

HAPPENINGS IN BELLEFONTE.

Local Events Briefly Told in a Few Lines.

PERSONALS, SOCIAL EVENTS.

What has Transpired During the Past Week—Movements of our People—What the Local Scribe saw worthy of mention—A week's local news in a few words.

—Herby Shaffer now is entitled to the proud distinction of being called "pap."
—Miss Bertha Laurie, who has been attending Wilson college, is home to spend her summer vacation.
—The Presbyterian church was beautifully decorated on Sunday with vines and blooming flowers.
—P. H. Shires, of Millheim, and Joseph Bitner, of near Penn Hall, transacted business in Bellefonte, Monday.
—Mrs. Murray Andrews returned on Friday from Philadelphia, and expects to remain in Bellefonte this summer.
—The Pine Grove Mills academy reunion takes place to-morrow, Friday. Special trains will be run during the day.
—W. P. Kuhn, of Bellefonte, and Geo. Dale, of Lemont, attended the session of Lutheran Synod, at Mansfield, Ohio, last week.
—On Thursday evening the Undine band tendered Mr. and Mrs. Joseph L. Montgomery a serenade at the Bush House.
—Miss Lottie Spiglemyer left on Wednesday to visit friends in Lewisburg and attend commencement at Bucknell College.
—Mrs. Fred Dietz and Wm. Draeher, both of Lock Haven, are spending a few days at the pleasant home of Mr. Frank Galbraith.
—This is a gay season for Bellefonte. The town is filled with pretty summer girls from all points. At this time there seems to be a social charm for Bellefonte.
—On Thursday the names of D. F. Fortney, Esq., and Hon. James Schofield were drawn as jurors to the U. S. District court which will be held at Pittsburg, in October next.
—Mr. R. C. Palmer, who recently started the Oak Hall woolen mills, was in town on Friday attending to business. He reports business in his line fair, and expects to keep the plant in operation right along.
—Register G. W. Rumberger, wife and daughter Marion, attended the Lucas-Williams wedding, in Philipsburg last week and visited friends in that town. Mr. Rumberger at one time was located in that town.
—Last week the County Commissioners inspected the Karthaus bridge. Complaint was made that the flooring was bad and should be replaced. Their opinion was different and only a few needed repairs were made.
—Hon. Chas. W. Herman, wife and daughter, of Middleburg, were the guests of Editor Harter over Sunday. Mr. Herman is the present representative from Snyder county, and is a prominent member of that body.
—Mrs. Hastings, wife of Gov. Hastings, spent several days of last week, at their home in this place where some extensive repairs are being made about the walks and drives. She left again on Saturday morning for Harrisburg.
—Hon. John G. Love, wife and two children, departed on Saturday morning, for Atlantic City where they will remain a short time at this famous resort. The Judge expects to be home the latter part of the week to look after business matters.
—The Pittsburg daily papers are publishing an unusually large amount of sensational matter about Bellefonte and recent fires. These articles are a real detriment to the town and tend to cause distrust among insurance people and increase our rates.
—Billy Royer, once a poor printer like the rest of us, now the deputy treasurer and handling the county's boodle, is running a foot race over Bellefonte and Philipsburg collecting the Mercantile tax of the present year. He carries a red satchel, filled with checks and Uncle Sam's promises-to-pay.
—On Friday, Mr. Link Musser, salesman of the Deering Implement Co., had quite a large display of farm implements, such as binders and mowers, that he delivered this season. About thirty-five wagons loaded with implements were assembled on the diamond and photographed. It attracted much attention.
—Mr. John T. Harris, of Bellefonte, is one of the graduating class, at State College this year and completed the course of electric engineering with honors; he has secured a position with a large electric construction company at Buffalo N. Y., and will begin work there in a short time. He is the youngest son of Mr. and Mrs. Henry Harris, of this place.
—Mr. Israel Cori, one of State College's prosperous farmers, came to Bellefonte on Friday to market wheat, as dealers in that section do not buy at this season of the year. He informs us that a number of farmers in that vicinity are holding their last year's crops with the expectation of getting \$1 per bushel. They may be fortunate, but the promising outlook of crops hardly warrants it.
—Mr. Samuel Diehl, the carriage builder at this place, has one of the finest buggies that ever passed over our streets. Its points of excellence are that it is equipped with rubber cushioned tire and the wheels are mounted with ball bearings, same as on a bicycle. The new tire makes the vehicle perfectly noiseless on the roads and saves it from jar and jolts. The new bearing make it a very easy running vehicle. The day will not be far distant when these improvements will be generally adopted.

—Sparks show will be at Bellefonte on next Thursday.
—Michael Hazel lost a valuable horse on Monday evening.
—Morris Otto went to Niagara where he will spend the summer.
—The Reformed Sunday school will picnic at Pine Grove Mills to-day.

—Services will be held in the Lutheran church on Sunday morning and evening June 20.

—Fast driving on our streets has become a nuisance that should be checked by our authorities.
—Mr. James Kellerman and son are drilling a well at Snow Shoe. Some say they expect to find oil.
—Travel to and from State College, this week has been brisker than on any former commencement.
—Children's Day exercises were appropriately observed at the Presbyterian church on Sunday morning.

County Insults.
Hon. John A. Woodward, representing the state department of agriculture; J. S. Dale, of Lemont, representing Pomona grange; and Owen Underwood, of Union township, representing the old county agricultural society, met in Bellefonte June 8, to select the places for the holding of the farmers institutes in this county next winter. After considering many rural towns they decided on Hubbersburg and Spring Mills. * The time will be fixed by the department.
Monday the Day.
The Fourth of July this year will be celebrated on Monday, July 5th. The Fourth falls on Sunday, and the law making the fifth a legal holiday when the fourth falls on Sunday, is an act approved 1893.
This is the wrong day. If it came on Saturday the average man would have one day in which to recuperate—on Sunday. If he starts to celebrate on Monday he is liable to keep it up the balance of the week.
Will Move Back to this Valley.
John S. Auman, a year ago moved to Juniata county, writes: "I just sold my mill property to Scott & Barst, of Armstrong county, Pa., for \$3500. I am going out of the business, on account of my health and as thus advised by my doctor. I expect to move back to Penns valley, to be nearer my children."—Reporter.

To-morrow, Friday, a special return train will leave Pine Grove Mills at 10 p. m., for Bellefonte, to accommodate all persons desiring to attend the Academy reunion.

JAMES CORNELLY'S HEARING.
Thursday morning, at 10 o'clock, at the hour of going to press, the habeas corpus hearing, of James Cornelly, charged with burning buildings in Bellefonte, is in progress, in the Court House, before Judge Love. District Attorney W. J. Singer and Wilbur F. Reeder, commissioners attorney, appear as counsel for prosecution, and are assisted by Detective Verne, of Removo, and Detective Gillespie, alias Steward, who was placed in jail.
Hon. A. O. Furst and H. S. Taylor, Esq., will appear for the prisoner; about a dozen witnesses have been summoned. The hearing is to compel the commonwealth to show if they have sufficient testimony to hold the prisoner on the charges preferred against him, that of firing the Court House, Electric Light Works and the Armory. The hearing has attracted much attention as the public are unusually interested in this case.
Glass Works to Close.
On Wednesday, June 30th, the Bellefonte Glass Works will close down, that being the period when all the glass factories in the country stop for a summer vacation, of two months. The plant at this place has been under successful management this year, by the workmen. They had orders for all their product, from four pots and could have disposed of much more.
Next season they expect to double the capacity to eight pots as they have all necessary facilities.
It Will Be a Deep Hole.
The stockholders of the Clinton County Gas and Oil Company have decided to drill the Gallagher township well to a depth of 3,500 feet before "shooting" it. The men who are interested in the well are confident that oil will be found and as soon as the new stem for the drill arrives will resume drilling. The shooting of the well will be an interesting operation and will no doubt attract many people to the new oil field.
Married Tuesday.
On Tuesday morning Mr. John K. Sprankle, of Tyrone, and Miss Laura Eckart, of Snow Shoe Intersection, were married at the home of the bride's parents, Mr. and Mrs. C. C. Eckart. The groom is a flagman on the Tyrone division.
Terrible Pains
In the Stomach—Dreadful Headaches—Face and Neck Covered With Boils—Cured by Hood's Sarsaparilla—Skin is Now Clear.
"I was covered with boils all over my face and neck. I had dreadful headaches and pains in my stomach. I took medicines, but was not much benefited, and I procured six bottles of Hood's Sarsaparilla. After taking the first bottle I could see an improvement. When I had taken a few more bottles the boils had all gone, my skin was clear, my appetite returned, and my health was entirely restored. I am thankful I ever found such a blood purifier as Hood's Sarsaparilla. I paid out a good deal of money for useless medicines before taking Hood's Sarsaparilla." W. F. BECKWITH, Hurlock, Maryland.
If you decide to try Hood's Sarsaparilla do not be induced to buy any other.
