Chairman Shortlidge, of the nuisance committee, urged the appointment of a third policeman to act as health officer and High Constable combined and made complaint that the present High Constable was negligent and did not perform his duty.

Policeman Mullen was granted a week of absence, and Robert Montgomery was appointed in his place. Requests for sewers and crossings were granted. Council decided to have board walks laid along the properties of Harris, Ray and Gordon, on North Spring street; also to remove the railing in front of the Adams Express office and relay pavement.

Bills to the amount of \$755.05 were approved.

Death of Mrs. R. A. Beck.

On August 2nd Mrs. R. A. Beck took ill with pneumonia and her condition became alarming. All that medical skill and loving attention could do was done but availed nothing toward saving her life and she died last Thursday afternoon, about 1 o'clock.

Her maiden name was Annie Rigger and she was born in Germany, July 25th, 1845, having come to America, in 1867, and four years later was married to the husband who survives her. They were married in Huntingdon and came to Bellefonte in 1878 and have been residents of place ever since.

Funeral services over the remains were held on Sunday afternoon in St. John's Episcopal church.

Few persons were aware of the serious illness of Mrs. Beck, and the announcement of her death was a great surprise to her many friends. She was truly a most estimable Christian lady. The husband has the sympathy of the community in this sad affliction.

The Logan Picnic.

On Saturday there was a large gathering of people from all parts of the valley at Hunter's Park. The occasion was the annual picnic of the Logan Fire Company of Bellefonte. One of the interesting features of the day was the ox roast under the skillful direction of Cyrus Brumgard, of Millheim, who is considered the biggest and jolliest butcher in Centre county. The roast was a success and the crowd pronounced it excellent.

One of the amusing features of the day was the great game of ball between the "fats" and "leams". At the close of the ninth inning the usual scrap arose, the score stood 11 to 11 and finally the game was awarded to the "leams" by score of 9 to 0.

The famous Zion band furnished music for the day and an orchestra at the pavilion kept the dancers moving. The company realized a fine sum on the receipts of the day.

Bicycle Races at Hecla.

There will be bicycle sport galore at Hecla Park next Saturday afternoon when five events will be run under sanction of the League of American Wheelmen, for prizes aggregating \$150. In addition to the open races there will be a one mile pursuit match race between the crack racers Budd Moore of Williamsport and F. P. Gestalder, of Allentown, Pa., for a \$35.00 prize. Budd Moore will also ride for a track record, paced by a tandem. Entry blanks can be had from Mr. Geo. Bush, L. C. Wetzel or J. S. Walker. All entries must be in the hands of Geo. B. Leiter, Williamsport, Pa., not later than Friday noon, Sept. 10th. This will probably be the last racing at Hecla Park this season and it is expected there will be a large number of entries for both the men's and boy's events.

Quietly Wedded.

On last Thursday evening Miss Lodie S. Musser, daughter of landlord Wm. Musser, of Millheim, and Mr. Temple G. Cruse, of Bellefonte, were married at the Presbyterian parsonage by Dr. Laurie. The ceremony was witnessed only by Miss Mary Cruse and Mr. Kline Woodring. After the ceremony a wedding feast was served at the groom's home, on Allegheny street. The young folks stole a march on their many friends at this place by this quiet affair, which for some time was considered a foregoing conclusion. Miss Musser is one of Millheim's accomplished young ladies, Mr. Cruse is engaged in the tobacco business at this place and is an energetic hustling young man who will make a model husband. They have our good wishes.

To be Wedded.

Mr. and Mrs. John Anderson, of east Bishop street, have issued invitations for the marriage of their daughter, Clara Celia Anderson to Edward M. Nolen, of Pittsburg. The wedding will occur in St. John's Reformed church at six o'clock on Tuesday evening, September 14th. They will make their future home at 725 Hill street, Wilkingsburg.

A LEATHER MEDAL,

indicating supreme excellence to footwear, has been awarded us by the grand jury of shoe buyers. The mercury is not more sensitive in changes of temperature than the feet are to their surroundings. It hurts them to have more room than they require or to be pinched into a smaller space than they should occupy. Exact fits in soft, easy, yielding shoes are absolutely essential to comfort. Our footwear combines all the fine points at prices as pleasant as sunshine after a storm.
