EDITORIAL

SUPPORT THE TICKET.

This is a time when every true democrat should gird on his armor--battle for the triumph of a just cause. In this campaign a great issue is involved. It appeals to the patriotic sense of every true American citizen. The occasion demands action. It involves either the supremacy of whatever democrat believes a vicious monetary policy, or the overthrow of a powerful money combination that has secured, and successfully imposed upon the people, a form of legislation that has turned a flow of unearned wealth into the coffers of the money-lending classes of this country.

This policy of gold has unjustly imposed upon the producers of wealth--the laborers and toilers over this broad land--grievous burdens and are staggering. How long will it continue? Just as long as the common people remain blind to the situation, and do not realize their condition and the opportunity they have of crushing out this evil at the ballotbox in November.

The situation in this state can be briefly stated. It is generally conceded that it will choose McKinley electors. Yet the fondest hopes of men often go amiss. Even if our state is surely republican, there are other reasons why every democrat should be at the polls. This democratic congressional district should not fail in sending a representative to congress, to advocate the cause of free silver in that body.

Wm. J. Bryan, that matchless leader as the nation's executive, would be powerless, yea helpless, to accomplish anything without the aid of a congress and the hearty support of a senate in full sympathy with his views. For that reason it would be a grievous mistake at this time for any democrat to remain from the polls.

The election of Col. J. L. Spangler is an imperative duty. It is more important to the people than the personal advantage of the candidate. Col. Spangler would fill the position to the full measure of every requirement. In him his constituency would find one who would become a recognized leader, and an able advocate of their cause. For that reason we urgently appeal to every democrat to review the situation, appreciate the importance of this election and the need of electing a democratic congressman from this district in November.

As to our county ticket, a few remarks, in a general way, are timely. This year the party has suffered disaffection. There are some who have differed with us on national issues. They have departed from us, which is their privilege, and so long as they act conscientiously, we would never question their motives; sufficient to say, they have gone from their old democratic associations and set up their own standard, and will worship before their own shrines. This has not given strength to our local organization, and

may draw some support from our county ticket. This is the true situation in Centre county--fairly and frankly expressed. The campaign in Centre county, this year, is being conducted principally by the men placed by our party on the county ticket this year. They have contributed liberally, all that could be given to defray the expenses of conducting the campaign. The vast amount of free silver literature disseminated over the county, the many meetings held, the many other necessary expenses entailed in presenting this issue before the public so that they may vote intelligently, has been borne by the representatives on our local ticket. The success of the party organization in our county rests in their hands. They have labored unceasingly and untiringly and have traveled day after day in the interest of the party. Never in the history of our county politics were such demands made and candidates required to do as much as this year. Further, they are as good a body of men as ever placed on a ticket. All of them capable and efficient for the various positions nominated. It would be a grievous mistake, extreme ingratitude, for any consistent democrat to withhold his support from our county ticket, or even any single individual member thereof. While there may be some small differences, every true democrat should cast that aside in this struggle and remember that it is the fundamental principle of free government and the foundation of democracy itself, that the will of the majority should prevail--must prevail if we desire to maintain an organization intact, in which are beliefs and political principles our embodied.

That is the situation of the hour. That is true democracy's duty if we wish to overcome the evils that have long encumbered our national progress and brought distress into the once many prosperous homes in this land. Democrats, stand by your guns. Give your best support to your entire ticket, and victory will be ours.

HARRISON KLINE has been a life long republican. In politics he has always been opposed to democratic measures and the defeat of democratic candidates. Why should any democrat think of giving him a complimentary vote? Stand by your regular nominee.

DON'T TRADE.

We have reliable information at hand, and it is no conjecture, that republican politicians are traveling the county attempting to affect combinations to secure the election of PART ONLY of their county ticket.

The canvass made by the Democratic County Chairman shows that, under present circumstances, there is a safe democratic majority in the county and our entire local ticket can be elected if the democrats turn out as they should, and vote a straight ticket as they ought. The republicans know this. They now are trying to form combinations on legislature, commissioner and other offices. They are planning to concentrate their efforts now not for their entire ticket, but only one or two candidates.

Their only hope is in capturing part of the ticket. They are especially desirous of electing two commissioners so that they, the republicans, will in the future be able to control all contracts for supplies and award it to their party liebers. It is a smart dodge. Clever politics.

They likewise want to elect at least one republican to the legislature this time for a special purpose. For these two offices special drives will be made, and offers to trade either their sheriff or treasurer, or anything else, have been made.

Democrats, that is the situation. So don't be fooled or tricked when you come to vote. We can elect the entire democratic ticket in the county this year, if you only get out the vote and support the ENTIRE ticket.

When republicans come with such propositions, reason with yourself. They have a motive in it--an advantage to gain--and the democrats a point to lose. It is a wise saying: Always fear Greeks (an enemy) when they come bearing gifts.

Democrats, don't dicker with republicans. Don't trade. Don't cut your local ticket, because you have every thing to lose. Above all, complementary voting is dangerous business this year.

Stand by your party. Support its nominees. DEMOCRATS don't trade. It means defeat to our county ticket. Don't do it.

AGAINST THE "PLUCK-ME-STORES"

Col. J. L. Spangler's Record on Pluck-Me-Stores.

MINERS ALWAYS PAID IN CASH Every Two Weeks--Check Weighmen at all His Tipples--Has Always Been the Friend of the Miners.--Proven by Correspondence.

An effort is being made by the Republican press, in this district, to arouse the prejudice of coal miners against Col. J. L. Spangler. The famous Bituminous Record of Philipsburg, is trying to make the public believe that he is an oppressor of this class of workmen. How far it will accomplish its work we cannot say. Col. Spangler is for free silver. That is the issue of the laboringmen, and especially the miners. If elected, he would be of service to them in that direction. His opponent, Mr. Arnold, is for gold--dear money and lower prices, if the miner wants the latter condition let him vote for Arnold. If he wants higher prices and more money let him vote for Spangler. That is the whole issue in the Congressional fight.

To show that Col. Spangler always jealously guards the rights and protects the interests of his men, we herewith publish a correspondence, taken from the original, that will show where Col. Spangler stands. It needs no comment. The reader must form his own conclusion:

JAMES MCCANN, President, EDWARD MULHURN, Vice President and SAMUEL J. MITCHELL, Secretary and Treasurer, Independent

ORDER OF KNIGHTS OF LABOR, Office of Sec'y and Treas, Dist. No. 2, GRAKHARTVILLE, CLEARFIELD CO., PA., OCTOBER 2, 1896.

MR. ROBERT MCGOWAN, Esq., Dear Sir: Please let me know Col. J. L. Spangler's position in regards to the company store question. And whether he is in now or at any previous time had a store of his own or allowed one of his bosses to have one. If you have had any dealing with Spangler or know nothing about it, please write in detail as there is some talk up here about him running a pluck me in Barnesboro or Spangler. Hoping to hear from you soon, I remain fraternally yours, SAMUEL J. MITCHELL, Sec'y and Treas.

SPANGLER, OCT. 8th, 1896.

Dear Sir and Bro: In reply to your inquiry of the 6th inst, would say that Col. J. L. Spangler has never had at any time any connection with company stores at Hastings, Spangler or Barnesboro. At one time a store was started by one of his bosses, but as soon as the miners notified him, he immediately ordered it closed. He has been away from the mines for about two years. About eight months ago we asked him to define his position in regard to the pluck me question, as there was some talk of compelling the miners to deal in any store located at Spangler. I enclose you a copy of his reply. This letter was read at a meeting of the miners, and pleased the men very much. There are check weighmen on all his tipples, and his men are paid in cash every two weeks. I do not think that any of the miners in this section has any ill feeling towards Mr. Spangler, as he always treated them as an equal and they got anything they asked for. Very truly yours, ROBERT MCGOWAN.

SPANGLER, PA., APRIL 4, 1896.

J. L. SPANGLER, Esq., Bellefonte, Pa., Dear Sir: We have been instructed by L. A. 1505 I. O. K. of L., in regard to the company store evil, which certain persons are trying to fasten on the miners of this place by going around the Sterling mines No. 11 and others, and getting men to promise to deal with them, and sign an Iron Clad so that they can stop what money the men will be due in them through the Sterling Co., and believe you to be a friend of the miners, and Sterling Company always having a good name of dealing justly and honestly with their men, we hope you will use your influence to get this evil stopped. You will confer a great favor on the miners of this place, and if at any time they can return the compliment I assure you they will do so. Hoping we will hear from you soon, with a favorable reply, we remain respectfully, Committed.

JAMES O'FARRELL, M. W., ROBERT MCGOWAN, W. G., JAMES GLANCY, Recording Sec'y.

DUNCAN & SPANGLER, Colliery Owners, Miners and Shippers of Blabaker Coal, 1414 S. Penn Square, PHILADELPHIA, APRIL 14, 1896.

MESSERS JAMES O'FARRELL, ROBERT MCGOWAN and JAMES GLANCY, Committee, Spangler, Pa. Gentlemen: I have your letter of recent date in reference to certain efforts that are being made to secure the store trade from the employees of the Sterling Coal Company.

I wish to say that I have delayed answer to your letter until I could have a personal interview with Mr. William P. Duncan who has absolute charge of the mines in Cambria County. I wish further to state that the Sterling Coal Company no longer have any employees, and that all the mining operations are under the management of Duncan & Spangler. I have had no connection with the active management of these mines for over a year, but in talking with Mr. Duncan today, I can say to you that no employee of Duncan & Spangler is required to deal at any particular store. This is a matter for the miner himself. The firm has no store of its own nor any connection with store business. It is your privilege to elect to deal wherever it suits you best. For further information I trust you will call on Mr. William P. Duncan when next he visits the mines. I will use my influence to correct any violation of the general policy of the firm.

Very truly yours, (Sig) J. L. SPANGLER

A BOLD FALSEHOOD.

The Gazette continues to print the following falsehood: "Twenty years of protection (1865 to 1893) decreased our public debt \$7,748,301.878. Three years of free trade (1893 to 1896) increased our public debt \$262,329,630."

The deception and lie, in the above, has been repeatedly shown by us. \$262,000,000 bonds were issued by the last administration. What for? To keep up the \$100,000,000 gold reserve. Not one dollar of this ever was used to pay the expenses of the government. This gold reserve, can only pass out by exchanging paper money for gold.

The man who says that this gold was used to meet necessary expenses is either an ignoramus or wilfully attempts to deceive--in plain words, lies. That is plain talk--but it is the truth. It is time for the Gazette to be honest on this point. We truly believe it knows no better.

Cal Harper stopped the writer recently and inquired whether the papers had forgotten that he was a candidate. No, indeed. Our friend Harper will not be forgotten by us, nor the people in November. He is one of the best qualified men for the office he aspires. He will get there--you bet.

A republican board of commissioners will throw the control of affairs into the hands of that party. We have some recollection of a republican board, under the management of Henderson.

A vote for Arnold is an endorsement of the gold standard.
