A Fine Instrument.
Miss Ohnmacht, the well know musician, of this place, has a piano that is attracting much attention. It is provided with a device by which the entire keyboard can be moved a full scale and thus any piece of music can easily and instantly be transposed. This is something we believe never was accomplished heretofore. It is an improvement that any musician will appreciate as the instrument can readily be adjusted to the compass of any voice. By this method transposition is easily accomplished. Miss Ohnmacht has the agency for this instrument and persons who contemplate purchasing an instrument should by all means study this piano before making an investment. Ere long they will be the only instruments in demand. For a fuller description see the advertisement of the Morris & Hyde 'transposing piano on page 5, or call on Miss Ohnmacht, as she takes great pride in showing its superior merits.
There are Others.
Recently a Lock Haven man gave his wife a mammoth parlor lamp for a birthday present. She gave it his name, and when he asked why she replied: "Well, you know, dear, it is handsome to look at, requires a good deal of attention, is sometimes unsteady on its legs, is liable to explode when half full, flares up occasionally, is always out at bed time and is bound to smoke." Evidently they have some smart women at the county seat.
New Discoveries.
The Nipponese News has discovered black band iron ore—and the Oval Ledger has discovered cannal coal in the valley and the Lock Haven daily newspapers are pounding out gold quartz in Bald Eagle township. The next thing we hear of Col. Eckert, Faraway Moses' bosom friend, will discover a rich vein of New Orleans molasses in the neighborhood of Harpscrabble.
They Escaped.
The two prisoners who escaped from the county jail last week, have thus far succeeded in eluding the officers. Various rumors were afloat about the whereabouts of the two men, but thus far, nothing has been accomplished. There are plenty who will be anxious to capture the \$100 reward and a close watch will be kept.
Good Record.
Mr. Thomas Ferguson, the pioneer settler of Ferguson township, built the first grist mill in that part of the county about 1800, and it is still turning out good flour.
—Miss Bessie Roberts, of Passadena, Cal., will spend the summer at the home of Mr. and Mrs. Allison, on Allegheny street.
—Miss Isabel Taylor departed on Wednesday for Philadelphia for medical treatment in a hospital.
—Miss Mary Ann McGill and Mrs. J. P. Gephart left to day for San Francisco, to attend the International Christian Endeavor convention.
—Bicycle bloomers are gradually becoming popular in Bellefonte. They are awfully tempting and the dear girls will wear them.
—George B. Sammerville, Esq., of the Clearfield county bar was in town attending to some professional duties yesterday.

A FIGHTFUL EXPERIENCE.

Last Saturday afternoon Charles Taylor met with a serious accident while mowing hay on the Hunter farm near Fillmore. The team became frightened at a load of hay that passed and gave a leap that threw Mr. Taylor from the seat, on front of the cutter bar. He clung to the lines with his left hand and after being dragged about twenty rods succeeded in checking the frightened animals. He was in a perilous position. One of the guards penetrated his right arm above the elbow and held him fast. The reaper knives in motion severely gashed and chopped his right side. Fortunately Robert Hendersen saw the accident and came to the rescue. Dr. Seibert was quickly summoned and gave attention to the young man's wounds, which while exceedingly painful are not necessarily serious. The young man is a son of George Taylor and is about 21 years of age. At this writing he is slowly recovering.
Interesting Meeting.
Next Tuesday evening, July 6th, will be the time for the regular monthly public meeting under the auspices of the Prohibition League, of Bellefonte, which will be held in the Temperance rooms at 7:30 o'clock. Rev. Mr. Goodling, pastor of the Evangelical church, will deliver the address and the Prohibition quartette will sing. Everybody is invited.
The Magnet No More.
Since July 2nd no issue of the "Centre Magnet" has appeared, and we are informed that Mr. Newton S. Baily, the editor and proprietor, has concluded to suspend publication and is offering the plant and material for sale. The reason no doubt is for want of patronage. As there are so many newspapers in the county, the support from Prohibition people was not sufficient to continue the publication. Mr. Baily is now devoting his attention to collecting all outstanding accounts.
Celebration At Snow Shoe.
The Snow Shoe Band will hold a monster 4th of July Celebration at that place on Monday, July 5th. This event will take place in the public park, during the day and evening. An elegant orchestra has been engaged to furnish music for dancing. Refreshments of all kinds will be served. All are invited to join in the celebration and enjoy the day with them.
A Scare Crow.
An article from Grit says the following about a Benner township citizen:
" To test the courage of Arthur Norris of Rock View, a neighbor placed in front of his house a "scare crow" man. Arthur, seeing it, thought it a burglar and called upon it to throw up its hands, and then fired three times at the dummy. He then locked and barred all the doors, and stood on guard all night."
Annual Encampment.
Company B will leave Bellefonte, Wednesday July 14th at 4:44 P. M, for Conneaut Lake, where the Second brigade will encamp from July 17th., to 24th., inclusive. They will carry one coach, a baggage car, and one air brake horse car.
The company this year is said to be in better condition than for a long time. Under Captain Taylor's discipline they have made rapid progress.
Taken to the Asylum.
Miss Jennie Galbraith, a maiden lady residing with her two brothers, James and Robert, one mile east of Boalsburg, was, on Tuesday morning 21st, removed to the Danville Asylum for the insane. Miss Galbraith was suffering from melancholy and it was feared she would do herself harm.
Change of Firm.
Mr. S. S. Miles, formerly a merchant at Port Matilda, has purchased the interests of Mr. Edward Schofield in the grocery firm of John Q. Miles & Co. The business will be continued by the Miles Bros. at the old stand on Spring street. They are well acquainted and substantial men and will be able to build up a good trade.
No Paper.
According to the usual custom among printers, 4th of July week will be a vacation and no paper will be issued from this office Thursday July 8th. This will give all an opportunity to celebrate and recuperate.
More Stars.
On and after July 3rd, the American flag will have 45 stars. There will be six rows. The first, third and fifth rows will have eight stars each, and the second, fourth and sixth will have seven each.
Box Sociable.
A box sociable and festival will be held by the ladies of the United Evangelical church of Nittany Hall, on Saturday July 17th, in the evening. Refreshments of all kinds will be served, music by the Nittany Cornet Band.
Large Estate.
The will of Aaron W. Patchin, the well known lumberman who died last week, was probated at Clearfield Tuesday. His estate is valued at over a million dollars.
—Straw hats—cut in too, the price we mean—Philadelphia Branch.

Death of Mrs. Margaret L. Nolan.

Mrs. Margaret L. Nolan, died at her home on West Lamb street, Tuesday night, from a complication of diseases. Deceased was born in Perry county, Pa., October 15th 1823 and was 73 years, 8 months and 14 days old. She had two strokes of paralysis about six years ago but rallied again.
Three children, two boys and one girl, survive to mourn the loss of a devoted and loving mother. They are Charles, of Newark, N. J., Christ, of Butler, Pa., and Miss Alice R. of this place, Mr. John Ford, of Slippery Rock, Pa.
The funeral will take place Friday morning. Services will be held in St. John's Catholic church.
Nolan—Shaughnessy.
On next Wednesday, at 7:30 a. m., Mr. John Nolan and Miss Elizabeth Shaughnessy will be married at St. John's Catholic church, at this place, by Father McArdle. Mr. Nolan holds the position of freight agent on the Bellefonte Central railroad, at Coleville, and is an energetic and industrious and estimable young man. The bride is a daughter of our popular street commissioner, Mr. Thomas Shaughnessy, and for the past year was one of our valuable employees, with whom we are sorry to part, but such is life, and we congratulate Mr. Nolan upon his good fortune in securing such an estimable companion. May the best of life be theirs, in the future.
Canada Thistles.
Land owners should give attention to Canada thistles at this time of the year. Prevent the seed from ripening and scattering by cutting them down. There is a heavy penalty for allowing this obnoxious weed to go to seed.
Notice to Trespassers.
For some time parties have been breaking through the fence at the Catholic cemetery and otherwise damaging property. This annoyance must be stopped as all such trespassers will be prosecuted.
Services at Reformed Church.
On Sunday morning Rev. James R. Runkle, of Hubersburg, will preach in the Reformed church, at this place.
What Do the Children Drink?
Don't give them tea or coffee. Have you tried the new food drink called Grain-O? It is delicious and nourishing and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee but costs about 1/4 as much. All grocers sell it, 15c. and 25c.
