HORSE THIEVES.—The people of Brush valley and surrounding valleys should be on the lookout for horse thieves. A farmer, near Rebersburg, informed us that recently a man from Nittany, whose name we will not mention for mercy's sake, came all the way from that place with a good horse and entered his stable by night and stole his (the farmer's) poorest horse. Thinking that "murder will out," he put his (the good horse) in the farmers stable, but the thief's name is known and he would better refrain from such work or he might get into trouble.

Just unpacked new stock of spring and summer goods. Largest line ever opened by us. PHILAD. BRANCH.

MINGOVILLE JOTTINGS.

The grain fields, in this community, look very encouraging for the farmers.

Mr. Minnich, of Hublersburg, was canvassing through here with the grand work and speeches of Hon. Wm. J. Bryan. We hope he may be able to sell one to each voter, so the coming generation can read about his wonderful work.

Mrs. Yarnell came near meeting with an accident last week while on her way to her sons, she was overtaken by Dr. Zong, and he requested her to get in the buggy and ride. Many of our young men are going to the woods to work owing to the hard times. We are living on republican confidence like a great many millions of people are doing. President McKinley may be likened to the billy goat when struck by lightning—he is somewhat disfigured but still in the ring.

MILESBURG MENTION.

Account of a Serious Stabbing Affair at Wingate on Sunday.

Willis Weaver, of Kylesburg, was a guest of his parents, Col. James F. Weaver, recently.

Mrs. Jane Sunderland and Richard Brooker of Lewistown, arrived on Tuesday 13th, to visit their sick brother, Wm. Broom, Sr., who since passed away, on Saturday. Died at 4 p. m.; buried on Tuesday at 1 p. m.

Miss Mary Wright left on Thursday last for Oak Hall to visit friends of that place.

George Sheasley, of Marion township, spent Wednesday night with Wilbur Bickel.

Helen, daughter of James Noll, died on Friday morning of hemorrhage; buried on Sunday.

Bruce Wallace has arrived home, from a western tour, and has improved in health.

TAKE WARNING:—A very common practice some of our young men have permitted themselves to follow at a late hour of the night—by giving false alarms, thereby disturbing the slumbers of those at rest. Causing great excitement. The citizens will not tolerate it longer. Those giving such alarms will be looked after and punished. You are violating the law, by disturbing the peace.

No WORK:—John Grubb has walked this spring 450 miles hunting work; as yet not succeeded in finding any. He has ten of a family, depending on him for support.

Miss Daisy Green, of Williamsport, is again visiting her parents.

Harry Shirik left on Tuesday for Berwick, Pa., to visit a friend.

The soup club failed to have their regular meeting last week. The officials were out of town.

Frank Wetzel and wife spent a few days in Lock Haven, last week, among friends.

Wm. A. Swires, of Huntingdon, spent a short season with his parents. Had business in Salona that called him there.

It is said that Frank Wallace, Sr., will operate his brickyard this summer.

STABBING AFFRAY:—A stabbing affray occurred at Wingate, between four boys, on Saturday at 3 p. m.; on Sunday noon they came to Dr. H. S. Baucht for treatment.

Wm. H. Shultz gave information to James McMullen, constable, to have them arrested. After receiving information as to the course to pursue, started for them, found them lying on the ground at Gregg's crossing, near Milesburg. They had to take the wounded man on a stretcher to J. Miles Green's office.

The man that was with him, went for James Kreps the poor overseer of Boggs township. Walter Murray, of Beaver Falls, had done the stabbing, as he told the story. McMullen and Lew Wallace started for the man Murray and had him arrested and landed him in jail Sunday night. The stories they tell conflict.

The wound is located between the ribs and hip, on the right side, between three and four inches deep, with an upward cut. The incision made looks as if it a double-edged knife was the weapon.

The had him taken to James Heaton's and is lying in a precarious condition; cannot move and is and partially paralyzed. They wound is serious and from the present indication, if a hemorrhage occurs it will carry him off.

Chances are, if any poisonous matter were on the knife at the time, blood poison may take place. James W. Porter wishes to be sent to Patrick Clansing, Gilberton P. O., Skuylkill Co., Pa., in case he should die.

The Junior Epworth League's entertainment was a grand success, under the supervision of Mrs. M. Ellen Eddy supt. and her daughter, Mrs. F. E. Zimmerman as organist. The proceeds of the evening \$22.50, were for their window in the new church. The male quartette did excellent work, they are hard to beat. The entertainment was good all through.

—We are proud of the fine line of fancy shirts and neckwear just received. Come and see what is being worn.

SOBER ITEMS.

Sober once again.

The talk of the town is in regard to the R. R. Station, known as Zerby's station. Two petitions have been circulated, one to move it where it formerly was, and the other where it is at present. If the station should be moved, we hope the flag will be stolen again, and that will put away with the station altogether.

A party from Milroy talks of bringing a saw mill into our vicinity, but where is the wood that is to be sawed?

Mr. Geo. Sheelsy moved his saw mill from this place to his own home. Mr. Robt. Hettinger tried to haul the boiler with four horses, but it was too much for the four, so Mr. Sheelsy assisted him with two more, and still they could not haul it. They unhitched the horses and shoved it out by hand.

Mr. H. Wright and Miss Sarah Ebert were married on Monday evening 17th. The boys waited for them, till about ten o'clock when they were seen coming down the railroad; after they entered the house the music began. As the boys got tired they went home one by one. One of the fellows said: "just wait till they marry again."

There will be another wedding in our community in the near future; boys load up your cannon and we'll have some fun.

—We recently purchased 500 pair of pants, heretofore sold at \$2.50, you get them at \$1.35. This is the bargain of the season. PHILAD. BRANCH.

MINGOVILLE.

The writer will be in to pay his or her subscription when eggs advance in price.

Mrs. Samuel Sprowl has been very sick, but glad to say is much better at present.

Quite a number of trout were caught since the season opened. But the sports will stock the stream and put on a fish warden and then fishing will be stopped.

Robert Cramer has been chosen to act in that capacity and will in the near future transfer his household goods to the large house now occupied by Mrs. McMullen. He will take charge of the park. What will Doc do?

Sunday school was well attended last Sunday, about fifty being present.

FRITZ.

HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linin it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp Root, the great kidney remedy fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggist price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention the Centre Democrat and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

EXPENSES LOW. To those who intend to teach the State gives 50 cents a week as AP, and 50 dollars at graduation.
