Austin Iddings has a large white cat. It will catch any size snake. It matters not what kind and bring it in to the house, where Aust has a club for killing them. A few days ago it came in with a large black snake. Aust got the club and used it to good effect.

R. D. Owen's singing company gave a free concert to a house-full on Saturday night, for the purpose of raising a music class. Every musical person was well pleased with their singing. They raised a class of twenty to start with and more to follow. Nothing succeeds like success.

**BITTEN BY A SNAKE.**—Willard Fisher's son, one day last week, was playing at school and laid behind a log to hide, at the lower Wallace Run school. He was bitten by a copperhead. It is said the parents did not send for medical aid until the next morning. The little fellow now is in a critical condition.

Squirrels are plenty. On Saturday three were on the shade trees at Frank Wetzler's residence. On Sunday morning some young men were stoning one and getting tired of stones, tried another way of capturing it. The first attempt brought it to the ground, a dead gray squirrel. This one was on the tree in the front yard.

**NARROW ESCAPE.**—On Monday the 19th, Harry Sager, the mute made a narrow escape of having his light put out. He was standing on the railroad, and the local freight train came along within a few feet of him. Ira Proudfoot attracted his attention just in time to save him. When he jumped the pilot struck his leg, throwing him along the rail, just far enough away for the engine to miss him, thereby saving his life.

**SONG SERVICE.**—The song services, given in the M. E. church on Sunday evening, by Prof. R. D. Owen and Prof. L. T. Eddy, was a delightful display of musical talent. The church was filled with critics to test the singing; every person, was well pleased, from the youngest to the oldest. This week the place is full of vocal music. The convention opened with a good class of singers, on Tuesday evening, to close on Saturday night with a grand concert. All are invited to attend the concert; a portion of proceeds will be for the benefit of the new church. Come everybody; pay in your mite and help a good cause along.

**BIRTHDAY ANNIVERSARY.**—As the shades of evening fell the carriages began to arrive at the Trczyny home in Boggs township with the many guests who came to take part in celebrating the birthday anniversary of Mrs. S. T. Gibbs, the only daughter of H. L. and Lovina P. Trczyny, dec'd. The house and veranda were beautifully decorated with fern, flowers and potted plants. The situation is one of the most beautiful in Bald Eagle Valley. The lady is a loyal one as she had the American flag conspicuously displayed in the hall, over the entrance, at high noon, the hour of her birth. She with the assistance of her daughter Edie, planted three cedar trees, from the Wm. I. Thomas farm, in memory of her father, mother and self. Mrs. Gibbs is quite youthful looking despite her half a century. She was born in Bellefonte at the H. P. Trczyny home, where the new Catholic church now stands. Few live to see such a noble monument raised on their birth place.

The baby of fifty years ago was dressed in white silk, white kid slippers; wore the white velvet, hand-painted silver buckled garters and white satin girdle which her mother wore at her wedding in 1837. Mrs. Gibbs wore the same at her own nuptials in 1867. All the gold ornament she wore on this occasion was her badge and charm with "Mixpah"

given to her by Post 95, Bellefonte. Miss Olie was dressed in white silk tinged with green over pink. The guests all brought something and wished her many returns of the happy day. Those that could not be present sent regrets. They certainly missed a royal good time. By request of Mr. Ezra Fisher, she sang the songs of long ago, when he was present with Dr. Ellis Green, her father and Mrs. Andrew Gregg, dec'd, and others 29 years ago. She is an artist, musician and a very sweet singer and most excellent company at all times. A well filled supper table was one of the delightful events of the joyous occasion.

A GUEST.
