numbered over one hundred and eighty. This is the largest number we are informed, that have been confirmed at one time at this place. Bishop McGovern is well advanced in years, but still retains that same brilliancy of intellect as ever, and on this occasion delivered an unusually able sermon that was appropriate for the occasion.

The music was excellently rendered and by some of the best vocalists in our community.

Left for Germany.

Miss Mabel Fauble, the youngest daughter of Mr. M. Fauble, of his place left for New York, on Monday. She will sail for Berlin, on the red star line, Friedland. Miss Fauble is going abroad for the purpose of completing her musical education; and will be accompanied by her former instructress Miss Doran of Lock Haven, and the two will spend a year in Berlin before returning.

Miss Mable possesses talents as a musician, and an opportunity to pursue her studies under such advantages will no doubt improve her accomplishments.

A Huge Pumpkin.

A curiosity in the line of pumpkins may be seen at the meat market of Mr. Z. T. Harsberger in Milesburg. It is a monster in that line, oblong in shape, 33 inches in length, 30 inches in circumference, and weighs 87 pounds. It was raised in the garden of Mr. Bathurst at Mt. Eagle from seed sent to Mr. B. from California. There were but two on the vine, the other one weighing 90 pounds. They are of the sweet variety, hence their size is the more remarkable.—News.

Church Fairs.

A Maine man who studied church fairs pretty carefully thus defines them: "A church fair is a place where we spend more money than we can afford for things we do not want, in order to please people whom we do not like and to help heathens, who are not happier than we are."

Howard Lady Injured.

Miss DeHaas, of Howard, is visiting friends in Williamsport. While riding a bicycle in the latter city, a horse from another street ran into her wheel. The wheel was badly broken and the young lady was badly bruised.

A Large Sunflower.

Simon Brown, of Cedar Springs, took the measurement the other day of the largest sunflower that ever grew on his place. It measured forty three inches or nearly four feet, in circumference.

Bryan Fifty Votes Ahead.

A straw vote was taken recently at the Williamsport planing mill resulted as follows, says the News: Bryan, 89; McKinley, 29; Levering, 10, National Democrats, 2.

S. D. GETTIG, ESQ.

A Prominent Attorney of Revolutionary Descent—High in the K. G. E. Circles.

Mr. S. D. Gettig was born in Miles township, Centre county, May 4, 1863, and was reared on a farm. He received his education in the common schools, graduating at a Normal school. Taught school from 1884 to 1893; read law with the then district attorney, Mr. J. C. Meyer, and was admitted to the Centre county bar June 17, 1893.

His parents were William and Elizabeth Gettig, and are of German stock, and direct descendant of Mr. Christopher Gettig, who was first lieutenant of Company D, Twelfth regiment, Pennsylvania volunteers, in the Revolutionary war for independence.

He is an active, practicing attorney and bids fair to become eminent in his chosen profession. He is a prominent member of the K. G. E., and is sitting past chief of Bellefonte castle.—From Williamsport Grit, Oct. 11.

Faith Cure Assailed.

On Friday afternoon an interesting hearing took place before Justice Keichline, in Bellefonte. The Centre County Medical Society directed their censor to institute proceedings against Miss Rebecca Parry, of Scranton, Pa., who has been in this section most of the time during the past two years. Miss Parry is a believer in the doctrine of Christian Science, or what is commonly known as the "Faith Cure." According to their belief all ills of the flesh, are due to sin. In all cases the mind must be freed from all evil thoughts, and all malice, before the body can be purified from its evils. Their foundation is in Christ, the Great Healer, and they only point the way, give the direction for restoration. They claim that they advocate a form of worship, have a religious belief, and do not practice medicine. Never administer any material remedy, only advise the observance of the established laws of hygiene and health.

At the hearing all the physicians in Bellefonte were summoned and Mr. Joseph Garbrick for the prosecution. For the defense Miss Parry testified and explained, as above what Christian Science meant. That she accepted fees for assisting patients, because it was a necessity—to pay her expenses. Mrs. Peters, Mrs. Christ Swartz, Mrs. Lewis Gettig, Mr. Cox and others of Bellefonte and W. H. Long of Howard, testified of the wonderful cures effected under the Christian Science treatment.

Attorney J. C. Meyer then argued in an able manner that this was not in any manner conflicting with the Act of Assembly. There was no use of medicines at all. Instead, only a form of worship—religious belief and with that no one could interfere, because the right of religious freedom was guaranteed by the terms of the Constitution.

District Attorney Singer appeared for the prosecution. His plea was that this lady was engaged in business—effecting cures. That she solicited patients, charged fees, and employed a certain method to accomplish the same and would hide under a religious cloak to protect herself from the penalty of the law.

The charge against Miss Parry was for practicing medicine in this county, and not having registered or shown a diploma from a Medical Institute as required by an act of assembly.

Justice Keichline ruled that the defendant in no way was proven to have engaged at any time in this county, in the practice of medicine, and she was discharged.

Christian Science has some enthusiastic followers in our county, who testify to remarkable cures effected through this agency. On the other hand, many people are positive and assert that there is cause to believe that persons in a critical condition came near dying, because this lady appeared and the patient endured great suffering for want of proper medical treatment.

It is asserted that deaths can be traced to neglect during this Christian Science treatment, also in critical periods our physicians were summoned and only by the most heroic efforts was death averted. This is a free country—yes, and you may believe in these matters as you choose, your own health and life are at stake. Pay your money, and take your choice.

Some of our contemporaries quoted Miss Parry as saying at the hearing that "all doctors were humbugs" This is an injustice to the lady, as no such unwarranted remark was made by her in reference to any of the medical profession.

Union Veteran Legion.

The National Encampment of the Union Veteran Legion will be held at Washington, D. C., from October 14 to 17, and for that occasion the Pennsylvania Railroad Company has arranged to sell excursion tickets to Washington and return from all stations at a single fare for the round trip.

The tickets will be sold on October 12, 13, and 14, and will be good for return passage until October 25, inclusive.

Foot Ball at the Park.

This coming Saturday afternoon a game of foot ball will be played on the new ground, at Hecla Park, between the Bellefonte Academy team and the Phillipsburg eleven. A special train will leave Bellefonte at 1.30. Fare and admission to the ground only 40 cents. It will be an interesting contest.

Sudden Death.

Dr. S. F. Lytle, one of Phillipsburg's most prominent physicians, died last Friday afternoon after a few hours illness. The doctor had been far from well for several years past, but his sudden death was most unexpected. He returned from Philadelphia recently with the assurance of his physician that he was better than for some time.

Dr. Lytle was born in Harris township, Centre county, Pa., Oct. 14, 1851. He was the son of Griffin and Susan Foster Lytle, both of whom had preceded him, by several years, to the Spirit land. He is survived however, by four brothers and three sisters. When quite young, he completed the course of study and was graduated from State College. He studied medicine with Dr. J. Y. Dob, of Lemont, and then graduated at Bellevue Hospital Medical College of New York, in the year 1875. Soon after his graduation he went to Phillipsburg and entered upon the practice of medicine in which he continued with remarkable success until death removed him from our midst.

August 28, 1879, he was joined in marriage to Miss Nannie Crissman, of the well known Crissman family of Phillipsburg, who survives him.

Baby Coaches as Baggage.

This extract from an order issued from the passenger department of the Pennsylvania railroad is of interest to those persons who desire to ship baby coaches over the line. The extract follows:

"Under existing regulations baby coaches may be carried free locally on release of liability and not accompanied baggage, and when not used as a receptacle for baggage. When accompanied by baggage for which a check issued the same charge will be made for coach as for 100 pounds excess baggage.

Shoot You First!

is now heard where boys most do congregate, and when the youngsters begin the shooting the shoes begin to feel the first of a great many strains they will be called upon to bear before the school going season is over.

Before and after school hours and at recess the boys will be at marble shooting, leap frog and other games very popular among them. You ought to prepare for it. Fortify the boy with stout shoes that will not give way when he begins to play. Come in and see if we can't give you what you want—what the boy ought to have.
