TOM THUMB WEDDING.

The ladies of the Reformed church gave two very interesting entertainments in the armory last week. It was a Tom Thumb Wedding, in which the children did all the acting, and that was the pleasing part of the affair.

The Bilger family of Pleasant Gap was present and discoursed some excellent orchestral music for the event. Master Lee Walker sang an excellent solo and was followed by Earl Bell in a choice solo.

All the young people were attired in specially prepared costumes—full evening dress. The wedding proper was a very pretty affair.

After the guests had all arrived the orchestra played the Loghengen wedding march and the bridal party appeared. The minister with a long black robe on and book in his hand advanced, that was Master Paul Wetzel, followed by the ushers and groomsmen, Paul Eiters, Chester Cronister, David Eiters, Arthur Gerhart, John Lawrence, Nevin Wetzel. Arthur Ward was best man, by his side walked the gallant little groom Edmund Joseph attired in full dress with white kid gloves. They were followed by the bridesmaid, Helen Moore, Marian Grauer, dressed in white, Lucretia Williams, Louise Brackbill in blue, Nellie Conley, May Brown, in pink; maid of honor Elizabeth Orvis, followed next after which the little flower girls came that were Katherine Eiters, Adaline Rankin, Mamie McClure, Mary Hicklen, Alice Lowery, Lottie Grenninger, next came the beautiful little bride, Martha McClure leaning on the arm of her father, Walter Rankin.

Among some of the guests were John Smith, the bachelor uncle; Jessie Derstine, Lucile Wetzel, grandparents; Anna Harris, was a maiden aunt. Raymond Jenkins, Dorothy Jenkins, Marion Lewin, Edmund Lingle, Marion Lingle, were brothers and sisters of the bride.

A reception followed the wedding in which Helen Crissman sang a beautiful solo.

The wedding was truly a success and much enjoyed by all who were present.

James Cornely Sentenced.
On Monday forenoon the court was in session. The passing of sentence on James Cornely, convicted of firing the armory, attracted considerable attention. Hon. A. O. Furst addressed the court and plead for clemency in this case. His reason was that there was much doubt in the community as to the guilt of the defendant and claimed that most any other citizen would have been acquitted under the nature of the evidence. The prisoner also was declared to be in delicate health, and long confinement might prove fatal.

Judge Love in passing sentence announced that much time and consideration had been given to this case and there was nothing to convince the court that a new trial should be granted. The sentence was: \$1 fine, costs of prosecution, and confinement in the Western Penitentiary for a term of five years and six months.

Mr. Furst announced at once that an appeal would be taken to the Superior court. Three days time were given to make this appeal in proper form, which has been done. We understand that this case will be argued at the session of Superior Court, at Williamsport in February next. Until that time James Cornely will be held in the county jail.

Brant House Restaurant.
Col. Henry Yeager, the landlord of the Brant House, at this place, keeps a model hotel and knows how to look after the comfort of his guests. He recently added another feature to the place, in the equipment of a first-class restaurant. It embraces a large variety of choice dishes that will be served on short notice. His excellent oysters can't be beat. There you can have soups, baked beans, etc., served at any hour of the day. This department is in charge of Mr. James Ginter, an expert in this line who knows how to conduct a first class restaurant.

Mr. Harry Rine is another experienced man who superintends the Brant House bar. The choicest brands of wines and liquors are always kept in stock, and his delicate mixtures are what have won for the place a large patronage. Messrs Rine and Ginter are courteous and obliging, and know how to cater to the public.

A Society Event.
Friday evening the home of Mr and Mrs. F. W. Crider, on West Linn street, was the scene of a brilliant society event. The occasion was a reception in honor of the home coming of Burns Henderson Crider and his bride, formerly Miss Van Billard, of Bethlehem; and it also marked the debut of Miss May Crider into society.

The rooms were tastefully and artistically adorned with beautifully potted plants and cut flowers. The parlor in white roses and white carnations, the sitting room in red roses and red carnations and the dining room in yellow roses and yellow chrysanthemums.

NEW CASHIER.
It is announced by the firm of Jackson, Hastings & Co., bankers at this place, that after January 1st, 1898, Mr. John P. Harris will be the cashier of that place of business. For many years Mr. Harris held the position of cashier of the First National Bank of Bellefonte and will continue there until the end of the year.

Mr. Harris, we understand, makes this change from a business point of view. The death of Mr. Jackson created a vacancy and the position was offered him at a higher salary than he has been receiving and he accepted the same.

There is a rumor current on the streets that Mr. W. P. Duncan president of the First National Bank, of Philipsburg had been selected as Mr. Harris's successor. This is denied, as no such arrangement had been made.

The Academy Victorious.
On Saturday afternoon the Bellefonte Academy boys distinguished themselves by defeating the State College Prep foot ball team by a score of 8 to 0. The game was played here on the glass works meadow and was witnessed by a large crowd. All through the game the superior work of the Academy team was evident and they played with energy and tact.

The first touch down was made by Maurice Otto and he was heartily cheered. Henderson made the second touch down. This is the first time the Preps were ever defeated by the Academy. Henderson, Cummings, Eldridge and Otto deserve mention as doing the best work for the Academy.

The following is the Academy team: Otto, r e; Twitwre, r t; Musser, r g; Garbrick, centre; Cummings, lg; Potter, lt; Eldredge, lc; Hughes, Capt. qb; Henderson, r hb; Blair, f b; Curtin, lb b. Subs, Case and Smith.

Next Saturday the Lock Haven State Normal will play here.

Don't Sell Game.
As many persons labor under the mistaken impression that they can sell game to the consumers, it will be well to disabuse them of that notion. No game can be sold within the state and no game taken out of the state under any pretext whatever.

A Flag of Warning.
Beware of the dry, tickling, hacking, morning cough, for it warns you that consumption lurks near. The famous Dr. Bull's Cough Syrup will cure it. "I had a very bad cough. One doctor pronounced it consumption. I used Dr. Bull's Cough Syrup and was completely cured; the cough left me and has never come back. Simon Smasal, 375 31st Street, Chicago, Ills." Dr. Bull's Cough Syrup costs but 25 cents. Ask for Bull's, take only Bull's.

Merit

Made and Merit Maintains the confidence of the people in Hood's Sarsaparilla. If a medicine cures you when sick; if it makes wonderful cures everywhere, then beyond all question that medicine possesses merit.

Made

That is just the truth about Hood's Sarsaparilla. We know it possesses merit because it cures, not once or twice or a hundred times, but in thousands and thousands of cases. We know it cures, absolutely, permanently, when all others fail to do any good whatever. We repeat

Hood's Sarsaparilla

Is the best—in fact the One True Blood Purifier. cure nausea, indigestion, biliousness. 25 cents.

National Endorsement

At a meeting of the National Horse-shoers' Association, held in the City of New York, October, 1896.

The merits of the Neverslip Horse Shoe and Calk were carefully considered. After full discussion they decided to adopt them and to recommend them to all blacksmiths. It was proved that Neverslip Shoes were better than other shoes and wore longer.

It was also proved that Neverslip Calks saved the horse-shoer time and money, were better for the horse, saved money for the owner and a step in advance of the old method.

Everybody wants to know how the cost compares with the old method. Go to your blacksmith, have him put on a set of Neverslip Shoes, these will cost no more than the old shoes. Then buy fifty calks, costing from 3 to 4 cents each, according to size of your horse, one wrench for removing calks, costing one dollar, and you are fitted for the winter.
