

TO CONTINUE THE WAR.

The Greek Ministry Maintains Its Belligerent Attitude.

FOREIGN INTERVENTION OFFERED

Notwithstanding the Hostile Attitude of the Ministry, It is Believed by the Greek Troops at Pharsalos That Peace Will Soon Be Declared.

London, May 5.—The Athens correspondent of The Times telegraphs that the Greek cabinet, after hearing the reports from the ministers who had returned from the front, resolved to continue the war. The decision of the government is momentous, but it is difficult to say whether it is absolutely final. General Smolenski has declined to accept the post of chief of staff of the Crown Prince Constantine, as he prefers to remain with his own brigade. The foreign ministers have tendered the intervention of the powers to Greece, but the government has reserved its reply. It is rumored in the Greek camp at Pharsalos, however, that peace will shortly be proclaimed. It is now denied that an officer has been appointed to succeed Colonel Vassos, in command of the Greek forces in Crete. This is interpreted at Athens as a prelude to the recall of the staff of the troops from the island, and as proof of the conciliatory intentions of the new cabinet.

Colonel Vassos has been appointed to succeed Colonel Manos, who has been in command of the Greek forces operating in Epirus. Ex-Minister Metaxas replaces General Macras, and Major Constantinides has been recalled from Crete and appointed chief of Prince Constantine's staff.

The special correspondent of The Times with the Turkish forces at Velestino telegraphs under date of April 30 that the Turks have captured the village of Kephala, at the foot of the Turke, but undoubtedly be able to force the defile and, if necessary, capture Velestino.

The Turkish porte has replied to the French, Russian and British embassies, giving its consent to their proposal to protect the Greeks, but only during the period allowed for their departure. The porte adds that all treaties with Greece are suspended for the time being.

ADMIRAL MEADE DEAD.

Was Retired From Active Service by President Cleveland.

Washington, May 5.—Admiral Meade (retired), U. S. N., who has been ill in Washington for three weeks past, died

THE LATE ADMIRAL MEADE.

yesterday at Dr. Johnson's private sanitarium. Admiral Meade was first taken ill with the grip, which afterwards aggravated into pneumonia. An operation had to be performed, and from its effects the admiral failed to rally. Rear Admiral Richard W. Meade was noted for his Americanism. His strong expressions met with disfavor under the late administration, and President Cleveland retired him from active service two years ago. Meade was born in New York city on Oct. 9, 1837. He was appointed midshipman from California on Oct. 2, 1859, and served on the Atlantic and West Gulf blockading squadrons and on the western flotilla during the war, and distinguished himself particularly in the memorable battle on the Stone river, S. C. He was commissioned commander in 1868; captain in 1870, and commodore in 1872. He was the designer of the model battleship Illinois, exhibited at the World's fair.

Ex-Cashier Hoffman Indicted. Hagerstown, Md., May 5.—The United States grand jury at Baltimore yesterday indicted Edward Hoffman for alleged embezzlement from the People's National bank, of Hagerstown. Hoffman was formerly assistant cashier and teller of the bank, and it is said that he obtained between \$15,000 and \$20,000 of the bank's money. Two indictments were found against him. Hoffman left Hagerstown some months ago, but returned recently. His friends say he can satisfactorily explain his transactions with the bank. It is said that he will willingly go to Baltimore to stand trial, and that he can readily furnish \$20,000 bail to answer the charges.

Protest Against French Fishermen. St. John's, N. F., May 5.—Trouble is expected here between the French fishermen on the west coast of the island and the New Foundland authorities. The Frenchmen have no vessels there and are compelled to live in permanent dwellings, which is contrary to the treaty. The colonial ministry, therefore, will protest to the imperial government against their presence.

Elections in North Carolina. Raleigh, May 5.—Municipal elections were held throughout the state Monday. Democratic tickets were elected in every case, as far as the mayors were concerned; three out of nine councilmen in Goldsborough are negroes, and three out of five commissioners in Sanford are Republicans. The rest of it is a Democratic story.

For the Poor of London's Slums. Melbourne, Victoria, May 5.—There is a movement on foot here to send 20,000 sheep and 5,000 bullocks to England in connection with the dinner which the Princess of Wales is promoting for the poor of the slums of London upon the occasion of the celebration of the queen's diamond jubilee, June 22.

PENNSYLVANIA LEGISLATURE.

Matters That Are Interesting the Lawmakers at Harrisburg.

Harrisburg, May 4.—A bill was introduced in the house last evening by Mr. McGough, of Venango, to prevent the marriage of a person who from natural, as distinguished from accidental causes, shall have been insane in the past, or of a person who shall hereafter have become insane or feeble-minded person. The measure also provides that any person who shall knowingly assist in procuring or abetting such marriage, including the parties to the marriage, shall be guilty of a misdemeanor, and subject to six months' imprisonment and \$500 fine, both or either.

Mr. Lawrence, of Beaver, presented a bill to authorize the attendance of wages and salary in cases where food has been furnished by a retail grocer, and limiting the right of defendants and garnishes to claim the benefit of laws exempting property from levy and sale under execution.

Speaker Boyer appointed Messrs. Wilson of Lancaster, Scott of Philadelphia, Kunkel of Dauphin, Simon of Allegheny and Singer of Philadelphia a committee to investigate the insurance scandal. Messrs. Seyfert of Lancaster, Coryell of Lycoming, Bolles of Philadelphia, Farr of Lackawanna and Rhode of Berks were appointed a committee to investigate the management of the Eastern and Western penitentiaries.

In the senate the act to protect policy holders from fraudulent estimates and in the rightful disposition of the surplus of tontine form of insurance companies was killed, as was the house bill to prevent fraud and deception in the manufacture and sale of cheese.

Harrisburg, May 5.—The senate met at 4:30 o'clock yesterday afternoon to hear the report of the committee appointed at the request of the Citizens' Municipal association, of Philadelphia, by the senate two years ago for the purpose of inquiring into the operations of Philadelphia's Bullit bill charter. The report was rather voluminous, making about 110 typewritten pages.

The document was signed by Chairman Andrews, E. B. Hardenburgh of Wayne, Arthur Kennedy of Allegheny, S. J. McCarrell of Dauphin and C. Wesley Thomas of Philadelphia. Senator Grady alone withholding his signature therefrom. The senator said: "That upon which we differ does not bear on the bills framed by the committee to correct existing evils in Philadelphia. In fact, I will most heartily support these measures."

The five bills recommended by the committee were then introduced. The fifth bill was introduced by Senator Grady, and provides that police magistrates' courts in cities of the first class shall be held only in the police station houses in such cities, except one special court to be held at the city hall. The courts shall be numbered and correspond with the number of station houses in which the magistrates' courts are held. Each station house of such city shall be assigned to the court and station house by the mayor within ten days after the magistrate's election. Councils shall provide suitable rooms for the magistrates' courts.

ITEMS OF STATE NEWS.

Pittsburg, May 5.—The most destructive fire that has visited this city since 1845 broke out about midnight in T. C. Jenkins' wholesale grocery house. The flames spread rapidly from the Jenkins building, and soon had consumed several large buildings in the vicinity. The total loss will be at least \$3,000,000. Three large blocks in the business center were destroyed. George Atkinson, a fireman, was killed by falling walls.

Stroudsburg, Pa., May 4.—Ex-Representative William Kleiser, while attempting to get into a wagon, fell to the ground, sustaining severe injuries, from which he died at the home of his son-in-law. He was a prominent Democrat, and represented this county in the house of representatives from 1874 to 1876. He was largely interested in the turning business.

Hollidaysburg, Pa., May 4.—William J. Burke, a Pennsylvania railroad trainman, who had one wife in Altoona and a second wife in Pittsburg, was sentenced in court yesterday to pay a sum for the maintenance of his first wife. He will also be prosecuted in the Allegheny county courts for bigamy. Burke intimated after his hearing that several trainmen running between Altoona and Pittsburg had wives in both cities.

In a list of 193 fourth class postmasters appointed Monday were the following in Pennsylvania: Beaumont, A. W. Cooke; Tenor, F. H. Clemson; Bismarck, T. B. Blinner; Buck Valley, A. J. Schetropoff; Cementon, Charles Schaffer; Damascus, E. D. Knapp; Laurella, A. E. Wilkesbarre, Pa., May 4.—James Miller, John Bird and George Jordan, three of a party of seven colored people who were charged with blowing up a Hungarian shanty on the Lehigh Valley railroad, by which six lives were lost, were brought into court yesterday on a nolle prosequo and discharged. Neise Miller, the leader of the party, was convicted of murder in the first degree, but he died in prison before the sentence could be carried out. Frank Shaffer, another of the party, was also convicted of murder in the first degree, but the board of pardons changed the death sentence to life imprisonment.

Wilkesbarre, Pa., May 4.—The case of ex-Banker F. V. Rockefeller was called in court yesterday afternoon. The prosecutor is Mrs. Annie Mier. One morning in February, 1893, his bank failed to open. An examination of the books showed that there was very little money on hand. There were nearly 800 depositors, and their books called for nearly \$500,000. When a distribution was made the depositors received about six cents on the dollar. Rockefeller was sentenced to two years and six months in the Eastern penitentiary. After serving his time he was arrested again. The ex-banker is now 72 years old, but stands the ordeal well. He claims he has no money. Mrs. Mier alleges that she gave Rockefeller \$1,000 on the day before the bank closed. It was after banking hours, but Rockefeller reopened his bank and accepted the deposit.

TARIFF IN THE SENATE

The Bill Finally Reported From the Finance Committee.

CHANGES FROM DINGLEY BILL.

The Amendments Made by the Senate Committee Practically Amount to a New Measure—A Tilt Between Senators Gorman and Foraker.

Washington, May 5.—The tariff bill was reported to the senate yesterday, to the surprise of senators and the public. All the members of the senate finance committee were present at yesterday's session. The Democrats announced that they were against the bill as a whole. They soon understood that Senator Jones, of Nevada, was going to vote with the Republicans, and realized that there was no possibility of changing the bill. They had no desire to make any factious opposition, and when a motion was made by the Republicans to report the bill at once the vote was taken promptly. All the Republicans, with Senator Jones, of Nevada, voted for the motion, and all the Democrats voted against it. Later, in the senate, Mr. Aldrich announced that he would call up the bill on Tuesday, May 18.

The Republican members of the committee say there is no statement to be made now as to the effect of the bill, the amount of revenue to be raised by it or the reductions. When the bill is taken up in the senate Mr. Aldrich will make such a statement in the opening speech. "It will raise revenue enough" was the comment of Senator Allison, assented to by Senator Aldrich. They estimated, however, that the increased revenue to be raised from beer would be \$12,000,000, and from tea \$10,000,000. Senator Jones, of Arkansas, the Democratic tariff leader, said that he expected there would be about six weeks' debate on the bill.

Several sections in the last part of the Dingley bill, which re-enacted the present law, are stricken out. This will have the effect of leaving the present law stand and avoid discussion to a great extent. The new bill is radically different from the Dingley bill, practically amounting almost to another measure. Many important schedules were re-written entirely. The time for the bill to take effect is July 1, 1897, instead of May 1, as provided in the house.

Senators Gorman of Maryland and Foraker of Ohio had a lively tilt in the senate during the considering of the civil sundry appropriation bill. There was added interest in the controversy from the fact that Mr. Foraker is a newcomer, and this was his maiden effort, while Mr. Gorman is one of the veterans of the senate. Mr. Gorman made a severe criticism of reckless extravagance in appropriations. Mr. Foraker replied, addressing his remarks directly and personally to the Maryland senator, who was in the habit, he said, of lecturing the senate on its duty to the people, "whose tribune he assumed to be." The free homestead bill was passed by a vote of 42 to 11. The Morgan Cuban resolution again went over. The sundry civil bill was considered, but was not completed up to the time of adjournment.

Brutal Anarchists Executed. Barcelona, May 4.—The sentences upon the anarchists convicted of complicity in the bomb outrage of June 7 last, at the feast of Corpus Christi, when a dynamite bomb was thrown into a procession on its way to the Church of Santa Maria Delmar, killing a dozen outright and wounding nearly 50 others, some of whom have since died from their injuries, were finally decided upon by the judicial authorities yesterday. Five were sentenced to death, and the remainder will be deported. The executions took place today. Two of the condemned men were married yesterday afternoon to women who are also prisoners.

Death of Ex-Minister Porter. Indianapolis, May 4.—Albert G. Porter, ex-governor of Indiana, ex-minister to Italy under President Harrison's administration, died at his home in this city yesterday, aged 74 years. HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys.
