DEATH.—We are sorry to note the death of Mr. C. Jeffrey Walker, who died at his home in this place, last Saturday morning. ANOTHER DEATH.—We note the death of another of the Cochler family which occurred in Salt Lake City about two weeks ago. It was the person of Abraham Cochler formerly of this place. Abraham went west about five years ago to recuperate his health, but was not benefited much by the change of climate. The immediate cause of his death was bowel trouble and consumption. He was making his home with his brother George W. who has been in that part of the country several years. The remaining members of the family are Elmer, photographer, of McKeesport, Pa.; Dr. Wm. of Bellefonte; George W., carpenter, of Salt Lake City; and David the peddler, now living in Romola. Mr. D. Clayton Caris, we have no objections to your going across the valley at certain times, but be sure and look if the sky is clear before going inside as a Turkish bath would be very undesirable at this time of the year.

Mr. E. B. S. you should take your gun along when escorting Miss Mabel home, for if "Those Wild Turkeys" should get the scent of you, they might possibly settle that grudge which they have against you, for shooting their leader.

CONFERENCE.—Quarterly conference will be held in the United Evangelical church, at this place, on next Saturday and Sunday, 16th and 17th. Conference on Saturday at 2 o'clock; preaching Saturday evening at 7 o'clock; preaching on Sunday morning at 10 o'clock. Rev. Stapleton, presiding elder will be present at all these services.

A CHALLENGE.—In last week's columns of the DEMOCRAT we noticed that Mr. Otto Reighard, of Loganton, husked 110 bushels of corn cars in one day from 6 o'clock in the morning until 6 o'clock in the evening, being 12 hours. He also is anxious to know if there is any body in Centre county that can beat his record. Mr. Reighard first should subscribe for the CENTRE DEMOCRAT, \$1.00 per year, (if not a subscriber) and then he might know and learn what the people in Centre county are doing. Mr. Reighard also did not state how much the corn yielded to the acre, or whether it was topped corn or shocks. In reply to Mr. Reighard's statement, we would say that J. E. Zeigler husked 100 bu. in ten hours (shocked corn) and tied his fodder twice. W. H. Zeigler the same amount in the same time, and Jeremiah Brungart can roll them out at the rate of 30 per minute. We also guarantee that W. H. Zeigler will pick faster than Mr. Reighard can pick it up. Now these men will on a wagger husk 110 bushels in 10 hours if corn yields over 80 bushels to the acre. A LABORER.

Any information concerning the above can be obtained from Wolf's Store Correspondent.
