BAD SCROFULA SORE.

Parents Alarmed Because Medicines Failed to Cure. Hood's Sarsaparilla resorted to with perfect success—Sore disappeared.

Children are very often victims of scrofulous sores, due to impurities in the blood. The anxiety of parents who see their little ones suffering with dreadful scrofula sores can only be realized by those who have passed through a similar experience. Hood's Sarsaparilla has been the means of saving the lives of many who were afflicted with these terrible eruptions. Read this:

In the spring we first noticed a lump coming on the right side of our six-year-old boy's neck. At first we thought he had the mumps, but the swelling grew larger until we became alarmed and consulted our physician. He gave no name for the swelling but told us to put on a blister. We thought this was too severe a treatment, and one person told us to use one thing and another but nothing proved of avail. I purchased a bottle of Hood's Sarsaparilla and the child began taking it and soon we could see a difference. Finally the swelling broke and proved to be that dreadful disease, scrofula. We gave our son three bottles of Hood's Sarsaparilla and when he had taken this medicine the sore

WAS ENTIRELY HEALED. Afterwards it made its appearance again, and we once more resorted to Hood's Sarsaparilla and continued its use until the disease was entirely driven from his system. It is now five years since he was cured by Hood's Sarsaparilla and we believe the scrofula has been permanently cured. W. C. KREAMER, Milesburg, Pa.

EVERYBODY OUGHT TO KNOW WHAT DR. SALM DID FOR ME. HE CURED ME OF A FEARFUL SKIN DISEASE.

For more than 4 years I have had a most terrible skin trouble. I seem to be covered, like a fish, with scales all over my body, even to my face, not excepting my eyes. The pain was almost unendurable, and I walked the floor many a night, on account of my agony. To work, was out of the question, nor could I wash myself. I tried five of our best doctors, spent money on patent medicines, such as Cuticura, Golden Medical Discovery, Ointments, etc., got treatment from the Pierce Medical Institute, Buffalo, but it went from worse to worse. Then I heard of Dr. Salm's wonderful cures in this neighborhood, took his treatment, and to-day, I am a new man. No more skin trouble. I am working again, and as well as ever. Everybody ought to know this. FRANK RICHARDSON, Dunlo, Cambria Co., Pa.

CATARH AND EYE TROUBLE CURED BY DR. SALM. For several years, my daughter Dilla, has had a bad case of Catarrh accompanied by all the usual symptoms attending the disease. Catching cold continually. At last the eyes became afflicted, they became weaker and weaker from inflammation, then we became alarmed, and brought her to Dr. Salm. After a course of treatment, she is now, thanks to his skill, entirely cured. JACOB B. MAURER, Globe Mills Snyder Co., Pa.

A FEARFUL CASE OF RHEUMATISM CURED BY DR. SALM. I have had a fearful case of rheumatism for over 3 years, so bad that I could not lift my arms to my head, and at every change of the weather the pains were most excruciating. Anyone having ever suffered what I mean, I have only had 3 month's treatment from Dr. Salm, you might almost say, I am cured, and I am happy once more. I was 71 years old at my last birthday. J. D. GARDNER, Howard, Centre Co., Pa.

AFTER HAVING TRIED PITTSBURG, GREENSBURG AND INDIANA CO. PHYSICIANS, HER SUFFERINGS GREW WORSE AND WORSE, BUT DR. SALM CURED HER AT LAST. For more than 10 years I have been leading a miserable existence on account of illness. I have tried, at least 10 doctors in Buffalo, Greensburg and surroundings. My sufferings grew worse and worse. I became thin, too weak to work, and so many sleepless nights. Couldn't eat, as my stomach was all out of order, and my nerves seemed all unstrung. I don't want to live through another such a time, for any thing in the wide-wide world, and often I have prayed to die. After I had given up all hope of enjoying health again, I decided to consult Dr. Salm, and, thank the good Lord, that I did so. After a course of treatment, I once more enjoy fine health, eat, sleep and can work once more, as heretofore. I am truly grateful to Dr. Salm. He certainly understands his business, as my case is not the only wonderful cure he has performed in this county. Mrs. S. E. MCCREARY, Tunnelton, Indiana Co., Pa.
