—The Business Mens picnic will be held at Hecla Park, August 12th. Preparations are being made for this event.

—Mrs. Wistar Norris, of Harrisburg, arrived last week in Bellefonte and is visiting at the home of Mrs. Blanchard, on Linn street.

—Our merchants seem to be the only persons who smiled over the scorching hot weather. It made a big demand for light summer clothes.

—Miss Carrie Gross, cashier of the large firm of Joseph Bro. & Co., departed last week for Erie, Pa., where she will spend her vacation.

—A 10-pound bass was recently caught at Howard, in the Bald Eagle, by a Mr. Krape. We suppose they weighed it at once, as the fish had scales on its back.

—Judge Love and Editor Harter have been scouring up and down the Bald Eagle valley the past week in quest of woodcock and have been successful in their expeditions. Any fellows who will travel through the hot sun these days gunning should be coralled and put to work in a grain field. Farmers keep on a lookout for them. Put them to work.

—Recently the editor passed by the comfortable home of Mr. and Mrs. C. M. Bower and was attracted by the profusion of flowers that adorn the surroundings. They have a veritable flower garden that contains all the choicest plants that bloom and of which Mrs. Bower can name and place each. Their home on Linn street is much admired for this beautiful display.

—Mart B. Garman seems to have a winner in his fast horse "Dollie Spencer." Recently she won second money in races at Scranton and Hazleton, Pa., in which her time was as low as 2:17 1/4. Horsemen now claim that this horse will be able to turn a mile in less than 2:10 before the season closes. Mr. Garman expects to have her entered in a number of races this season. The investment was a good one and he will make considerable this season.

Kern and Miss Agnes C. Rapp, both of Bellefonte, were married at the residence of Father McArdle. Mr. Kerns for several years held the position of foreman of the steam laundry, at this place, and is fortunate in securing such an estimable young lady for his life companion.

UNDINE PICNIC.

The Undine Band certainly had a big time at Hecla Park, Saturday July 3rd. The largest crowd of the season was there. Williamsport and Lock Haven were unusually well represented while people came from all points of the county.

The amusements of the day consisted of bicycle races, base ball games, dancing and a fine display of fire-works in the evening.

The races were largely attended and resulted as follows: One mile novice—Won by Bruce Barnhart, of Bellefonte; time 3:21; second, Bosner, of Bellefonte; third, Parsons, of Lock Haven.

One mile open—Won by John Teats, of Bellefonte, time 3:10; Harry Weaver, second; Jesse Underwood, third.

Boys race one mile open—Won by Harry Weaver, of Bellefonte, time 2:49; Teats second and Underwood third.

A game of base ball was played at 11 o'clock between Mackeyville and Millheim which resulted in a score of 16 to 1 in favor of the former.

Another game was played at 3 o'clock between the Demorests and South Williamsport which resulted in favor of the latter by a score of 10 to 9.

A band concert was given at 7:00 p. m., which was highly enjoyed. The following bands were present: Coleville-Milesburg Consolidated, Lock Haven, Undine and Pleasant Gap.

The attendance has been estimated at 5000 and the company realized a handsome sum.

Excursions To Atlantic City.

On Saturday, July 31st, agents of the Central R. R. of Penna., will sell ten day excursion tickets from Bellefonte and all local points to Atlantic City at rate of \$5.75 for the roundtrip. Heretofore these excursions have been run on Thursdays, but by request, and to accommodate a large number of patrons, the first sea shore excursion of the season from this region will leave Bellefonte on Saturday morning, landing passengers at "The City by the Sea" early in the evening of that day.

In connection with the Philadelphia & Reading's "Royal Route" this line offers attractions in the way of safety and comfort second to none and is the only double track road entering Atlantic City. Remember the date, Saturday, July 31st.

Bad Runaway.

On Monday, 5th, Mr. Philip Beezer's team was standing in front of his meat market while a load of ice was being taken in. Some one threw a pack of fire crackers on the street and the noise caused them to start. Mr. Beezer was thrown out and his legs were bruised by the wheels passing over him. The team started on a mad race down Allegheny street, knocking over the hitching post at Montgomery & Co's. store. Here the wagon upset and was badly broken. The horses ran down to Mann's residence where they were captured without having been injured.

This runaway caused considerable comment on the fire cracker nuisance and in the future council may be urged to abate it.

An Early Morning Wedding.

Wednesday morning 7th at 7:30 o'clock Miss Elizabeth Shaughnessy and Mr. John Nolan, both of this city, were married. The ceremony was performed by Rev. P. McArdle. The best man was Mr. Daniel Nolan, a brother of the groom, and the bridesmaid was Miss Louise Crumbaugh.

At the close of the ceremony the bride and groom and their friends went at once to the home of the bride, where a splendid wedding breakfast awaited them.

The young people received many handsome presents from their many friends. After a short trip they will return and occupy their newly furnished home. May happiness attend them.

A Bad Roof.

The County Commissioners are in a quandry as to what is best to be done in regard to repairs on the Court House. The present roof on the building is so poor that whenever there is a rainfall the water comes pouring through the ceiling in streams. As the building is ante-dated and a more commodious structure will be needed before long, they hesitate about spending much money on a new roof.

Drew The Prize.

The Philadelphia Branch clothing store recently promised to award a bicycle to some one of its patrons. On Monday the drawing took place and "2128" was the fortunate number and it was not long until the holder came in. Mr Geo. Keller, of Spring township got the bicycle.

Gored by a Cow.

On Monday of last week, Jennie a 13-year old daughter of Robert Armstrong, was gored by a vicious cow, at their home on East Howard street. A deep wound of several inches length in the thigh was the result and required the careful attention of Dr. J. L. Seibert to dress.

No Go.

The Acetylene Gas-Works, promised for Bellefonte will not be built. The patentee refused to keep his agreement with the Morris and the project is declared off that account.

Worshipped in Novel places.

In several parts of this county congregations worshipped in novel places Sunday. At Swamp Grove a congregation worshipped in a coach shop; at another place in a barn and in school houses in several places. This was because the past week the United Evangelicals surrendered to the Escherites the last of the old churches held by them in this county, as the culmination of the long drawn-out fight. In the meantime the new organization will build churches as fast as possible.

A Model Man.

County Commissioner Matthew Riddle is a peculiar man. He never tasted whiskey, wine, beer, or any form of intoxicating liquors and says he is no temperance howler, and seldom attends church. Possessing these traits of character and belonging to the republican party are things we cannot understand.

Injures Tires.

Many bicyclists leave their wheels where they will be exposed to strong sunlight. This will very soon take all the life and elasticity out of a tire and do it more damage than many thousand miles of riding would.

Street Wear.

Quite as much as house wear, or even more, perhaps, must be considered in solving the shoe question. Decidedly and emphatically it is one of those questions which is never settled until it's settled right. The fitness of things so much talked of by philosophers counts for nothing when compared with the fitness of feet. Shoe fitness of feet. Shoe fitness comes first, and our footwear combines this quality in all its varieties. Our customers scale the summit of satisfaction for these, among other reasons.
