### HAPPENINGS IN CENTRE CO

What our Army of Alert Correspondents see and observe worthy of note—The local Happenings of every community will be gladly Published—Send the news we will Publish it.

**REBERSBURG NEWS.**

Our silence has been due to scarcity of news.

Building is booming, the cellars are nearly all dug and R. D. Bierly has his house partly built.

C. C. Loose's office makes a very fine appearance. Cook, is one of our hustling business men.

Merchant Carlin was to the city last week, laying in a fine spring stock.

Our milliner has an entire new stock and is doing a fair business.

The new firm of Harter, Morris & Co., have a fine stock and have the large store room neatly filled. "Competition is the mother of trade."

John Bard was buried on Friday. He was one of the oldest citizens of Miles township.

Our schools are well attended, both the academy and the primary schools.

The "Musical Normal" is well attended. It seems to be something new, but we think will be an excellent beginning for some future work.

**IN MEMORIAM**—WHEREAS God in His infinite wisdom has removed from our midst and called from the church militant to the church triumphant, a beloved brother and friend, Dan'l Brumgard, therefore be it,

Resolved That whilst we deeply mourn and sorely feel the loss of him who was a pillar in the church, and a citizen of great esteem and integrity in the community, we bow in humble submission to the Divine Will.

Resolved That we tenderly cherish his counsels, facts and deeds, because they ever live, and bear silent testimony of his kind and generous Christian character.

Resolved That we, sympathizing with the bereft family, mourn not as those who have no hope knowing that our loss is his eternal gain.

Resolved That a copy of these resolutions be sent to the bereft family, and be recorded in the records of the church, and be published in the Reformed Church Record.

Com. { A. M. CORMAN, W. P. HOSTERMAN, J. N. MOYER, Rebersburg, Pa. April 9th, 1897.

**REBERSBURG NO. 2.**

W. W. Hockman has quite a number of men employed at present, and will soon exhibit to the public patronage some excellent vehicles.

The number of bicycle riders in town is constantly increasing. Likely a league will soon be organized.

As well as in our own town, there is considerable building progress in our neighboring village—Kreamersville.

C. E. Long & Son have again opened a meat market here and have employed Ira Graney, who is a good and experienced hand in the butcher business.

Thursday April 15th, the first day of the trout season, was rather unpleasant and undoubtedly there were not nearly as many flies skipping the waters as there would have been had it been a pleasant day.

Sidney Krumrine was up from Williamsport last week. By all accounts, he is doing some huckstering.

Elmer Bierly has returned from Hubbleburg, where he has been teaching school during the winter. We heard he has been quite successful.

The funeral of Daniel Brumgard, a much respected citizen of our burg, took place last Monday.

Our town is still not devoid of that abominable practice of "gossiping." It is our candid opinion that it would soon be a thing of the past if more time were spent in meditating upon the beautiful words of Thomas Jefferson, "that all men are created equal," and the preamble of the Constitution, of these U. S.

**REBERSBURG NO. 3.**

The democratic gold bugs have a capitol—at the west end of town.

Miss McKibbens, of Nittany valley, is the guest of Mr. Harvey Miller.

Mrs. Amanda Evans is on the sick list.

Last Friday Mr. John Bard, who was nearly 70 years old, was buried, having died of paralysis with the seventh attack. He died a week from last Monday evening at 10 o'clock. The funeral services were conducted by Rev. Faus, of the Methodist church. Mrs. John Bard preceded him nearly six years ago. Both were two of the first four members of the Methodist church at Kreamersville, Mrs. Geo. Crouse and H. E. Bierly having been the other two. Mr. Bard was a highly respected citizen and a consistent church member. He spent all his life in Brush-valley with the exception of five years, one year at Bellevue, Ohio, and four at Aaronsburg. He was a saddler by trade and learned it under old Mr. Reynolds with whom he worked fifteen years. During the last years his mind became affected. He had intended to go to Duncannon, to visit his two daughters there the day after he was buried. Mrs. Ellen or Strayer, of Cedar Rapids, Iowa, is the only survivor of a family of nine of which the deceased was a member. Mr. and Mrs. John Bard had ten children, four are dead and six are living: Drs. Scott and Edwin Bard, Bellevue; Mrs. Breish and Mrs. Thorpe, South Easton; Mrs. Beck, Duncannon; and Miss Emma who has supported her parents by sewing and doing various kinds of house work, for years, besides having sacrificed for their sake the best years of her life. It was a large funeral, for he had many friends.

Brushvalley is now getting a move on. Rebersburg can now boast of having two

**FIEDLER.**

**A LOVE EPISODE**—A few days ago, a certain young man came into a neighbor's yard, meeting one of the girls said: "Your cows broke into our field, and I chased them out, and brought them home for you, and now I am going to kiss you for that." "Well you won't," said the girl, and started on a run around the house, she would be kisser in hot pursuit. When he had almost won the game, she called the dog and set him on the young kisser, who by the way is very much afraid of dogs, and thinking he would be torn limb from limb started in the opposite direction where he soon came in contact with an apple tree, and fell to the ground as if shot. With the aid of the young lady, he soon revived and started home, without the kiss but with a very sore head. His mother could hardly recognize her son, and was very anxious to know what had occurred, but all the information he would give was—I am no tattle tale. His head was the resemblance of a large blue Easter egg above the eye. Young men take warning and beware of the dog.

The Goodwill Creamery had shut down for nearly two weeks, for repairs, but is now running on full time again. They have lately received a new milk separator and will now make separated butter.

Mr. Benninger, from Walnutport, Pa., was here for a few days and gave some instructions concerning their machinery.

Swamptown is to have a new steam saw mill in a few days, to be located near the bush meeting ground. Theodore Hosterman, the proprietor, has his men busily engaged making logs.

C. E. Bressler made a business trip to Harrisburg and has been gone for almost two weeks.

Wm. K. Stovers have purchased a new organ from Mr. Gephart, the agent, and now Miss Lizzie will furnish the music.

Claud W. Hinds, of this place, is one of the students attending the normal school at Aaronsburg.

The Chapel Sunday school recently held an election, and Wilson Haines was elected superintendent; R. B. Hosterman, assistant; Miss Sarah Bowersox, secretary; Michael Bower, treasurer.

The St. Paul congregation have decided to remodel their church this summer. The particulars we have not learned, but will give them later.

Our sick at present are the Misses Polite and Cora Bower.

**PROSPERITY**—Prosperity has reached the home of James Horner, he has a chicken that lays two eggs per day. James says it was on the nest for the third one, and yet the people wonder why the eggs are so cheap. This reveals the mystery.

A. J. Weaver, our genial blacksmith, at Colver, is a professional shoer of horses that have diseased feet. If you don't think so, ask Rev. Horner.

Frank Treaster has occupied his new house, on Main street.

Mrs. D. C. Keller, of Bellefonte, was a caller, at the home of Levi Stump's, last week. A BOY.

**HOOD'S PILLS** cure Liver Ills, Biliousness, Indigestion, Headache. Easy to take, easy to operate. 25c.

institutions the Musical Normal conducted by Prof. Newcomer and the Academy which Prof. Hosterman is principle both doing excellent work. If you want to see pretty girls rapidly turning into musicians, go to the Normal, and if you want to see pretty boys fast transformed into teachers, go to the Academy as it has only three girls.

**GRANGE MEETING**—Last Thursday evening the Rebersburg grange met and had a very interesting literary meeting. Mrs. Jos. K. Moyer, Mrs. Henry Meyer read able essays on home life, upon which subject Messrs. Clark M. Gramley, Charles Bierly, Jerome Moyer made some suggestive remarks. Mrs. Florence Bard also discussed quite ably the subject why there is such a demand for sensational literature at present. Messrs. Noah Corman, James Frank, etc., made valuable remarks on various questions on inventions, law, etc. At the next meeting, one week from this evening, Elmer Bierly will read an essay on the influence of women in the development of the American nation. Prof. Henry Detwiler will read an article comparing the American and English governments; Clark Gramley, on the most economical methods in farming. The grangers are in a very flourishing condition. Let all the grangers turn out.

The voting down of the motion, by the Lutheran Sunday School, not to have special Easter exercises for and by the children because some old folks thought the educational pressure was too hard at present, was not considered a wise move at all by many persons. The children are not all overworked and they know more about intellectual work than most of their would-be-critics. In place of instilling a most necessary and profound religious lesson, their remembrance of this Easter is the hollow fact of having had a colored egg and an overloaded stomach. Next time give the children a valuable lesson, and enjoyable time in place of a big blank.

**CONCERT**—The Rebersburg Musical Normal will have its first grand public concert Friday evening April 23rd, in the Evangelical church. It will consist of both vocal and instrumental music, piano solos and duets, violin and piano duets; choruses, quartets, duets solos. The exercises will begin at 8 o'clock. The violin, mandolin and banjo clubs, which was so favorably received last summer, also highly applauded, will again make its public appearance after having had considerable practice and training since. Those who heard the Musical Normal practice the last two weeks, say that there is not the least doubt this will be a musical treat. New music, and of a most classical kind, is being introduced in our valley. Then too we learn that it will be free this time. It cannot fail to be greatly appreciated under the able direction of Prof. Newcomer and Zeigler. Come, see and judge for yourself. Come early so that you will be sure to get a seat.

**Kidney Trouble Cured.**

The importance of knowing just what to do when one is afflicted with kidney disease or troubles of urinary nature, is best answered by the following letter which was recently published in the Poughkeepsie, N. Y., News-Press:

MILLERTON, Dutchess Co., N. Y.

"Dr. David Kennedy, Dear Sir—For more than eighteen months I was so badly afflicted with kidney trouble I could scarcely walk a quarter of a mile without almost fainting. I did not gain any until I began to use Dr. David Kennedy's Favorite Remedy. After using the first bottle I noticed a decided improvement which continued, and I know that

**DR. DAVID KENNEDY'S FAVORITE REMEDY** saved my life, for I was in a miserable condition up to the time I began to take it—my friends thought I would never be better.

My sister also has been very sick with bladder trouble for over a year, so bad that quantities of blood would come from her. She suffered at times most frightful pain, and nothing seemed to help her until she began the use of Dr. David Kennedy's Favorite Remedy. She is now using her third bottle, and is like a different person.

MRS. THOMAS DYE."

**STATE COLLEGE NOTES.**

The entire community was saddened to learn of the death of the venerable Shannon McCormick, which occurred at noon, Tuesday. Another of the old patriarchs of the community has gone to join the great majority across the great river. No longer shall we hear his cheery greeting, or feel his hearty hand-grasp, the voice is stilled until the dawn of eternity, and the hands are clasped forever. But his legion of friends, who are scattered through every hill and valley of all this country will always cherish well the memory of his many acts of public beneficence and private charity, which have filled to the full the almost eighty years of his life, and have brought to his declining years the love, honor and respect of the whole community.

As was stated last week the Borough School Board will leave the location of the new school building to a vote of the citizens. They have fixed upon May 15, as the day upon which the vote is to be taken. The citizens shall say whether the Foster or the Hamilton lot shall be used for school purposes, and also whether the borough shall be bonded for eight thousand dollars for the building of a new school building.
