A MEAN TRICK:—A young man called at the livery stable of L. C. Bullock for a horse and sleigh, recently for the evening. After all was in readiness to take his departure, he asked one of his friends to take a ride with him. It was at once accepted, upon reaching their destination, the driver quietly handed the guest the lines, asking him to dismount and hold the horse for a short time. It was cheerfully done. Finally the time began to lengthen using him for a hitching post. At 11:30 o'clock the driver came to relieve the guest of his perilous condition; it was a very cold night. "I will never go with you again to see your girl" if that is the way you treat your friends.

THE DIFFERENCE:—A lover differs from some medical prescriptions in that "he cannot very well be shaken before he is taken."

Young people often under value the worth of pleasant and courteous manners in society. They think it artificial, and put on for effects and even half despise them as opposed to genuineness of character. But good manners is true courtesy and that springs from a regard for others from a sincere desire to put them at ease and to promote their comfort. Bluntness and roughness betray selfishness, which is indifferent to the feelings of others.

We are sorry for the loss to Mr. Packer, who is minus a very good horse.

KREAMERVILLE ITEMS.

An Interesting Sketch From a Beautiful Village in Miles Twp.

I find that, up to this time, our little hamlet near Rebersburg has not been mentioned under the head of your local correspondence, in your valuable paper. I will try and furnish you with such news as I can from time to time. If you should think them unworthy to enter your columns consign them to the waste basket. As this is the first time our town is mentioned I would like to give in part a description of it:

KREAMERVILLE.

Kreamerville, or sometimes improperly called Smoketown, is in the middle precinct of Miles township. It is beautifully situated along the north side of the mountain, and is but one half mile from Rebersburg, with which it is connected by a three foot boardwalk and the electric telephone. Among the principal industries is the creamery under the supervision of C. O. Mallory, the carpet shop of Jno. F. Wate, and also our merchant Geo. W. Kreamer; and last but not least a host of men ripe for lawyers. Most of the traveling from Nittany valley and the eastern part of Brush is done through here, which helps to make the town lively, especially while we have mother earth covered with snow. A beautiful stream flowing from the mountain gap furnishes the town with pure mountain water.

The majority of our population cast their votes for Wm. J. Bryan at the recent election, but as the gold bugs have won they are willing to swell the majority for "Bryan" in 1900.

Mathias Strayer is still on the sick list. C. L. Beck is up and around again.

The Epworth League, of this place, intend holding an entertainment on the 20th; the proceeds to be for the benefit of the league.

Some of our girls are very fond of the Boonastiel piece of poetry, entitled, "Kit-sel mich nit."

Henry Detwiler, while going down stairs from the second floor of his house, fell and broke two bones of the wrist. This will delay him from work, as he was employed by C. C. Loose.

J. R. Burd is also reported to be sick. Mrs. Wm. Stitzer died and was buried on Saturday forenoon. The Rev's Stover and Munna officiating.

Mrs. Geo. Kreamer was spending Sunday with friends in Millheim.

WALLACE RUN.

Rain, wind and snow. Mr. Corney Freil spent Saturday and Sunday at home.

Dr. Phil S. Fisher, of Zion, was seen in our midst on Sunday last visiting some of our sick.

Some of our young men had been kept at home on Saturday night on account of the rainy weather; but they seemed somewhat alarmed about the matter and so concluded to go on Sunday night, after which they returned home with all fears quieted.

One of our noted citizens while on his way to Bellefonte to have a broken rocker fixed was unfortunate enough to lose it before arriving at his destination. What accounts for the broken chair we are unable to say; but some think that the one horse chair was loaded too heavy. We would advise you, Mr. J., not to overload the chair again or damage might be brought against you.

Last Thursday the school board of Boggs township made a general visit to the schools and they ventured along here and spent the afternoon in our schools. The boys and girls always seem pleased to see the school officers come to see them in their work and to hear the speeches that are made. Besides the directors, some of the citizens were present and took part in speech making. Some of the pupils desired to have the day observed as a holiday and proposed having the stars and stripes raised, their desire was fully gratified; they said if ground hog day was not observed this day should be remembered. **SINK DIE.**

TESTIMONIALS.
AFTER HAVING TRIED 8 OF THE BEST DOCTORS IN THE COUNTRY, WITHOUT AVAIL, DR. SALM CURED ME.

For more than 12 years I have suffered a good deal of pain, in fact, I was in distress and misery nearly all the time, particularly on sitting down. The misery was in my left side, in the region of the heart. It was very seldom that I could attend to my labors. I tried 8 different doctors, so said, the best in our country, but I got worse instead of better, at last, I went to Dr. Salm, who makes regular visits to Sunbury, and thanks to his skillful treatment, I am now entirely cured.

Mrs. L. B. MUNSSELL, Dewart, Northumberland Co., Pa.

EVERYBODY OUGHT TO KNOW WHAT DR. SALM DID FOR ME. HE CURED ME OF A FEARFUL SKIN DISEASE.

For more than 4 years I have had a most terrible skin trouble. I seem to be covered, like a fish, with scales all over my body, even to my face, not excepting my eyes. The pain was almost unendurable, and I walked the floor many a night, on account of my agony. To work, was out of the question, nor could I wash myself. I tried five of our best doctors, spent money on patent medicines, such as Cuticura, Golden Medical Discovery, Ointments, etc., got treatment from the Pierce Medical Institute, Buffalo, but it went from worse to worse. Then I heard of Dr. Salm's wonderful cures in this neighborhood, took his treatment, and to-day, I am a new man. No more skin trouble. I am working again, and as well as ever. Everybody ought to know this.

FRANK RICHARDSON, Dunlo, Cambria Co., Pa.

CATARRH AND EYE TROUBLE CURED BY DR. SALM.

For several years, my daughter Dilla, has had a bad case of Catarrh accompanied by all the usual symptoms attending the disease. Catching cold continually. At last the eyes became afflicted, they became weaker and weaker from inflammation, then we became alarmed, and brought her to Dr. Salm. After a course of treatment, she is now, thanks to his skill, entirely cured.

JACOB B. MAURER, Globe Mills Snyder Co., Pa.

A FEARFUL CASE OF RHEUMATISM CURED BY DR. SALM.

I have had a fearful case of rheumatism for over 3 years, so bad that I could not lift my arms to my head, and at every change of the weather the pains were most excruciating. Anyone, having ever suffered with rheumatism, can only appreciate what I mean, I have only had 3 month's treatment from Dr. Salm, you might almost say, I am cured, and I am happy once more. I was 71 years old at my last birthday.

J. D. GARDNER, Howard, Centre Co., Pa.

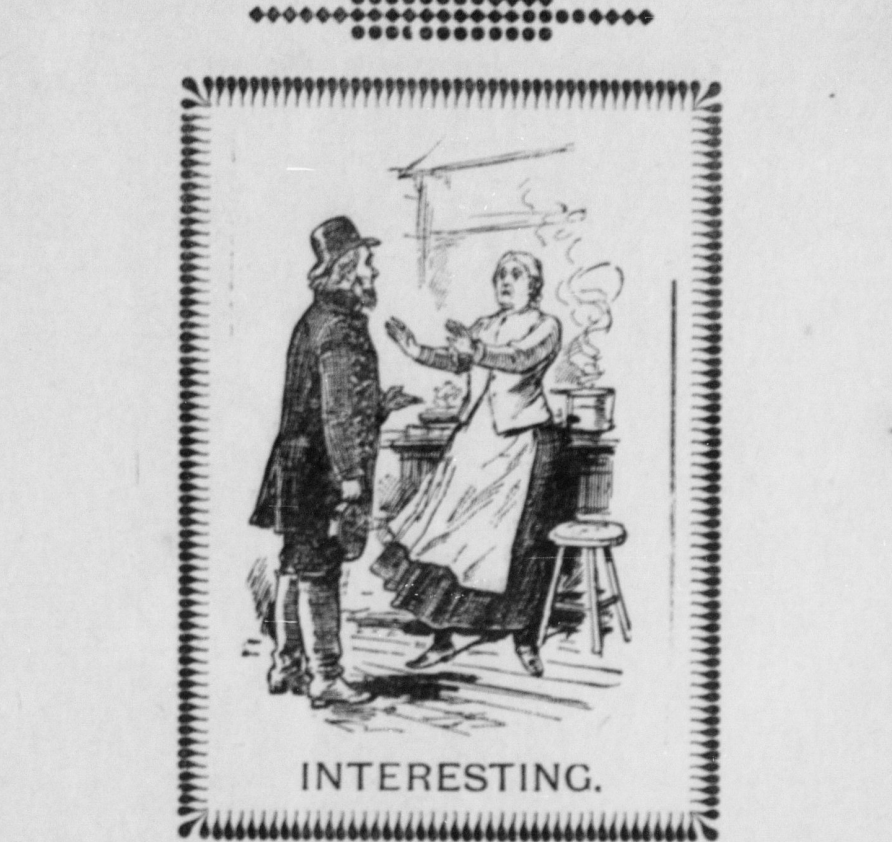

AFTER HAVING TRIED PITTSBURGH, GREENSBURG AND INDIANA CO. PHYSICIANS, HER SUFFERINGS GREW WORSE AND WORSE, BUT DR. SALM CURED HER AT LAST.

For more than 10 years I have been leading a miserable existence on account of illness. I have tried, at least 10 doctors in Buffalo, Greensburg and surrounding towns. My sufferings grew worse and worse. I became thin, too weak to work, and so many sleepless nights. Couldn't eat, as my stomach was all out of order, and my nerves seemed all unstrung. I don't want to live through another such a time, for any thing in the wide-wide world, and often I have prayed to die. After I had given up all hope of enjoying health again, I decided to consult Dr. Salm, and, thank the good Lord, that I did so. After a course of treatment, I once more enjoy fine health, eat, sleep and can work once more, as heretofore. I am truly grateful to Dr. Salm. He certainly understands his business, as my case is not the only wonderful cure he has performed in this county.

A Big REDUCTION SALE.

WINTER STOCK.

It is a mark down sale of everything in our store.

Save Money

This is a rare opportunity to make money—we mean Save Money. A dollar saved is always as good as a dollar made.

Big Reductions

Throughout our entire store Big Reductions have been made on all Winter Goods. Space will not permit us to enumerate Goods and Prices. The reduction is from 30 to 50 per cent.

Must Make Room

There is a cause for everything. Goods are not given away for glory—we are not in business for fun or for our health. But we are selling most all of our Winter Goods below cost for the following reasons: The season was late and too much stock was left over. It is better to convert this into cash and purchase new spring stock, than carry same over another year. In short, Winter Goods must go, to make room for Spring Stock.
