BUFFALO RUN ITEMS.

Everybody is looking for rain. The apple crop is large in our valley. Sullivan Sellers, our news boy, is a hustler. Miss Sadie Meek is visiting at State College. Some of our farmers are cutting corn already. We are all at the Granger picnic, having a good time. The infant daughter of William Sellers was quite sick last week. The blight has struck the potato crop and they are rotting fast. Miss Amanda Behrer is at home, at present, having a pleasant time. Well Jim, you don't need to starve, you know where Clark's peach orchard is. Mr. Davis Gummo reports that he missed Quaker meeting for the first time in ten years. Good boy. John A. Hoy and family returned from Elmira, N. Y., last week and reports having a good time. Coon hunting is coming in style again and our boys are making it quite lively for the coons, peaches and marsh mallows. Buffalo Run is dry for several miles, and springs that were never known to go dry, are at present like our McKinley boys—they have dried up. On Sunday morning, at 5 o'clock, the infant daughter of Harry Laird departed this life. She was aged 3 months. Interment at Gray's, on Monday at 2 o'clock. Cause of death unknown.

WALKER.

The farmers are not all through with their seeding. We are having a spell of very warm and dry weather. Quite a number attended Hecla Park, on this place, on Saturday. Miss Sadie, of Sugarvalley, is visiting her mother, Mrs. Thomas Bechtol. Charles Trenkle, of Kane, is visiting at the home of Mr. Ira C. Leathers. Mr. Joseph Tressler, of Pleasant Gap, made a flying trip to this place on Saturday. Mrs. Joseph Strunk, of Parvin, spent Sunday with her parents, Mr. and Mrs. James Beck. Our collector and solicitor Messrs Zeigler was in our vicinity a short time ago; the writer did not see them but wishes them success. Mr. and Mrs. Stover and little boy, of Aaronsburg, visited their daughter, Mrs. J. S. Condo, of this place, and Mrs. Elmer Bartley the latter part of last week. Miss Edna, the 13 year old daughter of John Strunk, the miller at this place, who had her arm broken some time ago, is improving; the arm had to be amputated. Dr. Hayes, of Lock Haven, performed the operation.

No-To-Bac for Fifty Cents. Guaranteed tobacco habit cure, makes weak men strong, blood pure. 50c. All druggists.

SPRING MILLS MENTION.

The farmers have finished seeding. Soon will be ready for the corn which will be a good crop, for most of them. C. A. Krape will soon have a new store room erected near the Post Office, which will occupy himself as a shoe store. Quite a number from this place went to Hecla Park, last Saturday, to attend the Veteran Picnic. They reported having a good time. J. D. Long, our postmaster, has erected a new cider mill, on Long's avenue. Later on we heard that Andrew Corman will move his press down from his place to near Allison Bros. flouring mill. Then there will be competition. The cheapest man will get the most apples to grind. We have a game law, but it seems that we have lawless people. You can hear reports of guns early in the morning and late in the evening. Why is this? You could drive through some woods and see a half-dozen grey squirrels, now you can go through the same woods and see none. The extent of the law would be good advice, for such law breakers. Travel slow, there is a party looking after you. Bov.

NITTANY ITEMS.

Quite a number of our people attended the Veteran picnic, at Hecla Park, on Saturday. The farmers are praying for rain and we think they will get it this week, for Granger Picnic. We notice Miss Ida Heller, of Loganston, is in our midst. She is at the home of Horace Winkleman. Those on the sick list are, Mr. Henry Snavely, Mrs. Robert Tate, and mother Minnick. Hope they will soon recover. Miss Kate Snavely is home on a visit, and is shaking hands with the many friends at this place. Glad to see you Kate. On Saturday two funerals occurred in the Snydertown cemetery, those of Mrs. John Emerick, of Snydertown, and Mrs. Best, of Hublersburg. It was an event which does not often occur in one day, in this country.

WOODWARD NOTES.

The public schools have opened and the children are again at their task. The United Evangelical church will hold their quarterly conference, at this place, on the coming Sunday.

The picnic which was held in the narrows last Saturday, was largely attended, people coming from all directions to meet their friends.

The parties who were to Penns Cave last Saturday, had a "Sporty Old Time" as it was quoted. Painter, sawyer, and teamster—all three join to have a jubilee. L. C. Weaver and J. G. Eby had a fine trip on their wheels last week. Leaving Woodward on Thursday morning, they arrived at Gowen City, in the evening, where they were received as friends by John D. Snyder formerly of this place.

RUNVILLE RIPLINGS. (Wallace Run.)

Oren Poorman is papa of a big girl. Mr. Jacob Lucas moved into his new house on Thursday. Fred Freeze spent a few days with relatives, at Eagleville, last week. MCKINLEY PROSPERITY:—The only thing new in our town—weddings and babies. Willis A. Witherite has gone to Osceola to spend some time visiting relatives, in that place. Mr. Jacob Lucas and Samuel Furl and son John, returned home from the lumber woods. Mr. Joseph Rogers and family, of Osceola, are visiting Mrs. Rogers mother, Mrs. Lydia Witherite. Mrs. Alice Resides and Mrs. Malenda Bullock, of Lock Haven, were the guests of Mr. Charles Lucas family, last week. Since our young assistant postmaster has left, a couple of our young girls look very sanctimonious. Keep your spirits up girls, Dan is coming back again. Mr. Milligan Walker the well digger, and his assistant Mr. Alexander Lucas, sank a well in one day this week, and walled it partly up. There was 16 inches of water in the well in the evening. The well was 8 feet deep.

ACCIDENT:—An accident happened with Mr. Israel Freeze, last week while driving to town, that might have proven serious. While going down a small hill, one of his horses frightened and commenced to run. He lost both of his rubber blocks on the wagon one horse got over the tongue of the wagon, and broke it off, having no means to hold the wagon. The only way he could stop the team was to run them into the fence.

TWO SERENADES:—The calithumpian band had a merry time last week. They don't often strike two weddings in one week, but such was their luck. Harry E. McClincy was married to Elizabeth H. Cole, of Zion, and on Thursday Homer B. Walker was married to Francis Hoover, of Union township. Of course the calithumpians had to see both couples. James Witherite was captain at Mr. McClincys serenade. He is a veteran of the war, but could not stand the smell of the powder at a serenade. Mr. W. T. Shirk was captain at Mr. Walker's serenade. After congratulations and the treat was passed round Mr. Shirk made a speech to the bride and groom, that was very appropriate for the occasion.

Mr. Jacob Bechtel purchased a new Champion rifle recently. Mr. Bechtel has all the modern improvements, and is what we call a prosperous farmer. Brickley, who was in partnership with Mr. O. A. Stover, of Blanchard, in running a restaurant at Nelson Run, Potter Co., is taking a brief vacation at home. It certainly has agreed with William for he weighs 195 pounds.

Grapes are plenty in our vicinity, and are beginning to ripen. Many of our people were to the soldiers' reunion, at Hecla Park, last Saturday. The Misses Anna Sheats and Mary Wolfe, of this place, have both gone to State College, where they have secured employment for the winter. Messrs E. R. Wolfe and Reuben Sheatz, two of our enterprising young men, have gone to Haines township to teach this winter. We wish them success. W. E. Minnig and Allen Gilbert, together, killed a porcupine that weighed 42 pounds, last week. They claim it was a very large one, and they would like to hear from some one else who can beat this in weight, through the columns of the Democrat.

NEW MACHINERY:—Mr. Clark Gramley informs us that he is getting a new grain separator and a clover separator, the latter part of this week. Mr. Gramley is determined to keep up with the times. He will also be able with his new

machines to give perfect satisfaction in the future.

POTATOES ROTTING:—It is rumored that two weeks ago Mr. J. C. Brumgart raised 170 bushels of potatoes and put them into his cellar. They commenced to rot and last week he carried out of his cellar 90 bushels of rotten ones. He is not the only one to lose his potatoes and at this rate the tubers can not be bought at any price.

The Cruel Knife!

The alarming increase in the number of deaths which occur as the result of a surgical operation is attracting general attention, and a strong sentiment against such methods of treatment is fast developing among the most intelligent classes. It seems that in almost every case for which the doctors' treatment is unsuccessful, the learned physicians decide at once that an operation must be performed, and the keen blade of the surgeon is recklessly resorted to. Doctors are human, and of course are liable to make mistakes, but their mistakes are too fatal to be indulged in promiscuously, and as so many lives are sacrificed in this manner, it is but natural for the public to believe that half the operations are unnecessary, besides being a fearful risk to human life, even if successful. It is a positive fact, however, that all operations are not necessary, and that a majority of them are absolutely undertaken without the slightest chance of success. The doctors have never been able to cure a blood disease, and a surgical operation is their only method of treating deep-seated cases, such as cancer and scrofulous affections. Aside from the great danger, an operation never did and never will cure cancer, as the disease never fails to return. Cancer is in the blood, and common sense teaches anyone that no disease can be cut from the blood.

Here is a case where the pain inflicted on a six-year-old boy was especially cruel, and after undergoing the tortures produced by the surgeon's knife he rapidly grew worse. Mr. J. N. Murdoch, the father of the boy, residing at 279 Snodgrass street, Dallas, Texas, writes: "When my son, Will, was six years old, a small sore appeared on his lip, which did not yield to the usual treatment, but before long began to grow. It gave him a great deal of pain, and continued to spread. He was treated by several good doctors, who said he had cancer, and advised that an operation was necessary. "After much reluctance, we consented, and they cut down to the jaw bone, which they scraped. The operation was a severe one, but I thought it was the only hope for my boy. Before a great while the cancer returned, and began to grow rapidly. We gave him many remedies without relief, and finally upon the advice of a friend, decided to try S.S.S. (Swift's Specific), and with the second bottle he began to improve. After twenty bottles had been taken, the cancer disappeared entirely and he was cured. The cure was a permanent one, for he is now seventeen years old, and has never had a sign of the dreadful disease to return."

S.S.S. is far ahead of all other blood remedies, because it is the only one which cures deep-seated obstinate blood diseases such as Cancer, Scrofula, Eczema, Catarrh, Rheumatism, etc. It is the only blood remedy guaranteed Purely Vegetable containing not a particle of mercury, potash, or other mineral ingredient, which are so injurious to the system. S.S.S. is sold by all druggists. Books on Cancer and Blood Diseases will be mailed free to any address by the Swift Specific Company, Atlanta, Ga.

Before submitting to the SSS knife, try SSS the only real blood remedy.
