SPAIN BACKED DOWN.

United States Gunboats Would Have Bombarded Havana.

CONSUL GENERAL LEE'S ACTION.

When General Weyler Wanted to Arrest a Mexican on Board the Steamer Vigilancia Our Representative Ignored the Spanish Commander's Demand.

KEY WEST, Fla., Oct. 20.—For three hours last Friday the United States and Spain were on the brink of war, and the threatening situation was only relieved when the Spanish authorities ignominously backed down and allowed the Vigllancia to proceed to sea with Senor Angel Fernandez still on board. When the Vigilancia put into Havana the Spanish authorities demanded the surrender of Fernandez, a Mexican. The Spaniards alleged that Fernandez was not a Mexican, but a subject of Spain

Commander John McIntosh, of the Vigilancia, refused to surrender Fernandez Then the Spanish authorities told McIntosh that if the Vigilancia attempted to go to sea with Fernandez on board she would be sunk by the guns of Moro Castle. Captain McIntosh immediately laid the matter before Consul General Lee, who complimented the captain on his bravery and told him to take the Vigilancia to sea when he pleased. Consul General Lee was greatly enraged at the threat to sink the Vigilancia, and is reported to have said to Captain McIntosh:

"If the guns of Moro Castle sink your ship American warships will be bombarding Havana in a few days.'

Captain McIntosh returned to the Vigilancia and Consul Lee informed Weyler that the vessel was going to sea, and that if any attempt was made to take off Fernandez, or that if the vessel was fired upon Spain must take the consequences. Weyler immediately summoned a cabinet council, and while this council was considering the matter the Vigilancia began to weigh anchor. The Spanish officials on board protested, but Captain McIntosh said in The Steamer Arago Lost and Twelve vigorous language: "D- your objections. My ship has been cleared. My consul has told me to go to sea. I am going, and I dare you to try to prevent me. Get off my ship.

With that the Yankee roughly shoved the Spaniards into the waiting boats, and the Vigilancia, flying the stars and stripes, started for the mouth of the harbor, which is commanded by the guns of Moro eastle. Slowly the Vigilancia entered the mouth of the harbor, and then it was noticed that the guns of Moro castle were turned on the ship. The Vigilancia repeatedly signalled Moro castle: "I am going to sea," but no answer came from the fort until the vessel was in blue water, and then the Spaniards ran up the signal which means

"Good bye." It is said that Weyler is furious over the departure of the vessel and Consul Lee's course. It is stated Weyler ordered the commandant of Moro to sink the Vigilanto the entreaties of his cabinet and counter-

But it is now believed that she met the steamer Three Friends at Loggerhead Key, about eighty miles from here, and transferred the coal and about forty tons of dynamite. Dr. Castillo and C. A large crowd of Cubans accompanied them.

Dead and Dying Dumped Into the Sea. NEW YORK, Oct. 19 .- Madji Rahsian is a Christian Turk who was one of the passengers on board La Gascogne, which arrived yesterday. He comes to this country on a business trip. Through an interpreter he told about the massacres of Armenians. He was in Constantinople during three days' massacre in August last. During the three days 30,000 Armenians, he said, were slaughtered throughout the empire. Wagons filled with bodies were constantly passing through the streets of Constantinople. Cartload after cartload of these bodies were dumped into the sea. The feeble cries of the wounded for release could be heard coming from the carts, but the appeals were utterly unheeded.

No Armenians Left in Van.

LONDON, Oct. 21 .- A Berlin dispatch to The Daily News says; "The St. Petersburg Viedomosti publishes details of the Van massacre secured from fugitives who have arrived as Elchmiadzin. They declare that no Armenians are left in the Van district. The Kurds, declaring that they were executing the sultan's will, mercilessly butchered the men, kidnaped the prettiest women and girls and threw the children into the pits intended for storing corn, and buried them alive in order to save ammunition. The victims were arranged in rows and killed, two and three at a single shot. The details of the outrages on the priests and temples and the sacred books and vessels are indescribably revolting.

Robbers Held Up a Town. ,

GUTHRIE, O. T., Oct. 19 .- Particulars were received here yesterday of a raid of the little town of Carney, about twenty miles east of here, Saturday night. About 9 o'clock six masked and heavily armed outlaws, supposed to have been headed by the notorious "Dynamite Dick," one of the associates of the Daltons and Bill Doolin, rode into the place and literally held up the town. They secured over \$1,000, besides watches and jewelry, and escaped. The town has about 300 population, but the people were terror stricken.

The honor paid to Senator Morrill by his native state is an incident of more than usual interest. When on March 4 next he is formally inducted into the office, which he has filled for thirty years, he will commence a term which bids fair to break all records of membership in the national senate. Mr. Morrill, although 86 years of age and the oldest member of the senate, is as vigorous and wideawake to his duties as a senator as many men his junior. With the close of his present term he completes a continuous service of forty-two years at the national capitol, twelve years of which was as a representa-

A Daring Mail Robber.

KANSAS CITY, Mo., Oct. 20.-A daring Mr. Washburn Says He Would Not Accept robber of the mails has been arrested here by the postal authorities. The culprit is C. H. Hamilton, alias Wallace. Hamilton appeared at the Union depot wearing the brass buttons and uniform of a railway mail agent. He stepped boldly up to a truck that was standing under the de pot sheds, pulled down a letter pouch and carried it into a waiting room. There he placed the pouch under an overcoat that hung upon his arm and walked into the street, not knowing that he had been shadowed." A short time afterward Hamilton was arrested at his hotel. He had cut open the sack, and was going through the letters which it contained when the officers broke into his room. He had already extracted several small sums

GEORGIA FUSION FAILS

Democrats Refuse to Accept the Populists' Propositions.

THEY WANTED TO IGNORE SEWALL.

And to This the Democrats Would Not Submit-Tom Watson Looking for "Vindication"-He Would Not Accept a Cabinet Position If Tendered.

ATLANTA, Ga., Oct. 21.-After a proracted and exciting debate the Demotratic committee yesterday rejected the Populist fusion proposition, declaring it to be insulting to the Democrats in its wording. It is held that the state committee has no right to take down the Democratic electors, as demanded by the Populists. The Democratic resolution reusing fusion is as follows:

"Resolved, That the Populist committee, having made a proposition which completely ignores fusion by eliminating entirely the candidacy of the Democratic nominee for vice president, Mr. Sewall, and has cut off the Democratic committee from further consideration of the question by offering an arbitrary limit, giving this ommittee no opportunity for consideration of a movement for proper fusion; therefore, be it

"Resolved, That the chairman of this committee appoint a committee of five, of which he shall be chairman, to properly present to the public the attitude of this committee on the refusal to accept the unreasonable and unjust ultimatum of the Populist committee, clothed as it is in offensive and unbecoming language."

The ultimatum of the Populist central committee, to which these resolutions

were intended as a reply, was in part as

"The People's party of Georgia accepted in good faith the St. Louis compromise, viz.: The nomination of Hon. W. J. Bryan as the presidential candidate on the the ticket with the Hon. Thomas E. Watson, with the tacit understanding that this act of patriotism on their part would be met with a similar one on the part of the Democratic party in the withdrawal of Mr. Sewall and effect a complete combination of the silver forces. TOM WATSON'S ATTITUDE.

a Cabinet Position.

CHICAGO, Oct. 21.-George F. Washburn, of the Populist national executive committee, arrived here unexpectedly last evening from Thomson and Atlanta, Ga., where he and Committeeman H. W. Reed had been in conference with Mr. Watson, Populist vice presidential nominee

it is stated on good authority that Mr. Washburn returned so suddenly for the purpose of conferring with Chairman Jones, of the Democratic national committee, and to place before him in the form of an ultimatum two or three propositions from Mr. Watson looking to the latter's recognition on the fusion ticket in the different states. The two were in conference late last night, but nothing was given out.

In discussing Watson's attitude Mr. Washburn said:

"In the present campaign Mr. Watson appreciates the necessity of making such arrangements as will unite the silver forces. He wants Bryan elected and Mc-Kinley defeated, but to accomplish this he thinks there must be an honorable union of forces rather than a surrender, and that his party must be recognized in this fight or the fusion arrangements in the different states will not be ratified by the peo-

him. He is anxious that his party should come out of this contest in a manner which will reflect honor upon it, and he will enteractively into the campaign for the election of Bryan if such arrangement can be made as will satisfy his people."

A Princely Sailor.

PHILADELPHIA, Oct. 21.-The Italian cruiser Cristofero Colombo, Chevaller A. Bertholini commander, arrived here yesterday afternoon. Prince Louis of Savoy, Duke of Abruzzi, is on board getting experience as a sailor. The cruiser will remain here one week, and will then sail for New York. The Italian consul, Chevalier G. M. Lucca, and ex-United States Minister to Italy William Potter received the officers and Prince Louis immediately after the ship had swung its anchor. A committee of prominent Italian citizens has arranged to entertain the visitors during their presence in this city. On Saturday night a banquet will be given in the visiting prince's honor.

For some years I have been in bad health. Suffered very much from ca-tarrh and bronchitis, lost flesh continually, coughed a great deal and there did'ent seem to be a spot about me that did'ent ache. So I went to Dr.Salm, who comes here every four weeks, for treatment. I am so much pleased with the improvement that I want everyone to know it. HARD OF HEARING FOR 35 YEARS, CAUS ED BY CATARRH, AND CURED BY DR. SALM.

Rev. J. D. Leister, Swales, Pa., Replying to your inquiry, as to testimonial with my signature, published by Dr. Salm, will say, that I was under his treatment for 10 months for my hearing. It was catarrh of the middle ear, and like yourself, could hear better some days than others, could hear better in noise. My hearing was very much improved by the treatment, and have no doubt, but that he can help you. Dr. Salm appears to be an honest man and he will tell you the truth, whether he can help you or not. If I were you I would certainly consult him. I was longer af-flicted than you. My hearing was bad in one ear for about 35 years, and in the other for about 24 or 25 years. Hoping that your hearing will be entirely re-

stored, I remain. ISAAC PIERSON Bedford, Bedford Co., Pa.

CASE OF CATARRH CURED BY DR. SALM. Rev. J. D. Leister, Swales, Pa.,

Yours came to hand to-day. Dr. Salm treated my 13 year old boy for catarrh in the head, and cured him in 6 months. I don't know whether he can cure you or not, but on examination he will tell you the truth. I know a man here, that he examined, and he told him that he could not be cured. I know other people, that he has done a great deal of good, in other cases.
