WHOLE FAMILY SLAIN.

The Awful Crime of a Prosperous Iowa Farmer.

SHOT SEVEN AND THEN HIMSELF.

Only One of His Victims, an Eight-Year-Old Boy, Escaped Instant Death and He Cannot Survive His Wounds. A Frightful Butchery.

Carroll, Ia., Sept. 28 .- John Boecker, a farmer living eight miles from this place, Sunday night murdered his wife and five children and fatally wounded his 8-year-old son, Henry. Afterward the flendish or demented man sent a bullet into his own head, inflicting a fatal wound. The family were prosperous Germans, and as far as is known lived happily. No motive for the tragedy has been disclosed. Boecker's victims are his wife and these children: Caroline, aged 14; Christine, aged 9; Henry, aged 8; Lizzie, aged 6; John, aged 3, and an infant. Henry cannot recover from his wounds.

Boecker had an engagement to help a neighbor thresh yesterday morning, and on his not putting in an appearance his brother Henry went about 9 o'clock to see why he did not come. The doors of the Boecker house were locked, and there were no signs of life about. Henry tried to get into the house, but met no resistance, and finally he kicked in the door and came upon the hor-rible scene. Boecker, with his wife and baby, slept in a back room, and the three corpses lay on a bed. The wife had been shot in the neck with a shotgun which stood in the corner, the baby had been shot and its head crushed with the butt of a revolver. The man, still breathing, had a bullet hole in the forehead, and by his side was a sixshooter with two chambers empty. The Boecker home is a story and a half frame house, and upstairs Henry and Lizzie lay on a bed with bullet holes in their foreheads, the latter dead, and the boy still breathing. In the opposite corner of the same room Caroline, Christine and John lay dead, each shot in the forehead.

Boecker was 34 years old, and for over 20 years lived in the neighborhood. He has been regarded as a prosperous farmer, and only recently bought a 200 acre farm a few miles from the old homestead. On Sunday he attended Catholic services at Breda with his wife and some of the children. Later in the day he was visited by a neighbor, who says that when he left the Boecker home in the evening they were seemingly a happy family. Members of his father's family say he had no family troubles, his financial affairs were in good shape, and they can assign no motive for the terrible crime.

Murderer Bocker Still Alive. Carroll, Ia., Sept. 29 .- John Boecker, the murderer of his wife and five children, still lives, though his recovery is impossible. The son Henry shows signs of returning strength, but physicians say his wound is fatal. It is now known that Boecker bought a supply of chloroform at Breda last week, ostensibly to doctor hogs for cholera. With this he threw the family into commit the murders without resistance. er's mind has been affected for some

PLOT AGAINST NICHOLAS.

Tunnel Built in Warsaw to Assassin-

ate Russia's Emperor. Warsaw, Sept. 29.—Though an official denial will be forthcoming, it has leaked out from official circles in such a manner as leaves no room for doubt that there was a deliberate and determined plot against Emperor Nicholas at the time of his recent visit to this city. Its success was only frustrated by accident.

Several weeks before the arrival of the imperial party a number of persons supposed to belong to the German Socialist party undermined Norvy Sviat, the principal street in Warsaw, between the governor general's palace and the royal castle.

As the tunnel, which had been undertaken from the cellar of a beer house, approached completion the conspirators became apprehensive of a collapse of the roadway, and called in several Polish masons to build supports. The masons, whose suspicions were aroused, notified the police, and 130 arrests fol-

Among those in custody are four disguised German officers, either on leave or belonging to the landwehr, which had been active in the actual work of tunneling. A number of merchants and manufacturers from the town of Lodzy, Poland, are also implicated.

The Klondike Outdone.

Seattle, Sept. 27 .- The first authentic news concerning Washington's new Eldorado near Mount Baker, and how to get there, is brought to Seattle by E. Saportas, who with Frank Crydo and Gus Wagner, experienced miners of Dawson City, went to the scene of the latest excitement a week ago. According to Mr. Saportas the route is passable, and not very difficult until within five miles of the find. The last five miles, however, present obstacles that would forever discourage any one not an experienced prospector and mountaineer. There is in Mount Baker and its surrounding heights enough gold. says Mr. Saportas, to keep prospectors busy for the next ten years.

Three Section Hands Killed. Zanesville, O., Sept. 29 .- Heavy for obscured the tracks so that a hand car was struck about three miles out by the inspection train of the Muskingum Valley officers yesterday, and three men were killed and two injured. They were section men coming into the city. The dead are Edward Davis, Winfield Halsey and William Menefee. The injured are George Halsey and John Devoe.

Colony Scheme a Failure. San Francisco, Sept. 29 .- It is reported here that the brig Percy Edwards, which sailed from this port last February with 100 South sea colonists, is now engaged in the slave trade. The rolonization scheme was a failure. The men who had started in search of an Adamless Eden fell to quarreling, and after selling their vessel scattered in various directions.

THE SHOOTING UNJUSTIFIABLE. So Declares the Majority of the Lat-

timer Coroner's Jury. Hazleton, Pa., Sept. 28 .- The coroner's the striking miners at Lattimer met in Deputy Coroner Bowman's office last evening, and after an hour's deliberation rendered the following verdict:

"That from the circumstances of the case and the evidence offered the said Clement Platock and others came to their deaths by gunshot wounds on Sept. 10, 1897, at the hands of Sheriff James Martin and his deputies, and in this we the jury do all agree. And we, Philip J. Boyle, Thomas T. Thomas, Barton Freas and Peter McKlernan, of this jury, do further say that the said Clement Platock, with others, was marching peaceably and unarmed on the public highway, that they were intercepted by the said Sheriff Martin and his deputies and mercilessly shot to death, and we do further find that the killing was unnecessary and could have been avoided without serious injury to either person or property, and we find finally that the killing was wanton and unjustifiable."

George Maue and F. J. McNeal, of the jury, do not concur in the latter finding, but declare that "there was such strong suspicion of unlawful violence at the hands of persons or persons unknown to the jury as to make this inquest necessary."

Soldiers Leaving the Strike Region. Hazleton, Pa., Sept. 28 .- The miners of McAdoo and vicinity will take action on the report of the arbitrating committee today, and the general opinion is that the report will be satisfactory. The Fourth regiment was withdrawn today, and the Eighth and the City Troop, of Philadelphia, will go home tomorrow. It is probable that the Ninth and the Governor's Troop will break camp on Thursday, and unless something unforeseen soccurs in the meantime the entire staff will leave at the same time. No regiment will remain here, the commanding officers being confident that no trouble is to be

Deputies Held For Trial. Wilkesbarre, Pa., Sept. 23 .- The hearing in the case of Sheriff Martin and his deputies, charged with murder in the killing of 24 marching strikers at Lattimer recently, has been concluded, and the accused men must stand trial. This decision was reached at the conclusion of the hearing yesterday. All the men were held in \$5,000 bail each on a charge of murder and in \$1,000 each for felonious wounding. Bail was furnished for all the accused by Joseph A. Sinn, representing a Philadelphia trust com-

New Jersey Amendments Defeated. Trenton, Sept. 29. - Meager returns from several counties of the state indicate that all three of the constitutional amendments voted for yesterday have been defeated. In the cities the vote has been large, and in most cases a majority has been cast against the amendments. Returns from Hudson county indicate a majority of 10,000 against the amendments. Middlesex county, with one-third of the precincts estimated, gives a majority of 500 for the anti-gambling amendment and 200 for each of the others. Atlantic county gave 500 against the measures, and the course of which he said: "If my their final sleep and was enabled to Gloucester 500 against. Essex is expected to give a big majority against about the desired union I shall rest Those who know him best say Boeck- the amendments, and unless there is a heavier vote in the country districts mony and conciliation which we thus the present returns indicate that the amendments have been lost by a majority of about 25,000.

Killed by Masked Robbers.

Ukiah, Cal., Sept. 29.-Two masked highwaymen held up the Booneville stage yesterday afternoon and J. R. Barnett, a passenger, was shot and instantly killed by one of the robbers. As the stage was passing through a heavily wooded part of the road, seven miles from here, the bandits suddenly appeared and ordered the driver to stop. Barnett, who was seated in the rear of the stage, heard the order and plunged his hand into his pocket to secure his purse. The highwayman thought that Barnett was about to draw his pistol and fired, the charge striking Barnett in the neck and killing him instantly. The robbers then secured three express boxes and dis-

Williams For Governor.

Worcester, Mass., Sept. 29.-George Fred Williams, of Dedham, was yesterday nominated for governor of Massachusetts by the Democratic state convention on a platform that squarely endorses that adopted by the national convention at Chicago last summer. The other nominees are: For lieutenant governor, Christopher T. Callahan of Holyoke; state secretary, C. D. Nash of Whitman; attorney general, John A. O'Keefe of Lynn; treasurer and receiver general, T. A. Watson of Boston; auditor, J. L. Chalifoux

Minister Woodford in Madrid. Madrid, Sept. 27.-The arrival of United States Minister Woodford from San Sebastian has made a sensation. The program of the United States has been ascertained. This does not contemplate a declaration of war if Spain rejects mediation, but, according to report, an "ostentatious proclamation to the world of disapproval of the Cuban regime by suspending diplomatic relations with Spain and withdrawing the United States minister."

Indiana Lynchers Not Indicted. Indianapolis, Sept. 29.—The governor has received a letter from M. R. Connelly, the prosecutor of Ripley county. saying that the grand jury adjourned without finding any indictment against the Versailles lynchers. The witnesses all testified differently, hence no indictment. The governor has transmitted the letter to the attorney general and requested him to make a thorough investigation of the case in his own time and way.

Ambassador Patenotre's Successor. Paris, Sept. 29 .- M. Jules Cambon. governor general of Algeria, it is announced, will succeed M. Jules Patenotre as French ambassador at Washington, and M. Patenotre will go to Madrid. The announcement that M. Patenotre had been transferred to Madrid was firts made by The Temps of Paris, on Sept. 16 last, when it was that Count Montholon, the French minister at Brussels, was to hature of the concessions should emasucceed him at Washington.

MESSRS. LOW, TRACY AND GEORGE

Already in the Field-Tracy the Reguiar Republican Nominee and George Represents the Silver Democrats. No Prospect of Republican Fusion.

New York, Sept. 29 .- The first Republican convention for the greater New York municipality last night nominated the following ticket: For mayor, Benjamin F. Tracy; comptroller, Ashbel P. Fitch; president of the council, R. Ross Appleton. Mr. Fitch is a gold Democrat, and his nomination was urged in a speech by Chanucey M. Depew. Lieutenant Governor Woodruff was

temporary chairman of the convention, which met at noon yesterday. After the preliminary work of the convention an adjournment was taken until 8 'clock p. m.

The doors of the convention hall were opened at 7:15 o'clock, and the auditorium was packed to its utmost capacity. Shortly after 8 o'clock Senator Platt, accompanied by Mrs. Platt and

BENJAMIN F. TRACY.

several ladies, appeared in the parterre box, immediately above the right of the platform. The band played "Hall to the Chief," and the crowd yelled and cheered until it was hoarse. "Three cheers for Platt!" were given again and again. The senator bowed and smiled.

The temporary officers were made permanent officers. Lemuel E. Quigg was unanimously elected president of the city committee. It will be his duty to select the committee to conduct the

Edward Lauterbach, chairman of the ommittee on resolutions, presented the platform, which was adopted.

After the adoption of the platform District Attorney Olcott presented the name of Benjamin F. Tracy, Mr. Worth named Seth Low. The ballot resulted: Tracy, 297; Low, 49; ex-Mayor Schroeder, of Brooklyn, 2. The nomination was made unanimous

Then the other nominations were rushed through, and a committee appeared with the candidate for mayor, who made a speech of acceptance, in candidacy be the means of bringing content. If, however, the spirit of harinvoke does not prevail, I propose, having accepted this nomination, to make the fight to the end."

None of the defeated Low men have expressed an intention to bolt the regular ticket. The Citizens' Union several days ago announced that the withdrawal of Low was out of the question. and the Republican committee at the same time presented an ultimatum to the effect that Low was not acceptable to the Republican organization. The Brooklyn committee of 50 and the Purroy Democracy are still loyal to Low. A union of the anti-Tammany forces seems now unlikely.

HENRY GEORGE A CANDIDATE. The Labor Advocate Nominated by the Silver Democrats.

York, Sept. 28 .- The most important development in the greater New York political situation yesterday was the unanimous nomination of

GEORGE Democracy, composed of numerous free silver and Bryan clubs which were ac tive in the campaign of last fall. Mr. George once polled 68,000 votes as a labor candidate for mayor of New York. His strength, if he should accept, would be drawn principally from the Democratic vote. The convention nominated John G. Boyd for comptroller and Winfield S. Overton for president of the municipal council. A belief is current that Mr. George will not accept the nomination if Tammany indorses the Chicago platform.

Union Pacific Road to be Sold. New York, Sept. 29 .- The reorganization committee of the Union Pacific railway announced yesterday that owing to certain concessions that have been made to the government, the attorney general had withdrawn his former objections, and that the advertisement announcing the sale of the road may be looked for in a day or two. The date of the sale is Nov. 1. It is stated that the concessions desired by the government will not interfere with the plan as already published, although the members of the committee prefer that the announcement of the precise nate from the attorney general.
