INJUNCTION DISSOLVED.

On Tuesday morning court was in session for a brief period. In the preliminary injunction of the Centre Hall Water Company, against the boro council and officers, the court held that the old company did not have the exclusive right to furnish water for that town and dissolved the injunction. The opinion is quite lengthy and practically holds the same position as the attorneys for the boro council argued at the hearing.

Not For Everything.

But if you have kidney, liver or bladder trouble you will find Swamp-Root just the remedy you need. People are not apt to get anxious about their health soon enough. If you are "not quite well" or "half siek" have you ever thought that your kidneys may be the cause of your sickness?

It is easy to tell by setting aside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desires to urinate, scanty supply, pain or dull ache in the back is also convincing proof that the kidneys and bladder need doctoring.

There is satisfaction in knowing that the great remedy Dr. Kilmer's Swamp-Root, fulfills every wish in relieving weak or diseased kidneys and all forms of bladder and urinary troubles. Not only does Swamp-Root give new life and activity to the kidneys-the cause of trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar, or by mentioning CENTRE DEMOCRAT and sending your address to Dr. Kilmer & Co., Binghamton, N. Y. you may have a sample bottle of this great discovery sent to you free by mail.
