A new roof is badly needed as the water comes through the ceiling of the court room every time there is a rainfall. —G. L. Bateman is exhibiting a veritable curiosity in Tyrone. The freak is a lively little dog with only two legs, it having been born minus front legs. Mr. Bateman leased the dog from his owner, Ed Lindsay, of Bellefonte.

We wonder if he ever was in the newspaper business or tried to run a "That Column." —It appears that at least several bushels of soaked peas were sold in town recently by a tramp who represented them as a fresh, green article just shipped in from the South. Everybody bought; the fellow must have made money. —W. T. Meyer sold out his entire store stock to Mr. Burd, of Shamokin, Pa., and the same has been boxed up and shipped away. Mr. Garman now has some fast steppers that can make the dust fly on the roads. —Miss S. Ohnmacht, of Bellefonte, has something of importance to say in another column. of this issue, in regard to musical instruments. She has one of the latest improvements in the shape of a piano, that can not fail but commend itself to every musician. She thoroughly understands this line and can interest any one who contemplates purchasing a musical instrument. —The Edison Electric Light Company, of this place, deserve special praise for the enterprise they showed in replacing their ruined plant. On Saturday they had the plant in operation and were able to supply their incandescent patrons same as usual. It will be some time until the plant will be fully replaced, but operations are being pushed along as rapidly as possible. Painful Accident. On Saturday afternoon a serious accident occurred at the Edison Electric Light station, at this place. On account of the fire, the company found it necessary to place new engines and dynamos in the works. All work was being pushed along as rapidly as possible so that the town would not be left long in darkness. A large dynamo, weighing over a ton, was being moved to its foundation. The blocking was not as carefully placed as should have been done and the heavy machine began to topple. Mr. H. P. Loring, an electrician from Philadelphia, was in such a position that he could not escape. He attempted to hold the machine but it was too much for him and it went over and crushed him to the floor binding his limbs fast. It was, at least, five minutes until he was released from his perilous position and he was at once removed to the Bush House and Drs. Harris and Dobbins were summoned. They found that he sustained a compound fracture of the left leg, below the knee, along with other painful bruises about the body. At this writing he is improving nicely. Mr. Loring is a young man of about 35 years of age. A Quiet Wedding. On Wednesday 14th, Miss Nanuie M. H. Hunter and Mr. M. Reeser, of Snow Shoe, were married at the home of R. M. Henderson, on the Hunter homestead, near Fillmore. The ceremony was performed by Rev. D. L. Jones, of the Presbyterian church. Only the near relatives and a few friends were present to witness the nuptial event, after which an elegant repast was served. The bride is the youngest daughter of Hon. B. F. Hunter, dec'd., and a young lady of pleasing manner and estimable qualities. Mr. Reeser is a prosperous young merchant at Snow Shoe. They departed on the evening train for a wedding trip, after which they will be at home at Snow Shoe. Furst went to Harrisburg, Pa., to appear before a legislative committee for the purpose of having a bill introduced and enacted creating chattel mortgages. For some time Col. There shall be no shooting, hunting or fishing on Sunday, under penalty of \$25 At Warriorsmark. Burglars entered the railroad freight office, at Warriorsmark, last Friday night and tore things to pieces. The entrance was effected by prying a door open with an iron bar. The thieves ransacked all the drawers, desks, etc., in the office, and scattered their contents over the floor. Express boxes and packages were torn open and their contents were either carried away or scattered broadcast. On his appearance at the office next morning Agent Ryder was confronted with a sight that almost took the breath from him. Confusion reigned supreme, and topsy-turvy shared in the complete ownership of the establishment. It is said that a jug of whiskey belongs to the booty of the robbers, which may supply a clue to the identity of the house breakers, for a drunken man will even "squeal" on himself sometimes. Death of a Former Centre Countian. Jonathan Folk, died at 3 o'clock Wednesday 7th, at Altoona. He was aged 82 years and 2 months. "My little son was afflicted with scrofula sores and he was weak and sickly. Our physician recommended Hood's Sarsaparilla and I bought a bottle. Before he had taken all of this bottle his face began to break out with sores and one side of his face was nearly all one solid sore. I continued giving him Hood's Sarsaparilla until he had taken two bottles. The sores were then healed and he has been well and hearty ever since." Z. W. SMITH, Big Shanty, Pennsylvania. "Everything I ate seemed to produce gas in my stomach. I was growing worse and friends advised me to take Hood's Sarsaparilla. When I had taken four bottles I was able to eat and feel no distress. I could attend to my household duties without the fatigue I formerly felt." ADA McVICKAR, White Hall, Pa. Hood's Sarsaparilla Is the Best—It fact the One True Blood Purifier. Price \$1.50 per box. NEW LUMBER FIRM. The Centre Hall Lumber Co., Will Operate on an Extensive Scale. The Centre Hall Lumber Company is a new firm composed of E. M. Huyett, who is well-known to all in the valley, and A. M. Brown, of Penna Furnace. Both Mr. Huyett and Mr. Brown are experienced lumbermen, having been operating for years. The company will begin operations on the Fleisher tract, south of Tusseyville and have over four hundred acres of fine timber to cut, from which it is estimated they will take off about forty-five million feet. Four or five other tracts equally as large are being negotiated for and will likely be secured, and sufficient timber land will be bought to keep the firm busy for years. A large mill was purchased and will be shipped in a few days. It will be located in Fleisher's Gap, and about forty men will be given employment. Avoid An Early Grave. How often do we hear, that the avenue to an early grave was opened by neglecting a slight cough and cold. Profit by this truth, and provide yourself with Dr. Bull's Cough Syrup, which instantly cures all throat and lung affections. Mr. W. H. Mahoney, Lowell, Mass., writes: "I was taken sick with a bad cold. The doctors did not seem to help me, and everybody said I was getting consumption, when a relative recommended Dr. Bull's Cough Syrup. I got a bottle and it helped me, and after taking two bottles I was cured, to the surprise of everybody. I shall always recommend it to my friends, as I know it to be a sure cure."
